

TUSTIN UNIFIED SCHOOL DISTRICT

STUDENTS

POLICY

5145.3

Nondiscrimination/Harassment

The Board of Education desires to provide a safe school environment that allows all students equal access and opportunities in the District's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any District school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual race or perceived race, color, ancestry, national origin, nationality, immigration status, ethnicity, ethnic group identification, age, religion, marital status, parental status, pregnancy, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a District school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also shall include the creation of a hostile environment when the prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent/designee shall facilitate students' access to the educational program by publicizing the District's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's web site in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation. The Superintendent/designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase the

STUDENTS

POLICY

school community's understanding of the requirements of law related to discrimination. The Superintendent/designee shall regularly review the implementation of the District's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the District's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the District to monitor, address, and prevent repetitive prohibited behavior in District schools.

2. Publicize the District's nondiscrimination policy and related complaint procedures, including the coordinator/compliance officer's contact information, to students, parents/guardians, employees, volunteers, and the general public by posting them in prominent locations and providing easy access to them through District-supported communications.
3. Post the District's policies and procedures prohibiting discrimination, harassment, student sexual harassment, intimidation, bullying, and cyberbullying, including a section on social media bullying that includes all of the references described in Education Code 234.6, as prominent forums for social media, in a prominent location on the District's web site in a manner that is easily accessible to parents/guardians and students. (Education Code 234.6)
4. Post the definition of sex discrimination and harassment as described in Education Code 230, including the rights set forth in Education Code 221.8, in a prominent location on the District's web site in a manner that is easily accessible to parents/guardians and students. (Education Code 234.6)
5. Post in a prominent location on the District web site in a manner that is easily accessible to parents/guardians and students information regarding Title IX prohibitions against discrimination based on a student's sex, gender, gender identity, pregnancy, and parental status, including the following: (Education Code 221.6, 221.61, 234.6)

 6. Provide to students a handbook that contains age-appropriate information that clearly describes the District's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that have been the victim of any such behavior.
 7. Annually notify all students and parents/guardians of the District's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the District's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the District will address any individual student's interests and concerns in private.
 8. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the District's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

TUSTIN UNIFIED SCHOOL DISTRICT

STUDENTS

REGULATION

5145.3

If 15 percent or more of students enrolled in a particular District school speak a single primary language other than English, the District's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the District shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

9. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the District's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the District may use to provide a discrimination-free environment for all District students, including transgender and gender-nonconforming students.
10. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so. (Education Code 234.1)
11. At the beginning of each school year, inform each principal or designee of the District's responsibility to provide appropriate assistance or resources to protect students from threatened or potentially discriminatory behavior and ensure their privacy rights.

Enforcement of District Policy

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti.
2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond.
3. Disseminating and/or summarizing the District's policy and regulation regarding unlawful discrimination.
4. Consistent with the laws regarding the confidentiality of student and personnel records, communicating to students, parents/guardians, and the community the school's response plan to unlawful discrimination or harassment.
5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of District policy, including any student who

is found to have filed a complaint of discrimination that the student knew was not true.

Process for Initiating and Responding to Complaints

Students who feels that they have been subjected to unlawful discrimination described above or in District policy are strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall immediately report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, the principal or compliance officer shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance office, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the person's assigned sex at birth. (Education Code 210.7)

TUSTIN UNIFIED SCHOOL DISTRICT

STUDENTS

REGULATION

5145.3

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The District prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature.

Examples of types of conduct which are prohibited in the District and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity.
2. Disciplining or disparaging a student or excluding the student from participating in activities for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable.
3. Blocking a student's entry to the bathroom that corresponds to the student's gender identity.
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex.
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent.
6. Use of gender-specific slurs.
7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression.

The District's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list as well as improper rejection by the District of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

TUSTIN UNIFIED SCHOOL DISTRICT

STUDENTS

REGULATION

5145.3

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the District shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's transgender or gender-nonconforming status is the student's private information and the District shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or the District has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the District shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the District pursuant to 34 CFR 99.3. Any District employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a District employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the District's ability to meet the student's needs related to the student's status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The District shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless District personnel present a credible basis for believing that the student's assertion is for an improper purpose.
3. **Addressing a Student's Transition Needs:** The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to education programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as a transgender or gender-

nonconforming individual, so that prompt action could be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the District maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the District shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, the District shall not require a student to utilize these options because the student is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.
5. **Student Records:** A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. When a student presents government-issued documentation of a name and/or gender change or submits a request for a name and/or gender change through the process specified in Education Code 49070, the District shall update the student's records. (Education Code 49062.5, 49070)
6. **Names and Pronouns:** If a student so chooses, District personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official District record. However, inadvertent slips or honest mistakes by District personnel in the use of the student's name and/or consistent pronouns shall not constitute a violation of this administrative regulation or the accompanying District policy.
7. **Uniforms/Dress Code:** A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination harassment, intimidation, or bullying, applicable standards for reaching decisions on complaints, and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during an investigation and while the result is pending. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the District issues its final written decision, whichever occurs first.

fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee.

3. A UCP complaint, except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying, shall be filed no later than one year from the date the alleged violation occurred. 7. When the complainant of unlawful discrimination harassment, intimidation, or bullying or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the District's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the District shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

TUSTIN UNIFIED SCHOOL DISTRICT

REGULATION

AR 1312.3

COMMUNITY RELATIONS

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the District's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the District shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the District shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender (s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the District's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Refusal by the District to provide the investigator

with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding, based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Final Decision

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section “Investigation Report” below, within 60 calendar days of the District's receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination harassment, intimidation, and bullying, the respondent shall be informed of any extension of the timeline agreed to by the complainant. The respondent also shall be sent the investigation report at the same time it is provided to the complainant.

Investigation Report

For all complaints, the District's final written decision shall include: (5 CCR 4631)

The findings of fact based on the evidence gathered:

1. A conclusion-providing a clear determination for each allegation as to whether the district is in compliance with the relevant law.
2. Corrective action(s) whenever the District finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
3. Notice of the complainant's right to appeal the District's investigation report to CDE, except when the District has used the UCP to address a complaint not specified in 5 CCR 4610
4. Procedures to be followed for initiating an appeal to CDE

The investigative report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with District legal counsel, information about the relevant part of an investigative report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination harassment, intimidation, and bullying, notice of the investigation report to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

The District may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the District does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the District shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education.
