School Description

Louisa May Alcott said, “Educate yourself to take part in the world’s work...” At Alcott Elementary, we strive to prepare and challenge our students for tomorrow. At Alcott we C.A.R.E., which stands for **Cooperation**, responsibility for our **Actions**, **Respect** through kindness and compassion and **Effort** every day. This motto represents the way that both staff and students support and interact with one another every day.

We are part of a supportive community and PTSA. Family support is such a gift to our school. We know this has a positive impact on student learning. Diversity is celebrated in our school community. We are proud of the way in which differences and similarities encourage relevant and authentic learning for everyone. We care about our world, our community, our school, and our children.

2019 20 School Goals

Targeted progress monitoring areas are selected collaboratively based upon data and connect with student growth goals. In addition, our student services team meets three times throughout the year with grade level teams to share practices and strategies specific to student needs. Along with academics, we believe that fitness and arts, regular attendance, and social/emotional health are key factors for success.
