SUMMER IMPACT REPORT

—Gratitude & Celebration—

Greetings From Campus!

I hope you are having a restful and enjoyable summer. As we begin to look forward to our upcoming academic year, it is exciting to think about the many moments that we will be able to share together as a community. But, before we do that, I want to take a moment to honor this past year.

As the Director of Advancement, I witness first-hand the joy, gratitude, and appreciation that each of you brings to this amazing school. I am deeply grateful for the impact you have on our students, teachers, programs, and campus. I wholeheartedly believe that philanthropy is the difference between great and exceptional, and what we have at Catlin Gabel is certainly exceptional!

In the spirit of transparency and appreciation, I am pleased to share this Summer Impact Report with you. Our Catlin Gabel Fund goal for the year has almost been met because of you. So far, we have raised nearly \$1.9 million—about \$100,000 shy of reaching our \$2 million goal. My firm belief is that by August 31, the end of our fiscal year, we will have not only reached this goal, but will have exceeded it. Your support is essential to keeping our distinctive educational mission alive and well for so many children. Thank you for all you make possible.

Here's a look back at the exceptional!

CG Fund At-A-Glance

We are a community that strives to see each student for who they are and who they can become. We approach each day, each class, rehearsal, lab, and practice with the belief that, given access to the right resources, all students have the ability to thrive. In supporting this ideal, we take a leap of faith every year knowing that the revenue raised from tuition and the draw from our endowment will not cover all of the school's fundamental expenses. We count on the Catlin Gabel Fund to fill the gap. Name any aspect of life at Catlin Gabel, and you can be assured that donors to the Catlin Gabel Fund help make these moments possible every year.
