## CHRISTIAN COMMUNITY COVENANT

Little Rock Christian Academy (LRCA) is a Christian community (a “household of faith,” Galatians 6:10). Through LRCA we exercise, express and sustain our Christian beliefs and Christian mission. Our commitment to one another is based on a relationship between fellow-followers of the Lord Jesus Christ (Christian fellowship), not a mere contractual relationship. Thus, the LRCA Christian community, by definition, includes Jesus. No Jesus; no LRCA. Our shared purpose is to work together in Christian fellowship to raise our children in the nurture and admonition of the Lord (Eph. 6:4).

Our Christian community’s foundational beliefs about the Lord Jesus Christ and His revelation of divine truth include those set forth in the LRCA Doctrinal Statement, the LRCA Mission Statement, the LRCA Core Values Statement, the LRCA Christian Community Statement, the LRCA Educational Philosophy Statement, and the other official LRCA policies or statements adopted by or approved by the LRCA Board of Trust. (“How can two walk together unless they be agreed?” Amos 3:3.)

As a Christian community and private Christian school, LRCA is a “religious organization.”

As a private school, LRCA considers academic performance in its admission and retention decisions; however, ***LRCA does not discriminate on the basis of race, color, national and ethnic origin in admission policies, administration of educational policies, scholarship and loan programs, and athletic or other school administered programs.***

The laws of interstate commerce prohibiting arbitrary discrimination on the basis of race, color, sex, national origin, age and disability apply generally to religious organizations, with the notable exception (rooted in the constitutional right to free exercise of religion) that religious organizations are permitted to make choices on the basis of religious beliefs. LRCA will exercise its prerogative as a religious organization to neither commence nor continue an appointment, employment, admission, enrollment, or other category of LRCA Christian community relationship if it is believed by LRCA that so doing will cause confusion about, conflict with, or compromise of the LRCA Christian community mission to provide a distinctly Christian education from a Christ-centered worldview.

As a religious organization, the LRCA Christian community views trustee, employee, student, parent and family lifestyle choices and conduct to be a reflection of religious beliefs and Christian commitment. LRCA will exercise its prerogative as a religious organization to neither commence nor continue an appointment, employment, admission, enrollment, or other category of LRCA Christian community relationship if it is believed by LRCA that so doing will cause confusion about, conflict with, or compromise of the LRCA Christian community’s mission to provide a distinctly Christian education from a Christ-centered worldview.

Any such religious organization decision will be based upon the historical, orthodox doctrines of the church of the Lord Jesus Christ, as set forth in the sixty-six books of the Holy Bible, which the LRCA Christian community believes to be the Word of God and the infallible and authoritative rule of faith and practice. Any such decision will be made by the Head of School, subject to review by the Board of Trust. This policy will be applied to all LRCA affairs, including but not limited to all LRCA contracts, programs, activities, facilities, publications, and events.

# LRCA CHRISTIAN COMMUNITY STATEMENT

Adopted by the Little Rock Christian Academy Board of Trust on February 16, 2016

## I. Christian Community

Little Rock Christian Academy (LRCA) is a Christian community (a "household of faith," Galatians 6:10) that exists as a means to exercise, express and sustain our Christian beliefs and Christian mission. The LRCA Christian community, by definition, includes Jesus. No Jesus; no LRCA. Our commitment to one another is based on a relationship between fellow followers of the Lord Jesus Christ (Christian fellowship), not mere contractual relationship. Our shared purpose is to work together in Christian fellowship to raise our children in the nurture and admonition of the Lord (Eph. 6:4).

Our Christian community's foundational beliefs about the Lord Jesus Christ and His revelation of divine truth include those set forth in the LRCA Doctrinal Statement, the LRCA Mission Statement, the LRCA Core Values Statement, the LRCA Christian Community Statement, the LRCA Educational Philosophy Statement, and the other official LRCA policies or statements adopted by or approved by the LRCA Board of Trust. ("How can two walk together unless they be agreed?" Amos 3:3.)

## II. Christian Community Expression

LRCA exercises and expresses its Christian beliefs and mission and purposes in various ways, including as a Christian community, through LRCA Christian community activities, and by LRCA Christian community standards.

