Curriculum/Content Area: ART & DESIGN	Course Length: 1 quarter
Course Title: Visual Art 8	Date last reviewed: 2021 2018
Prerequisites: none	Board approval date: July 2021
Primary Resource:NA	

## Desired Results

**Course description and purpose:** Studio Art is a hands-on art class that will reinforce and expand upon the basic art skills and techniques learned in Studio Art 6. Within this course, students will be exposed to a variety of artmaking strategies and will explore how images have been used throughout history and within the contemporary world. Students will have choice in their visual interpretation of each creation and in their approach to communicating ideas that are reflected in their work. Students will utilize a design thinking process to create artworks using drawing, painting, collage, and printmaking in a professional studio environment.

<b>PRIORITY STANDARDS</b>
WSAD Standard AA1: <b>Create</b> - Students will generate, develop, and refine artistic work.
WSAD Standard AA2: <b>Present</b> - Students will develop, refine, and convey meaning through the production and presentation of artistic work.
WSAD Standard AA3: <b>Respond</b> - Students will critically interpret intent and meaning in order to evaluate artistic work.
WSAD Standard AA4: <b>Connect</b> - Students will relate their artistic work with prior experience and external context.

**Supporting Standards and Learning Targets**

## WI Common Career and Technical Standards- *Supporting Standards*

- **CCT.4C1** Students will think and work creatively to develop innovative solutions to problems and opportunities.
- **CCT.4C2** Students will formulate and defend judgments and decisions by employing critical thinking skills.
- **CCT.4C3** Students will communicate and collaborate with others to accomplish tasks and develop solutions to problems and opportunities.

### *Learning Targets*

#### **Empathy**

- I can analyze a problem through observation, engagement, and active listening to better understand how the problem impacts people, places, and things. (CCT.4C1.A, CCT.4C2.A)
- I can communicate and collaborate with others to gain a better understanding of a common problem (4C3.B).

#### **Define**

- I can analyze the needs of an end user(s) to clearly define a problem (CCT.4C2.B)
- I can use what I already know to define a problem.(CCT.4C2.B)
- I can communicate and collaborate with others to gain a better understanding of a common problem (4C3.B).
- I can explain a process or criteria for evaluating competing solutions to a problem (CCT.4C2.A)

#### **Ideate**

- I can analyze the root cause of a problem and develop multiple potential solutions (CCT.4C2.A)
- I can communicate and collaborate with others to develop multiple potential solutions (4C3.B).

#### **Prototype**

- I can communicate and collaborate with others to develop multiple prototypes (4C3.B).
- I can develop prototype solutions to a defined problem by applying knowledge based on my past experiences & new learning. (CCT.4C2.B)

#### **Test**

- I can communicate and collaborate with others to develop and test multiple prototypes (CCT.4C3.B).
- I can evaluate the positive or negative impact of one or more solutions to a given problem decision or opportunity (CCT.4C2.A)
