Silverado High School’s Associated Student Body Drug, Alcohol, and Tobacco Policy

Each selected member of Silverado High School’s ASB understands that the following policy exists. Any inappropriate behavior—including but not exclusively limited to possession of drugs, drug paraphernalia, alcohol, or tobacco; or use of drugs, alcohol, or tobacco—that comes to the ASB Director’s attention will result in an immediate review of said behavior and ***could*** lead to a leader’s removal from ASB. SHS’s ASB has a three-strike system. Possession or participation in activities which violate this policy may result in one or more strikes; these consequences will be mutually decided upon between Silverado’s administration and ASB Director based on cumulative disciplinary actions.

As a Silverado High School Associated Student Body member, I understand these policies and the consequences if I choose to violate them. I am aware that failure to adhere to these guidelines may result in my dismissal from ASB.