**Through our Status as a Christian Community:** God calls people to live out their faith in community with other believers and our LRCA Christian community is, itself, an exercise and expression of our Christian beliefs. The larger LRCA Christian community includes both community representatives and community participants. Our LRCA community representatives include our trustees, head-of-school, officers, employees and recruited volunteers. Our LRCA community participants include all our students, parents of students, un-recruited volunteers, and invited guests.

**Through Our Christian Community Activities:** All our Christian community activities should express Christian beliefs and be rendered in Christian service to God as a form of worship. Our LRCA community activities are a form of expression of our Christian community beliefs and are activities in furtherance of our Christian community beliefs, mission and purposes.

**Through our Christian Community Standards:** We believe character is shaped by behavior and behavior is shaped by belief. Since we want right character, we teach right beliefs. What practice or conduct the LRCA Christian community requires (or prohibits) of its LRCA representatives and participants cannot be summarized in an exhaustive list but is described with the following guidelines:

1. Required by the Law: LRCA Christian community orthopraxy includes all conduct required by the law. All conduct prohibited by the law is outside the boundaries of LRCA orthopraxy. Examples in this category would be illegal use of alcoholic beverages or drugs or other substances.

2. Proscribed by the Bible: While certain conduct may or may not be declared by the state to be unlawful, the LRCA representative and the LRCA participant is to avoid conduct proscribed by the historical Christian Church as unbiblical. (Note: While some practices proscribed by the historic Christian church may actually be protected by the law as individual rights under the law, that conduct might still violate the biblical command for

conduct acceptable for a follower of Christ. A declaration, therefore, by the state that conduct is lawful or even constitutionally protected does not necessarily make that conduct consistent with the orthopraxy of the historical Christian Church. A contemporaneous example is the declaration by the U.S. Supreme Court that homosexual marriage must be included in the definition of marriage that can be officially sanctioned by a state. Such a declaration by the court does not change the orthodox view of the historical Christian church, or the LRCA Christian community, that the rite of marriage for Christians is between a man and a woman.)

### **III. Christian Community Conduct as a “Religious Organization”**

The laws regulating interstate commerce that prohibit arbitrary discrimination on the basis of race, color, sex, national origin, age and disability apply generally to religious organizations, with the notable exception (rooted in the constitutional right to free exercise of religion) that religious organizations like the LRCA Christian community are permitted to make choices on the basis of religious beliefs. Little Rock Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges and activities generally accorded or made available to students at the school.

As a private school, LRCA considers academic performance in its admission and retention decisions; however, LRCA does not discriminate on the basis of race, color, national and ethnic origin in administration of educational policies, admissions policies, scholarship and loan programs, and athletic or other school administered programs.

As a religious organization, LRCA will exercise its prerogative to neither commence nor continue an appointment, employment, admission, enrollment, or other category of LRCA Christian community relationship if it is believed by LRCA that so doing will cause confusion about, conflict with, or compromise of the LRCA Christian community's mission to provide a distinctly Christian education from a Christ-centered worldview. This is because the LRCA Christian community views trustee, employee, student and family lifestyle choices and conduct to be a reflection of religious beliefs and Christian commitment. Any such decision will be based upon the historical, orthodox doctrines of the Church of the Lord Jesus Christ as set forth in the sixty-six books of the Holy Bible, which the LRCA Christian community believes to be the Word of God and the infallible and authoritative rule of faith and practice. Any such decision will be made by the Head of School, subject to review by the Board of Trust. This policy will be applied to all LRCA affairs, including all LRCA contracts, programs, activities, facilities, publications, and events.

### **IV. Roles and Expectations for LRCA Community Representatives**

A. Community representatives work in response to a calling from God, and together, to advance the Christian mission through advancing the LRCA mission. As such, LRCA Christian community representatives are responsible for defining, cultivating, leading and/or representing our LRCA Christian community, all as an expression and exercise of our agreed Christian beliefs. Having a common mission, each LRCA representative is an integral part of the LRCA Christian community and LRCA expects each representative to comply with the following fundamental obligations:

1. Christian Beliefs. Each LRCA community representative shall affirm agreement with the beliefs of the LRCA Christian community, including the LRCA Doctrinal Statement, the LRCA Mission Statement, the LRCA Core Values Statement, the LRCA Educational Philosophy Statement, the LRCA Christian Community Statement and the other official LRCA policies or statements adopted by or approved by the LRCA Board of Trust and shall not subscribe to or promote any religious beliefs inconsistent with such beliefs. ("How can two walk together unless they be agreed?" Amos 3:3) Each community representative must affirm that his or her calling to serve in the LRCA Christian community requires him or her to respect such beliefs and to abide by LRCA Christian community standards regarding the exercise or expression of such beliefs.

