

## **Senior Modification (Mod) Dress Code**

Senior Modification (Mod) Dress Code is a privilege granted to the Senior Class and is a modification of the uniform that distinguishes these students as mature and responsible adults preparing to enter the college and business world. The guidelines for Senior Mod are given in writing to the Senior class the summer before senior year begins.

Seniors may choose to wear the school uniform in lieu of Senior Mod. All students are required to wear the Standard St. Andrew's Schools Uniform on chapel days and other designated days. Uniforms or Senior Mod must be worn when attending classes at UH or HPU. Senior Mod is worn to Senior Internship. Violation of the Senior Mod will result in consequences.

The administrative staff establishes the guidelines for Senior Mod. Exclusion of particular attire from the Senior Mod policy does not indicate that the attire is permissible. Common sense and good conscience should be utilized as guidelines.
