

## ACCUPLACER Placement Test – College Now Information

Due to the ever evolving nature of Covid-19 protocols, it is important to check <https://www.jccc.edu/media-resources/covid-19/> for updated information regarding JCCC’s social distancing and facial covering requirements. Prior to coming on campus, you are expected to complete the Covid-19 wellness self-check which can be found on that website.

The ACCUPLACER placement test is required if you do not meet the prerequisite requirements (qualifying ACT or AP score(s), unweighted high school GPA) for the course(s) in which you wish to enroll.

### **1. HOW CAN I SIGN UP FOR THE ACCUPLACER PLACEMENT TEST?**

- Tests are scheduled by appointment only for specific 1.5 and 2-hour time slots during Testing Services’ open hours. Appointments must be scheduled **at least** 48 hours in advance of your desired testing date. It is recommended that you do not wait to schedule your appointment since seating is limited and the testing demand will be high.
- Schedule an appointment using the following link, which is also located on the College Now Testing Information webpage: <https://www.jccc.edu/admissions/early-college/high-school-concurrent-enrollment/high-school-testing.html>.
- Students, you should schedule your own appointment, because you will be required to acknowledge that you have read the requirements and limitations expected in the Testing Center and agree to adhere to them. Parents, teachers, and counselors are encouraged to provide assistance if needed.
- By scheduling your appointment with Testing Services, you are confirming your commitment to fulfill this obligation. Should you need to cancel and wish to reschedule at a later date, you may find that appointments are booked solid due to a heavy demand for testing. Choosing and keeping the first available appointment is always a wise choice.
- Appointment confirmations and all other correspondence from Testing Services will be sent to your JCCC student email address.
- Early evening and Saturday testing appointments will be available.
