SKYWARD GRADEBOOK

Skyward Gradebook is the management system that Galveston Independent School District uses to maintain gradebook records for students. Parents and students have skyward accounts so that they can view grades daily for every class that your child is taking. Skyward can also be a means for communicating with your child's teachers, set up notifications so that you are informed if your student receives an unsatisfactory grade,

Skyward Family Access:

1. Visit gisd.org.
2. Click "Parents and Community" tab on the orange bar.
3. Click "Skyward Student/Family Access" from the list.
4. Click the Skyward picture (shown on the right).
5. If you do not have your username and password, you can click "Forgot your username/password" and you can register using the email that the school has on file for you.
6. If you need further assistance with access, please contact the counselor, Jessica Maxwell, or the registrar, Cynthia Foley.

*If you already have your Skyward account access, consider setting up notifications so that you can be notified if your child receives an unsatisfactory grade.
