Daily Screening

Parents and Staff will continue to complete daily screening through iPass. If you are new to the district, parents will begin to receive the daily email once school starts. Look for more Information about the daily screening process as we get closer to the start of school.

Mask Wearing

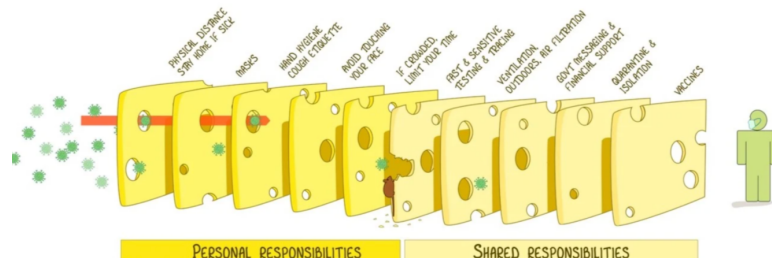

Everyone is required to wear a mask while indoors. We will do our best to limit eating and drinking while indoors as that is the only time that someone does not need to wear a mask. We have extra masks for students that need them. If you have concerns about wearing a mask at all times while indoors, please contact your child's counselor to discuss the Independent Studies through our SBUnified Alta Vista Alternative High School.

Social Distancing

While we are not required to practice social distancing, we have reduced the class sizes and we will ask that people be thoughtful about keeping socially distant from others when possible.
