ANNUAL NOTICES TO PARENTS/GUARDIANS

Avon Community School Corporation's Annual Notices to Parents and Guardians can be found on the corporation webpage under the Parent tab. This information outlines our policies and practices regarding items such as:

- Data privacy practices (opt out form available)
- Notice of non-discrimination
- Anti-harassment and anti-bullying policies
- School board policy regarding student records

Please visit <https://www.avon-schools.org/parents> for detailed information.

CLINIC SERVICES

Avon Schools uses the online service CareDox as a tool for parents to provide medical information. The system enables student immunization information, physical exam results, medication information, and nurse visits to be stored securely and compliance with HIPAA and FERPA regulations. Families are able to access CareDox at any time from their computer, smartphone, or tablet to see their student's activity in the clinic and will receive nightly communication regarding any clinic visits that may have occurred. **Please make sure you've signed up for an account with CareDox utilizing the email link you will receive over the summer with directions.**

- **Please make sure your student is up-to-date with required immunizations.** Students who are not properly immunized will be excluded from school after 20 days.
- Avon Schools have acetaminophen, ibuprofen, and antacid in the clinic. These can be given at the discretion of the school nurse to any student who has permission. Any additional over-the-counter medications (including cough drops) will be kept in the clinic and need to be supplied by the parent. **All over-the-counter permission is provided via CareDox.** All medication must be in the original unopened container. Over-the-counter medications sent in to school will be kept until the end of the school year unless directed otherwise.
- **A completed Prescription Medication and Hold Harmless Release Form must be completed and signed in order for your child to receive any prescription medications at school.** This form is available on the school website under the forms tab or from the clinic. Prescription medications must be in the original prescription container with a pharmacy label. Any controlled substances will need to be brought in by a parent or guardian and may not be transported by the student. Medication prescribed three times a day is easiest given before school, after school, and at bedtime.
- Please keep any phone numbers and contact information up-to-date with the Guidance office. You never know when the nurse may need to contact you in an emergency!
- Having your child eat breakfast will prevent many of the morning headaches and stomachaches seen in the clinic.
- The Health Services Staff are here to help in any way during the school year. Please let your child's school nurse know if you have any health concerns or questions about your child. Healthy children learn better!

The following guidelines will be used in determining when to send a child home:

1. Fever > 100 F. Children who are ill should be fever-free for 24 hours without the use of fever-reducing medication before attending school.
2. Witnessed vomiting or diarrhea (defined as 2 or more liquid stools in a 12-hour period.) Children who are ill should be free from vomiting or diarrhea for 24 hours before attending school.
3. Suspicion of untreated conjunctivitis, or pink eye (redness of the whites of the eyes with purulent drainage). If pink eye is diagnosed, drops need to be used for 24 hours before attending school.
4. Suspicious rashes that may be contagious.
5. Injury that may require further evaluation and treatment.
6. Untreated head lice - presence of live lice.
7. Suspicion of an untreated contagious condition. If an infection has been diagnosed, children need to be on antibiotics for 24 hours before attending school.
8. A condition or illness that is causing such severe symptoms that the student is unable to function in class. Examples include severe headaches, continuous cough, persistent stomachache, etc.

We look forward to taking care of your child during this school year. If you have any questions, please contact your school nurses.

TRANSPORTATION SERVICES

Transportation services are available for all students within the Avon Community School Corporation boundaries. Freshmen, sophomores and juniors are automatically assigned to a bus. Because many of our seniors either drive to school or ride to school with friends who drive, bus services is not automatically assigned. For those seniors who need transportation services, a parent/guardian must notify the transportation support staff by calling 317-544-6150.

****Due to COVID-19, all bus riders must be registered with transportation!**

ACSC Transportation utilizes a program called **ELink** to allow parent access to their student(s) bus information. For students enrolling prior to the start of the new school year, parents may visit the transportation webpage **beginning Monday, July 19, 2021** to obtain directions on how to access **ELink**. Parents will also find additional information on how to obtain their child's **ELink** username/password. Parents are encouraged to check ELink often as bus stops may be slightly altered due to new students enrolling daily. Please have your child at their assigned bus stop five (5) minutes prior to their scheduled pickup time.

