

Dear Sheiko Families,

With great excitement, I officially welcome new and returning students and families to the 2021-2022 school year! I'm looking forward to a tremendous year of learning and growing alongside you as we navigate the road ahead. We could not be more excited to welcome students back into the building.

While the past 18 months have not been easy, I truly believe we have such an exciting adventure on the horizon! I am thrilled to work in partnership with our staff, students, and families to continue the Sheiko mission of "Building Leaders and Learners One Student at a Time" and enhancing opportunities for all students in our community. Our fantastic staff eagerly awaits seeing students in-person to witness their growth, learning, and laughter!

We will share information every week via our Smore newsletter, sent via email on Friday afternoons. You can also follow me on Twitter for daily updates: @SheikoLarkin.

Together we will learn, grow, achieve and accomplish great things! I look forward to working with such a wonderful community and can't wait to meet all of you!

Go Sharks!

Sincerely,

Ashleigh Larkin

Principal

Sheiko Elementary
