

FOOD SERVICE CONSULTANTS, INC.

S e r v i n g Y o u W i t h P r i d e

To: SLUH Students, Faculty, Staff & Community
From: Food Service Consultants
Subject: Meal Card System
Date: July 2021

In order to better serve the SLUH Community, we will be introducing a new meal card system this year. The system is called Mosaic Point of Sale, which also features the MySchoolBucks online prepayment features. This program operates in the cloud, which ensures that the information is not only safe, but also updated constantly and will not be lost or have a system failure.

Here are just a few of the benefits;

- Parents are able to go to a single website at, www.myschoolbucks.com and set up their son's own account. The website is very user friendly and we believe you will come to enjoy the convenience that it offers. Select the state, and then select Food Service Consultants as your district. You will then be able to set up the account. After completing the account, it will have you choose the school that your son attends. Your son's student ID number will remain the same, but will have the prefix 203 added to it, in order to identify the school. Existing meal card balances will be in the system, and you will be able to go online to complete your account. Some of you will see an outstanding balance that is from the debt owed from last school year.
- Parents are able to view a detailed history of their son's account activity for the past 90 days, view account balances, set up low balance reminders, which will be emailed to you, make arrangements for automatic payments, and even use the mobile app. You can still send in cash or a check, credit card or PayPal as in the past, if this is more convenient for you. The system will be available to parents 24 hours, 7 days a week.
- We are confident that you will find the program convenient and helpful for you as you watch your child's meal card balance. You can contact the cafeteria manager Kathy Hylla at foodservice@sluh.org or 314-724-1921 if you have any questions.

Thank You!

8534 Watson Road • St. Louis, Missouri 63119 • (314) 569-3663 • (FAX) 569-2357

Online Meal Payment

MySchoolBucks.com® allows parents to make deposits into their child's school meal account online or via a mobile app.

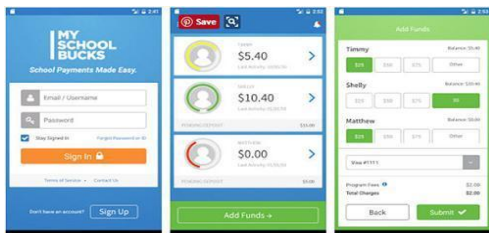

With MySchoolBucks, parents can check balances, review transaction history and receive low balance alerts at home or work. Deposit money for all your children in one transaction (up to \$120 per child), and the money is credited at school by the next morning. MySchoolBucks deposits have a per transaction convenience fee of \$2.49.

Sign Up Online

Visit www.MySchoolBucks.com and click "SIGN UP TODAY" to create an account. A confirmation email will be sent to the email address you provide. Simply follow the link included in that email, and your registration will be complete. Once you log in, you can add all your students by entering each student's school, their name and student ID number.

Get the App

Download the MySchoolBucks app from the [Google Play Store for Android devices](#) or the [App Store for iOS/Apple](#).

Safety

- o Students don't carry money to school.

Convenience

- o Make payments when it's convenient, 24 hours a day, 7 days a week.

Control

- o Receive low balance email reminders.
- o Monitor your child's account balance and cafeteria purchases.

Efficiency

- o Make payments for all of your children in one easy step, even if they attend different schools in the district.

Flexibility

- o Make payments using major credit/debit cards or electronic check.
- o Can have payments made automatically each month.
- o Deposit confirmations sent directly to your email account.
