Host Family Profile for International Students

A Host Family is carefully chosen by the school based upon the ability to provide a safe, comfortable home and a positive cultural experience. A family will host for many reasons: to make a friend with a young person from abroad, to encourage the exchange of ideas, to share their culture and to learn about each other. You also become a missionary to share the love of Jesus Christ in your home.

Please answer the following questions to help us in matching you with the suitable student(s). While we will make every effort to accommodate you with appropriate student(s), please be aware that we will not always be able to meet all of your needs.
