

# A letter from DR. CAREY

AUGUST 6, 2021

Dear ESD Families,

## **Back-to-School**

I hope all of our students and their families are enjoying the Summer! We are excited to welcome students back to full in-person instruction for the 2021-2022 school year. We have added a Back-to-School resource hub on our website with links to information you may find helpful as you and your student(s) prepare for the first day of school.

## NEW DOH Requirements and the Return to School Handbook

In response to the recent WA Department of Health Requirements ([linked here](#)), we have updated our Return to School Handbook in English and Spanish. They are available on our Back-to-School resource hub on our district website: <https://www.enumclaw.wednet.edu/teaching-learning/back-to-school>

## Summer Learning Program

Our Summer Learning Program concluded yesterday. Over 120 students participated in this brand new program and had a wonderful four weeks of learning!
