## Davie County Students Recognized for Good Character

Each year, students are recognized for displaying traits of good character. The students selected to represent their schools exemplify the traits of compassion, courage, honesty, justice, loyalty, respect, responsibility and self-discipline. These students were recognized at the June Board of Education Meeting and are featured on the district website, [GoDavie.org](http://GoDavie.org).

Congratulations to all the students for earning this special recognition for the 2020-21 school year. There is always an opportunity for a student to be a role model and contribute to the future of our community. Davie County Schools encourages each student to continue their success, work hard and be kind to others every day. This lesson is a very important part of a child's education, and is an important focus for Davie County Schools.