Transportation's website can be found here: <https://www.avon-schools.org/services/transportation>

STUDENT DROP-OFF/PICK-UP PROCEDURES

THERE ARE THREE DIFFERENT DROP-OFF ZONES

- ⌚ **Door #1** is located at the main entrance of the school and is open at 7:30 am. Enter from 150 South **by the sign and flagpole**. If you enter at the stoplight, you will find a gate closed that will not allow cars into the front parking area during school hours, and you will be directed to the entrance at Door #33. The parking area traffic is ONE WAY only. Please pull forward as far as possible to drop students in the “drop-off zone” by the sidewalk. Cars may then pull around the parking area back to the entrance at 150 South. During drop-off times, cars will only be allowed to exit by making a right turn onto 150 South toward Dan Jones Road.
- ⌚ **Door #33** is the Auditorium/Commons/Cafeteria entrance, which is located in the back of the school. Enter the campus from 150 South at the stoplight, turn to the right and proceed past staff parking and performing arts wing to the drop off area at Door #33. Please exit this area towards the entrance at 150 South.
- ⌚ **Door #28** is the main entrance for the Fieldhouse. Enter the campus from Dan Jones Road and follow the drop off area at the back of the Fieldhouse just past the tennis courts. **Each morning, this door will be locked promptly at 8:00, so students should be dropped off before then.**

WHERE DO I STOP AND LET OUT MY STUDENT?

All three “drop-off zones” are clearly marked along the curb where students should exit vehicle and walk to the door. Zones are marked so that multiple vehicles can pull up to the curb at once and unload students. Please pull as far forward as possible before allowing your student to exit vehicle. Staff members will be present to help direct you; please follow their instructions.

The safest place for students to get out of vehicle is at the curb.

WHEN MAY STUDENTS ENTER THE BUILDING?

School begins at 8:25 a.m. and ends at 3:10 p.m. Students at the Main Entrance (Door #1) and Door #28 (Fieldhouse) will be able to enter the building at 8:05 a.m. Students entering at Door#33 (Commons) will be able to gather in the commons area at 8:05 a.m. A bell will ring at 8:10 a.m. to dismiss all students into the hallways and classrooms of the building. Students may leave the building after 3:10 p.m. unless they are remaining at school for academic help, serving an after-school detention, attending a school-sponsored activity, or remaining under the direct supervision of a teacher or coach.

STUDENT DROP-OFF/PICK-UP PROCEDURES (continued)

WHERE DO I PARK TO PICK UP STUDENTS AT THE END OF THE DAY?

