SUBJECT: 2021-2022 USDA Child Nutrition Nationwide Waiver

The Tangipahoa Parish School System is pleased to announce the continuation of the USDA Child Nutrition Nationwide Waiver for the 2021-2022 school year. This program will allow all students to receive a healthy breakfast and lunch every school day free of charge. Students will still be required to pay for second meals and/or extra sales items, as they are not included in the program. No fees are required to participate in this program. Meals will be provided to virtual students. Please check the district website for additional updates. Parents/guardians will no longer be required to complete an application for meal benefits for their child or children. The only requirement to participate in this program is for the child/children to be enrolled in one of the Tangipahoa Parish public schools listed below.

As always, we are looking forward to providing nutritious and delicious meals for all students this school year. We are confident that this program will have a positive impact on our students and parents! If you have any questions, please contact Kendra Reed, Director of Child Nutrition, via telephone (985-748-2480) or email (Kendra.reed@tangischools.org). Thanks!
