

# Transitional Kindergarten

## supply list

2021-2022

As we continue to fight the COVID-19 virus, it is essential that students no longer share supplies in order to keep everyone as safe and healthy as possible. Therefore, we will no longer be asking for community supplies from families. Teachers will purchase an individual pencil box and all necessary classroom supplies for each of their students.

**Transitional Kindergarten families can support this process by donating the following:**

- \$25 for their child's supplies
- 1 standard size backpack (not toddler size)
- 1 reusable lunch bag (for daily snack)
- 1 child size reusable water bottle  
*the bottle needs to have a spout cover to protect against germs*

### Optional:

- 1 ream of cardstock
- 1 ream of white copy paper
- 1 hand sanitizer
- 1 facial tissue
- 2 black Paper Mate Flair felt tip pens

**The following supplies are suggested for families to purchase and keep for use at home:**

- pencil box/pouch
- pencils
- crayons
- child friendly scissors
- glue sticks
- washable markers

**Thank you for your cooperation. We are looking forward to a wonderful school year!**
