Hello! We have compiled a list of questions from ourselves, and our Ridge Hill kids:

- 1) Are the teachers/staff vaccinated? Will we be told?
- 2) Are there any updates on improved ventilation at any of the schools?
- 3) How many kids per class?
- 4) What are the rules about spacing/distancing going to be?
- 5) Our kids want to know: what will be done about kids with loose masks, and/or noses hanging out of masks?
- 6) What will the policy be on notification of positives?
- 7) How long will quarantine be for positive children/teachers?
- 8) During mask breaks, will teachers be sure to keep children distanced, even outside?
- 9) What positivity rate would indicate a return to remote learning?

We are hoping for clear answers to the above, and more, so we can decide if we are home schooling or not this year.

Thank you, we appreciate your time & effort,

Emily & Steven Spikoski