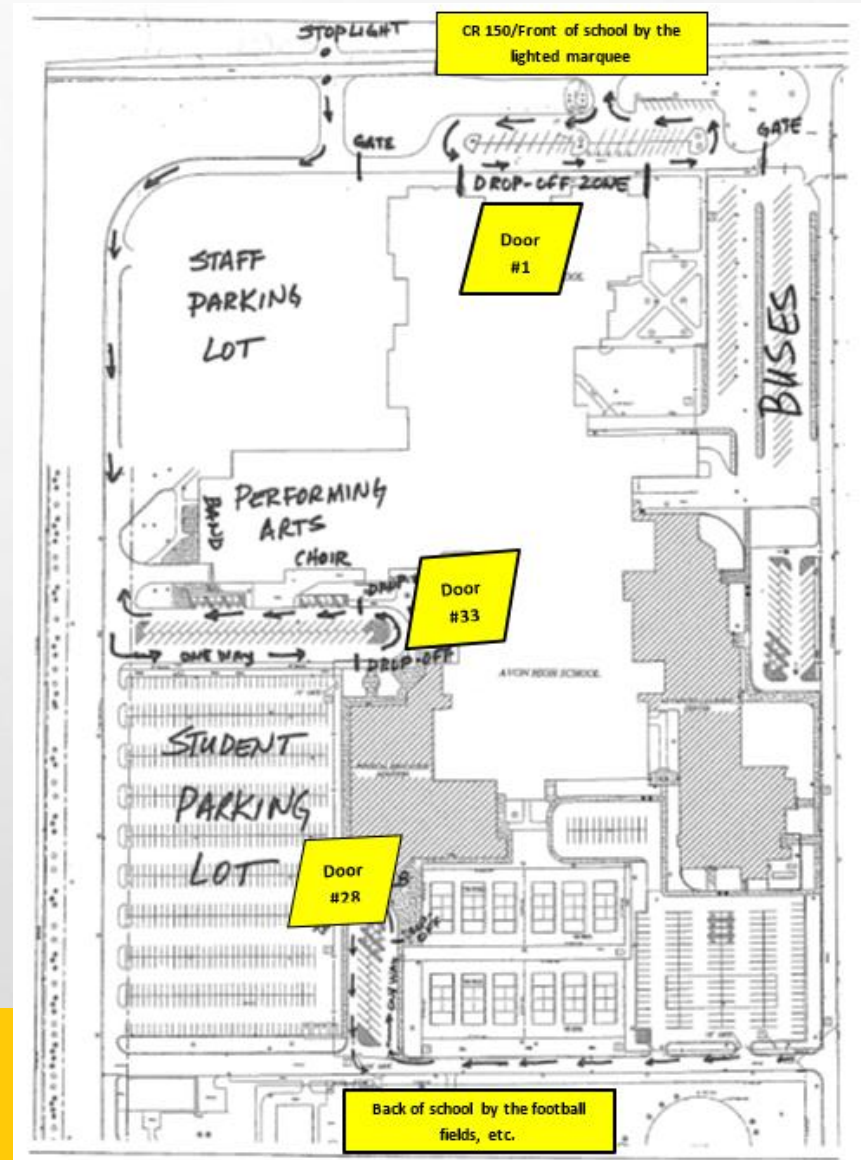

While waiting for dismissal you can park along the curb at designated locations. Please use all available curb space, and do not leave your vehicle unattended. Once students are dismissed and vehicles begin to leave you need to continue to pull forward until you reach the end of the line, or your student arrives, and you pull out of line to leave.

If there is no curb space available when you arrive pull around the vehicles parked at the curb, and park in an available parking space. There should be several parking spaces available at all doors.

Students may only be picked up at the curb as we do not want them crossing in front of moving traffic.

A police officer is on campus during arrival and dismissal times. In addition, staff members are on duty at all student entrances to assist with traffic flow. Given the tremendous traffic at peak times we have encountered very few accidents.

Our first goal is to ensure the safety of our students. We ask that you and your child(ren) adhere to the policies and patterns as established above. Should you have questions regarding the drop-off/pick-up procedures, please contact your child's administrator.

WE ARE AVON, WE ARE ONE.

During your time here at Avon High School, you will frequently hear our motto, “We are Avon, We are One” and see it in social media communications as a hashtag #WeAreAvonWeAreOne. The A.R.E. stands for Accountable, Respectful, Engaged. These qualities are the foundation of what makes Avon students great, and it is our desire that all Avon students develop these traits throughout their time here at AHS. As a school staff, we hope to model these qualities daily to ensure the learning environment at our schools is one of community, safety, and excellence.

A student handbook/agenda will be provided to you at the start of your enrollment. Please take time to read it thoroughly and make sure your parent/guardian has an opportunity to review it as well. This is vital information to help ensure all students, staff, and parents are interacting in a way that shows they are Accountable, Respectful, and Engaged.

Note: should you lose your student handbook/agenda, there will be a \$5.00 replacement fee. Additionally, there will be a \$1.00 fee to replace your student ID. You are required to always have both items with you. Students can carry their backpack in school, so it is suggested that you keep the handbook in a pocket of the backpack and your ID in an easily accessible location such as your wallet or a lanyard.

