District Mission

Each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society.

School Mission

As a school community we strive to educate the whole child in a cooperative effort that respects and responds to each child's needs and abilities. We do this through developmentally appropriate curricula, active parent participation, and a world view that emphasizes community and lifelong learning. We support intrinsic motivations and foster a non-competitive learning environment.

School Funding

District General Fund Budget: \$466.2 million
District Per Pupil Expenditure: \$13,788.87 per pupil
Building Budget for this school: \$21,087

School Description

Located in the Finn Hill neighborhood of Kirkland, Discovery Community School shares a campus with Carl Sandburg Elementary. This community is dedicated to collaborative efforts focused on developing the whole child. Students are provided a challenging and rigorous curriculum. They are exposed to environmental and social topics that spur students to action. Every student benefits from the close-knit broader community of parents, students and staff.

Students and parents keep our grounds pesticide free, recycle and compost, and complete monthly service projects to benefit the Kirkland community. Together with Sandburg, Discovery is recognized as a "Sustaining Green School" with the King County Green Schools program, the highest designation given to schools. Last year, Discovery Community School also received an Achievement Award for high achievement in ELA, Math, and SQSS measures.
