## 4. Make sure your students information and parent/guardian name populates to count for a signature.

We, the undersigned student and parent/guardian, agree to assume full responsibility for the proper care, condition, and educational use of the student device as described in this document.

Yes v We elect to purchase Technology Coverage from the district for \$25 (non-refundable). Payment must be made prior to the student receiving the device. In special cases, a payment plan or reduction/waiver of this cost may be arranged with the campus principal. Technology Coverage covers the cost of accidental loss/damage to the device and other costs to restore the device to acceptable condition (including re-imaging or wiping the device). We understand that <u>Technology Coverage does not cover, and we agree to assume full</u> financial responsibility for: (1) accessories (power adaptor, power cord, case, etc.); (2) costs to repair, replace, or restore the device resulting from purposeful action, gross negligence, neglect, or a violation of this agreement or district policy; (3) loss/damage that is not reported to the district within 48 hours (including a case number and report from local authorities, if applicable); or (4) excessive or repeated incidents of loss/damage as determined by the district.

• We elect <u>not</u> to purchase Technology Coverage and agree to assume financial responsibility for any and all costs to repair, replace, or otherwise restore the device to acceptable condition.
