

Dear Middle School Families,

Happy Friday! I hope you are all having a great week! I can imagine one of the greatest questions you are most probably hearing at home is, "When will I get my schedule?" The answer is, TODAY! You will be receiving an email from our Academic Dean, Ms. Sheward with your child's schedule. We are very excited to have your children on our campus soon!

Earlier this week, Mr. Milford sent an email to all families pertaining to several modified guidelines for the 2021-2022 school year. We are dedicated in providing our students with uninterrupted education and access while keeping safety and health in mind. Our Virtual Learning this school year will be different this school year. Please click on the links below to view our MS Virtual Learning Guidelines, information about our Middle School, and laptop information.
