Dear Community Member:

We are pleased to inform you that **Watertown City School District** will be continuing to implement the Community Eligibility Provision option available to schools participating in the National School Lunch and School Breakfast Programs for the school year 2021-22. Even though this school year the USDA is allowing us to operate under Seamless Summer Feeding Option that provides meals at no charge to students as well, we are asking that you take the time to fill out the attached Household Income Eligibility Form.

All students enrolled at Watertown City School District are eligible to receive a healthy breakfast and lunch at school at **NO CHARGE** to your household each day of the 2021-2022 school year. Your child (ren) will be able to participate in these meal programs without having to pay a fee or submit an application.

We ask that you fill out the attached household income eligibility form. This form ensures that the district can receive additional State and Federal program benefits.

If you have any further questions, please contact us at 315-785-3717 or 315-785-3844.

Sincerely,

Mary C. Hughes
