

# WE ARE DREW

## IMPACT

Thanks to the overwhelming generosity of our community, the Drew Opportunity Fund was able to do some amazing things this past school year. Most importantly, it allowed Drew Charter School to respond to the most crucial opportunity of all—to assist our fellow Drew families during the COVID-19 health crisis.

Because of the flexibility of these funds, we were able to meet over

**325 SUPPORT REQUESTS** ranging from

**FOOD SECURITY** to **RENT**

and **UTILITY ASSISTANCE.**

## And that's not all...

The Drew Opportunity Fund also supported:

In-person Virtual

GOAL

Start

"The Drew Opportunity Fund allows us to accelerate our response to Drew Charter School families' needs during the COVID-19 health crisis.

To date, we have responded to 325 support requests and assisted with groceries, utilities, rent, mental health counseling, and in-person virtual learning/childcare. It's wonderful to be a part of such a caring community."

- Mr. Akil Rashid,  
Drew Charter School Social Worker

"I really appreciate getting help with our groceries and the power bill. I don't know what I would have done as I am trying to hold everything together. Thank you for helping us get through this!"
