

First Grade School Supplies

2021-2022

As we continue to fight the COVID-19 virus, it is essential that students no longer share supplies in order to keep everyone as safe and healthy as possible. Therefore, we will no longer be asking for community supplies from families. Each first grade teacher will now need to purchase a pencil box and classroom supplies for each of her students, and we are asking for the following in order to accomplish the purchases:

- A \$20 (twenty dollars) donation from each family

Parents/Guardians also need to provide the following:

- One lunchbox for snack and lunch
- One **full size** backpack (**without wheels**) to carry take-home folder and other belongings to and from school.
- One **kids' size** water bottle with leak-proof lid and cap lock to prevent accidental openings. It needs to have a spout cover to keep germs and dirt out.

(Each item must have your child's name on it)

Supplies for parents/guardians to provide and keep at home for homework:

- Scissors
- Pencils
- Paper
- Black art pen
- Crayons
- Markers
- Glue sticks
- Pencil box or pouch to hold supplies in one spot

Thank you!

The First Grade Teachers