2. Christian Conduct. Each LRCA community representative shall at all times (during working and non-working hours) (i) model Christian beliefs, (ii) perform all responsibilities as a service to God, and (iii) endeavor to comply with Biblical standards of conduct exercising or expressing our Christian beliefs, including Christian community standards adopted by LRCA from time to time.

3. Distinctly Christian Activities. Each representative shall be ready, willing and able to lead or contribute to distinctly Christian activities such as devotional worship or prayer services.

#### **V. Roles and Expectations for LRCA Community Participants**

A. Students and Parents. LRCA requires at least one parent of each student to be a devoted follower of the Lord Jesus Christ as demonstrated in testimony and life, to adhere to the LRCA Doctrinal Statement, and to be an active member of a local denomination of the historical Christian church. In furtherance of its mission, LRCA provides educational programs, facilities and other activities for LRCA students. In order to maintain the Christian fellowship of the LRCA Christian community, each community participant student and parent is required to abide by applicable LRCA Christian community standards, manifest respect for the beliefs shared in common by the LRCA Christian community, and be fully supportive of the LRCA Christian community mission in word and deed.

B. Volunteers. A volunteer serving in an LRCA ministry support role as a LRCA community participant is generally not required to overtly affirm the LRCA statements of belief, but such volunteer participants are expected in the course of their participation in our Christian community to respect our beliefs, support our mission and comply with applicable community standards. LRCA may give preference for volunteer positions to individuals who share our Christian beliefs.

C. Standards for Community Activities and Facility Use. LRCA engages in activities and uses LRCA facilities solely to exercise and express our Christian beliefs and to further our Christian mission or purposes. In furtherance of our purposes, we may provide services or goods to, and may allow use of our facilities by, other groups and persons who are not associated with LRCA. But we may prohibit any activity, or any use of LRCA facilities by another group or person, if we determine that such activity or use either:

1. expresses a message that appears to be a message of support by LRCA for any view contrary to our Christian beliefs,
2. is inconsistent with any applicable Christian community standard as may be adopted by LRCA from time to time, or
3. undermines or interferes with LRCA's ability to accomplish its mission or to act in furtherance of it LRCA Christian community purposes.

#### **VI. Implementing Community Standards**

A. Spiritual Discernment. The determination as to whether any particular activity or use of a LRCA facility complies with the applicable standards requires spiritual discernment applied to each particular circumstance and shall be made in the sole discretion of the LRCA leaders designated by the Head of School or the Chair of the LRCA Board of Trust. With respect to uses by other groups or persons, LRCA may consider without limitation both the content of the proposed activities and whether the group or person is generally perceived as advocating views contrary to LRCA's Christian community beliefs.

B. Noncompliance. LRCA may, acting through the Head of School or the Board of Trust, determine the impact of any noncompliance on LRCA's exercise and expression of its Christian beliefs, and whether such

noncompliance either (i) reflects beliefs in conflict with those of the LRCA Christian community or (ii) undermines the expression and exercise of the LRCA Christian community. Such action may be taken in accordance with any applicable procedures adopted by LRCA.

C. Delegated Authority. To exercise or express our Christian beliefs more fully, the Head of School or Board Chair may establish additional standards based on our Christian beliefs for the activities and facilities at LRCA or for LRCA community representatives or community participants.

D. Scope. LRCA may amend this document at any time. This document does not create any express or implied contract of employment or alter the at-will employment relationship between LRCA and its employees.

## **VII. Particular Standards for Our Christian Community**

In response to current cultural trends, LRCA articulates more specifically our LRCA Christian beliefs and associated LRCA Christian community standards on the following subjects.

### **A. Religious Activities**

We engage in LRCA Christian community activities that further our Christian mission or purposes. Because we believe that all such activities are conducted in service to God as means for spiritual growth, we consider these activities to be a form of worship.

