

BALL HIGH SCHOOL HISPANIC DANCE COVER LETTER 2020-2021

Dear Hispanic Dance Applicant and Parent/Guardian:

Becoming a Hispanic Dancer is an honor and a big commitment. Before you make the decision to become a member you must consider the time commitment. We are very active all year long. Also, you must consider that this dance team has high academic and behavioral standards. Each member is held to high standards at all times. (See contract)

Included in this packet, you will find the procedures/guidelines for the workshops and tryouts. Please make sure that you read the entire application packet and do the following:

*You must attach your most recent report card/progress report to the permission forms because we will verify that you have passed all of your classes before the workshop begins. You may **not** participate in the workshops or tryout if you have failed a class during the grading period in which tryouts take place, have more than 6 absences in the same class (excused or unexcused) for the year, more than 8 tardies to any class, have more than 1 OCI assignment, **no** Alternative School (DAEP) assignment or JJAEP or Out of School Suspension.*

If the Hispanic Dance application/Parent consent form, the Code of conduct, the physical form and the most recent Report Card are not turned in by the appropriate date and time, you cannot try out! All forms **must be** completed and turned in to the front office by the clock by **noon. on Monday, May 18, 2020.**

A recent GISD standardized physical/medical form (or copy) **must be** attached to the application or on file with the district prior to the start of the workshops. This form can be found at your Campus Teen Health Clinic. **Physicals can be scheduled at the Teen Health Clinic for \$5** and must be completed and turned in to the Athletic trainer no later than **Monday, May 18, noon or when they become available.** You must include a copy in your application but only the page that says you are cleared to participate. If the physical/medical form is not turned in or on file by the appropriate date and time, **you cannot try out!!**

If you have any questions or concerns, please do not hesitate to get in contact with me.

Thanks,

Anna Olivares
