

Pasco School District
Independent Internet Use - Informed Consent Form
Middle School and High School

Students in Middle School and High School will have the opportunity to access Internet resources for independent instructional-related activities. In order to obtain this privilege, students and parents must sign this form. Any violation of the district's Acceptable Use Policy will result in the immediate loss of all access privileges. This loss of privilege will not preclude or limit other disciplinary action.

Student Agreement:

I understand that the Internet is to be used only for schoolwork as directed by my teachers and the library staff. I further understand that any inappropriate use of the Internet will result in the loss of my computer privileges, as well as other disciplinary action. I agree to abide by the Pasco School District's Acceptable Use Policy, which includes, but is not limited to, the following:

1. I will use the Internet for schoolwork only, as directed by my teachers or the library staff.
2. I will not modify the computer settings in any way, nor install any software or utilities.
3. I will not download files (text, music, video) or programs from any source.
4. I understand that I may bring and copy files specifically related to my schoolwork such as Word, Excel or PowerPoint files provided they are consistent with other items in this agreement.
5. I will not listen to audio or watch video (streaming music or video) on a computer without specific permission of the teacher or librarian.
6. I will not play games, surf, shop, or use the Internet for any reason other than instruction.
7. I will not send, receive email or check into any email accounts I may have, unless directed to do so under the supervision of my teachers or the library staff.
8. I will not purchase or attempt to purchase any goods or services on the Internet.
9. I understand that if I need to print some text from the Internet, I must comply with the school procedure regarding permission, method and quantity.

Please sign the 21-22 Family Release Form to indicate your agreement to the above requirements.

Parent Agreement:

I give permission for my child to use the Internet for independent access for instructional use according to the district policy, including the above terms. In consideration for the privilege of using the district's network and computer systems and in consideration for having access to the Internet, I hereby release the Pasco School District (including but not limited to its administration, teachers and staff) from any and all claims and damages of any nature arising from my student's use or inability to use the Washington Education Network (WedNet) and the Internet. I have read and understand the Pasco School District Acceptable Use Policy and agree that my student will unconditionally abide by it.

Please sign the 21-22 Family Release Form to indicate your agreement to the above requirements.