NAVIANCE

TECHNOLOGY APPLICATIONS (continued)

Parents may also set up their own PowerSchool and Schoology accounts so they can monitor their student's academic progress. Assistance with logging in to either site can be provided by calling the AHS Guidance Office at 317-544-5020.

PowerSchool offers students and parents real-time access to grades, attendance, and class information. An Internet connection is the only requirement for success. All information about your child is secure and only available to you. Individualized and detailed instructions on how to access PowerSchool will be provided to you at enrollment.

To create a parent/guardian account, click the "Create Account" link found at <https://powerschool.avon-schools.org/>

Schoology is a learning management system utilized by teachers to communicate course materials and due dates to students. This program is also utilized in the event of an E-Learning day.

Parents: Use the credentials from your account set-up (email/username and selected password)-a letter with instructions will be mailed home within days of enrollment.

Students: Log-in using your Office 365 credentials.

After logging in, you should see "courses, groups, student name" on the top line and "summary, grades, calendar" on the second line. With the exception of "grades", this information is real-time and should be used daily to keep up-to-date on assignments due and/or upcoming (utilize Power School for actual grades).

COMBATING FOOD INSECURITY

Avon Community School Corporation is committed to helping families find the support and resources they need to overcome food insecurity. For families that qualify, each school in the corporation can provide both breakfast and lunch as part of the free/reduced portion of the National School Lunch and Breakfast Program. Below are some guidelines explaining what is covered under this program (full details can be found at <https://www.avon-schools.org/services/food-services>):

What qualifies as a reimbursable meal (Combo)?

ACSC meals must meet certain meal patterns to qualify as reimbursable meals through the National School Lunch and Breakfast programs. A lunch consists of five components: meat/meat alternate, grain, fruit, vegetable and milk. Students can take all 5 components, or decline up to two. At least one half cup of fruit or vegetable must be taken. A breakfast consists of four components: two grains or a grain and protein, as well as a fruit and milk. Students may chose to decline one of these components at breakfast.

How do I know which items are parts of a reimbursable meal and which items are sold a la carte?

At all schools there are many items that are sold as ala carte that do not count as part of the reimbursable meal. Examples of items that are always a la carte include water (juice at grade 7 through 12), baked chips/pretzels, Low Sugar and Low Fat Ice Cream, and more. If you do not want your child to purchase a la carte items, please contact your school manager directly.

PARENT FAQ and GENERAL INFORMATION

Who do I contact if my child will be absent from school and how do I get homework?

- Please call the automated attendance line at 544-5000 and follow the menu prompts by 10:00 AM each day of the absence.
- For extended absences (two or more days), students should refer to Schoology to check on assignments posted by their teachers. Using the Schoology messaging feature, student and teachers can communicate about questions the student may have or other specifics of the assignments.
- If you or your child notice that the teacher has referred to items not available on Schoology, you or your child may request homework assignments through the Guidance Office Secretary. *Students should exhaust all Schoology options prior to initiating a homework request with the guidance office.*
- Homework requests can be made by calling 317-544-5000 ext. 5020. All requests should be made prior to 10:00 AM, so that the teachers have time to fulfill the requests by 3:00 PM the same day. The earlier in the day the request is made the more likely homework assignment requests can be filled to the satisfaction of all. Homework may be picked up in the Guidance Office between the hours of 3:00 and 4:00 PM.

What do I do if my child has a midday medically-related appointment?

- Please send a note in with your child in the morning for release to go to the appointment. Specify the date and the time to be picked up. Your child should take the note to Student Services before school starts to get an early release slip and then report to A101, the ALC Main Office, or Door 33 (depending on parent pickup or student vehicle location) to be checked out by a door supervisor.
- Upon returning to school, your child must bring absence confirmation slips from the medical provider. Failure to bring the confirmation slips will result in unexcused absences. These slips can be provided to the Student Services secretaries.

When do we receive a bill for student fees?

- For students who begin school prior to mid-September, a bill for student fees will be issued mid-to-late September. The bill will specify the due date and treasurer information in case payment arrangements need to be made. For students enrolling after the September issuance of student fee bills, a bill will be issued within a week of your student's start date
