Welcome to Barbers Hill ISD

Barbers Hill Independent School District is a suburban district in western Chambers County. Established in 1929, the district has a rich tradition of community involvement and school pride. The fabric of the district’s story is interwoven with that of the petrochemical industry in our area, beginning with the discovery of oil in the early 20th century at the Mont Belvieu Salt Dome, and continuing today through industry partnerships that benefit students.

Barbers Hill ISD encompasses four communities: **Mont Belvieu, Old River-Winfree, Cove and Beach City**. We are home to 8 campuses, including one high school, two middle schools, two elementary schools, an Early Childhood Center that includes grades K to 1, a Pre-K Center for both tuition-based and regular Pre-K, and an alternative disciplinary campus.

Our district has experienced consistent growth over time, with recent years averaging 6% growth. A few of the many attractions Barbers Hill offers to families with children, as well as senior citizens, are:

- ✓ Top academic scores in state testing
- ✓ Top academic scores in national reviews
- ✓ Award-winning career & technical education
- ✓ Award-winning athletic programs
- ✓ Award-winning fine arts and extracurricular activities
- ✓ Nationally certified teachers
- ✓ Nationally-ranked Education Foundation
- ✓ High student behavior expectations
- ✓ Focus on safety
- ✓ Low tax rate
- ✓ Family-friendly, small town atmosphere

We invite you to take a look at our most recent data enclosed here, and see why our motto is

2020 - A year to remember

COVID-19 shaped learning; BHISD adapted

With the discovery of COVID-19 in Houston in March, 2020, classrooms were closed and instruction moved to an online format, and all sports and activities were canceled. Barbers Hill teachers and staff quickly learned to deliver effective remote lessons to maximize student learning.

Barbers Hill ISD was one of the few districts statewide that was able to offer an outdoor graduation ceremony for the Class of 2020 in May. Hours of preparation were spent to ensure a safe, healthy, and memorable event for seniors.

In July, more than 80% of BH parents responded to a survey that they would prefer in-person instruction for their students in the fall. District officials and maintenance personnel worked tirelessly to modify campuses and classrooms to maximize safety for students and staff.

Desk dividers, masks, hand sanitizer, distancing, assigned seating, and more became the norm, and instruction continued throughout the year, with a few unforeseen interruptions from hurricanes and ice storms.

In spite of the challenges of 2020 and 2021, Barbers Hill ISD students, staff, and families demonstrated resiliency, courage, and commitment to keep staff and students' needs and education at the forefront of decision-making.

This year BHISD students were named All-State athletes and musicians, Art and Healthcare winners, AP and College Board scholars, Undefeated District Champs, Academic State Champs, and more. In spite of enduring some of the most trying times in our district's history, we are proud of our students and staff for demonstrating a "We Can, We Will" attitude at every opportunity.
