Coach Responsibility

- See that each player has a helmet that has a sticker or stamp showing it was manufactured to meet N.O.C.S.A.E. approved standards.
- Take steps to see that through proper maintenance the helmet is maintained to meet these standards.
- Set up periodic checks to examine the helmet with each player so both the coach and player are assured the helmet meets these standards through proper maintenance.
- Each item of inspection has been thoroughly explained to each player so he can inspect his own helmet prior to each usage (refer to Football Helmet Information Sheet).
- The warning label has been thoroughly discussed and emphasis made that the player should never butt, ram, or spear an opposing player, and the consequences that could follow if he were to do so. **This is my responsibility.**
