

What is the Certificate of Completion (COC)?

The **Certificate of Completion (COC)** is awarded when students complete all core and breadth requirements with a minimum 2.0 GPA. Once applied for and awarded, it will appear on students' transcripts and is considered part of their official record. The Certificate allows students to "lock in" their Gen Ed credits and is transferable between institutions in the Utah System of Higher Education. General Education accounts for approximately 36 - 39 credit hours and an Associates degree requires a minimum of 60 credit hours. **Do not be misadvised. Meet with a WSU college academic advisor through ceadvising@weber.edu and check with your desired college institution for what credits will transfer.**

◆ = Doubles as both a HS graduation credit and a College General Education credit

9th Grade		10th Grade

Humanities #2 or Creative Arts #2 (3 credits)	Do not duplicate departments	
Choose one more class from either the Creative Arts list or the Humanities list.		
Social Science #1 (3 credits)		
CE Adult Roles & Respons CHF 2400 ♦	CE Human Development CHF 1500 ♦	CE Psychology PSY 1010
AP Psychology	AP World History	AP Human Geography (9 th grade)
CE Sports Psychology PEP2700		
Social Science #2 (3 credits)	Do not duplicate departments	
Choose one more class from the Social Science list.		
Life Science #1 (3 credits)		
CE Found of Human Nutrit NUTR 1020	AP Biology	AP Environmental Science (9 th grade)
CE Advanced Health Science HTHS 1110		
Physical Science #1 (3 credits)		
CE Physics PHYS 1010	CE Chemistry w/ lab CHEM 1110	AP Physics 1 <u>or</u> AP Physics C Mechanics
Life Science #2 or Physical Science #2 (3 credits)	Do not duplicate departments	
Choose one more class from the Life Science list or the Physical Science list.		

CE updated 6/15/2021

No more than 20 CE credits can be taken per semester and no more than 30 CE credits per school year. Students completing the required Utah Higher Ed General Education credit courses with a "C" or better are eligible to receive a **General Ed Certificate of Completion** accepted at public state universities signifying completion of General Ed requirements. This equals 36-40 credits towards the 60 credit associates degree. Students must **meet with their high school counselor to declare the COC or Associates degree** and then meet with a college academic advisor through ceadvising@weber.edu. *Check with your desired college institution for updated official information on these opportunities.*
