

Schoology: How to see all your courses

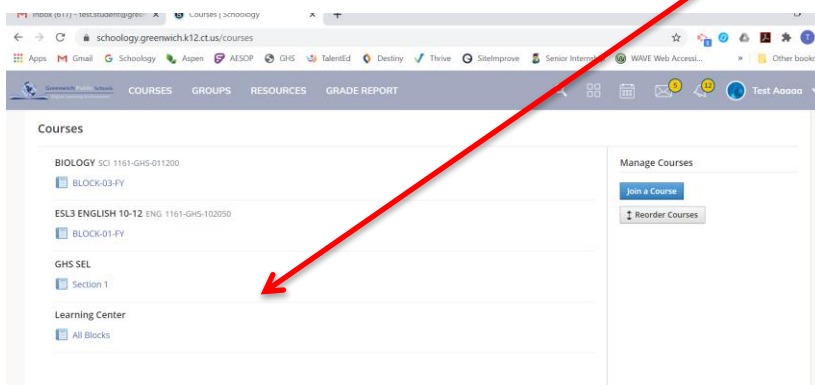

When students log into Schoology and click the courses tab, a maximum of 12 courses will appear in the **grid view**.

Some students may have more than 12 courses listed in Schoology, due to multi semester or quarter long classes. however.

To see all course, students should click on **“My Courses”** in the upper right corner to see the list view of courses.

By clicking **“My Courses”** students will see the **list view** of courses. All courses will appear in this view.

Student schedule changes in Aspen will take 24 hours to appear in Schoology. If students need to add a course immediately, they can do so by clicking **“Join a Course”** and entering the code provided by their teacher.
