

# STOP COVID-19

August 4, 2021

Parents/Guardians,

*TMISD is taking additional steps to further mitigate the rising numbers of COVID cases across our district. Middle School Campus is no longer open to outside visitors. We are enforcing the following measures:*

- Encourage your student to bring a water bottle with them to school.*
- Please send all items with your student in the morning.*
- We are not accepting drop-offs of any sort this includes: lunch, supplies, athletic attire, etc.*

*We encourage all students and staff to wear a mask.*

*Thank you for your patience and understanding!*
