Dine at Sacred Heart

with Pigeon Catering

Menu Offerings

Students will enjoy Homestyle Classics such as cajun pasta, chicken parmesan, mac & cheese and fried chicken tenders. Occasionally, students can dine on specials like nachos or spinach & artichoke dip at the hot bar. As an EatFitNola partner, each day will consist of multiple healthy options as well, including a variety of sandwiches and wraps which will be offered on-the-go. Sacred Heart’s Salad Bar will be fully stocked with several fresh fruit and vegetables along with homemade hummus and pita chips. Delicious cups of the soup of the day will be waiting to accompany their salad or sandwich of choice. Among these options, Hot Lunches will be provided every day for $5.75.

Meal Payment

Payments will be made using My School Bucks which can be found on the school’s new MealViewer page. Check Sacred Heart’s website for additional menu pricing and access to My School Bucks to make that first payment.

MealViewer

The cafeteria menu will be posted weeks in advance to MealViewer, Sacred Heart’s very own interactive menu viewing site. Through MealViewer, students and parents will be able to see pictures of the food being offered, as well as rate and star food items to let the cafeteria know how they are doing. Pigeon’s very own dietitian has also implemented allergens and nutritional values to every food item. These nutritional values can be used with the Nutrition Calculator feature to help students and teachers build a nutritious meal. You may access MealViewer on their app or through the school website.
