Student Social Media Contract

Guidelines:

Social Media, such as, Facebook, Twitter, YouTube, Instagram, TikTok, SnapChat, personal texting, and others are powerful tools of communication that have significant impact on your personal reputation as well as the reputation of Silverado High School ASB. Your parent/guardian and yourself must read and sign this contract acknowledging the student's responsibility to use Social Media responsibly as a member of Silverado High School ASB. Please use the following guidelines when posting on Social Media sites.

1. Always be authentic. Be honest about your identity. If you post personally, or as a student of Silverado High School ASB, make sure you are aware of the Standards of Conduct Code stated in the Student Handbook, as you share your personal views about yourself, other students, school personnel, or the school.
2. Don't be a mole but protect your identity. Never pretend to be someone else when you post personally or as a student of Silverado High School ASB. Tracking tools enable supposedly anonymous posts to be traced back to the authors. Always be honest about yourself & views without providing personal information that could be used against you.
3. Think twice before posting. Privacy does not exist in the world of Social Media. Consider what could happen if a post becomes widely known and how that may reflect on your reputation, the reputation of your family and friends, the reputation of another student, and the reputation of your school.
4. Be respectful and thoughtful. As a student of Silverado High School ASB, be mindful of ASB's commitment to showing respect and dignity for all people. Students should be civil and thoughtful while engaging in discussion of opposing ideas. Treat others the way you would like them to treat you while posting on Social Media sites.
5. Know the rules. Follow a code of ethics. Become familiar with the terms of service and policies of the Social Media sites and networks in which you participate and the appropriate code of ethics required for responsible online communications.
6. Always remember that Cyber bullying is the willful and repeatedly bullying or harassment of another person or persons' through the medium of Social Media, which includes electronic text. Students who engage in Cyber bullying on Social Media sites, including electronic text, will be disciplined by Silverado High School administrators. Students will also be removed from ASB on their first offense.

MAKE SURE YOU ARE AWARE OF THE CYBER BULLYING SECTION STATED IN THE HANDBOOK.

7. Remember the Golden Rule. "Do unto others as you would have them do unto you" when you post on any Social Media site.