We distinguish between exclusively religious activities and integrated religious activities. Exclusively religious activities refer to activities that primarily further only religious purposes, such as devotional worship or chapel services. Integrated religious activities refer to activities that substantially further both religious and nonreligious purposes. Such activities are often similar to activities conducted by nonreligious organizations and may include certain educational programs, athletic, cultural, humanitarian and social service activities. We conduct such activities in response to God's calling and in furtherance of and in accordance with our Christian beliefs. In addition, we present our Christian viewpoints in such activities as applicable.

With respect to restrictions that may be imposed on the use of funds, facilities or other benefits, we shall not agree to any restriction that would preclude us from conducting our integrated religious activities in furtherance of our Christian mission and in accordance with our Christian beliefs. To the extent consistent with this commitment, we may agree not to use designated funds, facilities or benefits for exclusively religious activities.

### **B. Belief Systems outside the Circle of Orthodoxy Embraced by Historical Christian Church**

The doctrinal beliefs of the LRCA Christian community are those within the circle of orthodoxy embraced by the historical Christian church. Faith traditions such as the Mormons and the Jehovah's Witnesses are considered by the LRCA Christian community to be outside the circle of orthodoxy embraced by the historical Christian church.

It is the belief of LRCA that the admission of a child of a parent who adheres to a faith tradition outside the circle of orthodoxy embraced by the historical Christian church would create confusion in LRCA's mission to teach LRCA students the truth as stated in our LRCA Doctrinal Statement. There are, for example, words used in the LRCA Doctrinal Statement that have a materially different meaning in the Mormon system of faith or in the Jehovah's Witnesses system of faith. The LRCA Board of Trust has decided that the introduction of doctrinal confusion would interfere with our LRCA mission and, consequently, admission will be denied when LRCA determines that the doctrine of another faith system (e.g., Mormonism, Jehovah's Witnesses) does not align with the doctrine of the LRCA Christian community.

### C. Human Sexuality and Marriage

Our Christian Beliefs. We believe that God has created each of us to pursue intimacy with Him, and that He calls some to this pursuit through marriage and others through singleness. We believe that God (i) creates people in His image as two distinct genders, male and female, and that the intended gender of an individual is determined by such individual's biological sex at birth, (ii) has instituted the divine institution of marriage as a covenant relationship between one man and one woman, and (iii) calls husbands and wives to exclusive sexual fidelity. We believe that sexual relations outside of marriage (whether involving individuals of the same or opposite sex) are inconsistent with God's call to intimacy in our lives, undermine the dignity and image of God in us, and alienate us from God and from each other. We further believe that pornographic materials undermine the dignity and image of God in individuals and promote sexual conduct contrary to our beliefs.

Standards for Community Activities. Our beliefs regarding human sexuality and marriage shall apply in all policies and programs in the LRCA Christian community. Among other things, in our policies and programs we will recognize only marriages consistent with our Christian beliefs about marriage. Any events in LRCA facilities pertaining to marriage (e.g., weddings, receptions, anniversary celebrations) must involve only marriages consistent with our Christian beliefs about marriage. Also, no pornographic materials may be present in any of our facilities or activities.

Standards for LRCA Christian Community Fellowship. All LRCA Christian community representatives are required to affirm and live in accordance with our community beliefs regarding human sexuality and marriage. In connection with the use of LRCA facilities or participation in LRCA activities, both LRCA Christian community representatives and LRCA Christian community participants are required to not affirm or promote either sexual relations or marriage that is contrary to our LRCA Christian community beliefs. Finally, all guest groups are required to act and speak in a manner respectful our Christian beliefs while participating in our activities or using our facilities. In that regard, the LRCA Christian community does not allow participation in our LRCA activities or use of our LRCA facilities by guest groups whose primary mission or objectives are to promote, encourage or support views in conflict with our community beliefs, even if that is not the intended purpose of their event. For example, we would not host a Christian group formed to affirm same sex relationships, even if the group's particular event objectives were consistent with our beliefs.

### D. Social Media, Political Activity and Other Public Statements.

In some situations, advocacy for certain political positions may reasonably be construed by others as support for certain religious beliefs contrary to those held by the LRCA Christian community. In such situations, we ask LRCA community representatives to refrain from publicly advocating for such political positions.

LRCA community representatives are to refrain from assuming leadership as public advocates or spokespersons regarding civil rights for same sex marriage or civil rights for sexual orientation contrary to our LRCA Christian community beliefs. In any public forum, including social media, we expect LRCA community representatives to respect our LRCA Christian community beliefs and to not challenge, disparage or undermine them. If an LRCA Christian community representative chooses to express his or her disagreement with a particular LRCA belief that he or she is not required to affirm, we expect such representative to do so in a manner that respects our belief and makes it clear he or she is not expressing the view of LRCA.

**INTRODUCTION**

## MISSION STATEMENT

To serve families, churches and the community by providing a K4-12<sup>th</sup> grade education, characterized by excellence in the pursuit of truth from a Christ-centered worldview.

In others words, our primary business is providing an excellent, Christ-centered education, especially in preparation for the college experience. Excellence (Gr., *arête*) can be defined as one's fulfillment of purpose, one's fulfillment of potential. A second definition is more qualitative, as in the highest of standards and achievement. A third dimension, often overlooked, comes forth from the Pauline literature of the New Testament. In 1 Corinthians 12:31, Paul speaks of a "still more excellent way." This way is, namely, the love of Christ. Woven together, fulfillment of purpose, highest standards and biblical love create a fabric of excellence that is rare and precious. We are in constant pursuit of that aspiration and reality.

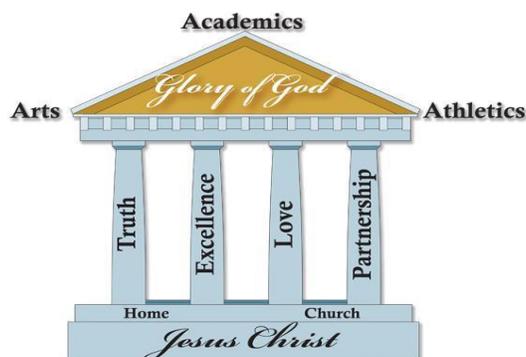

## STRATEGIC GOALS

In 2007, the Board of Trust established two strategic goals as an extension of our mission statement.

1. LRCA seeks to be a pre-eminent K4-12 academic institution that offers an excellent college-preparatory curriculum while serving the greatest portion of the body of Christ reasonably possible within our community.
2. LRCA, above all else, must uncompromisingly teach and model the truth of the person of Christ. These goals form our educational philosophy as do our official core values.

## CORE VALUES

In fact, our educational philosophy rests upon and is derived from our four institutional core values: Truth, Excellence, Love and Partnership. On these core values, we will build our future for "God is builder of everything." (*Hebrews 3:4*)

**The Foundation: Jesus Christ**, the incarnation and source of all truth, wisdom (the ability to discern between truth and untruth) and knowledge.

- John 1
- Colossians 2:3

**Truth – “Thy Word is truth” (John 17)**

- Proverbs 2:1-7
- 2 Timothy 3:15-16
- Psalm 25:5
- John 1:17, 8:32, 14:6, 16:3

**Excellence – “Whatever is ... excellent”**

- Psalm 90:17
- Colossians 3:23-24
- Genesis 1:4
- Ephesians 5:1
- 1 Corinthians 12:31

**Love – Without love, we are nothing (I Corinthians 13)**

- 1 Corinthians 12:31
- Colossians 3:14

**Partnership (with home and church)**

- Proverbs 2:2
- Deuteronomy 6:4-8
- Proverbs 22:6

## **EDUCATIONAL PHILOSOPHY**

First and foremost, we are a school – a Christ-centered educational community in pursuit of truth, wisdom, and knowledge with a focus on preparation for higher education.

As a Christian school, we are an extension of Christ’s church and the Christian home. Christian schools are stronger and wiser in partnership with the Christian home and local churches. At LRCA, we refer to this partnership as the golden triangle. It is the responsibility of the golden triangle to challenge students to maturity as Jesus, Himself, was challenged: “and Jesus grew in stature and wisdom and in favor with God and man.” (*Luke 2:52*)

The agents of instruction are parents assisted by professional servant educators who know Christ intimately.

A strong education balances the artistic, athletic and academic pursuits to the glory of God and liberates all to serve others wholeheartedly.

The educational experience is void without the love of Christ demonstrated in authentic community and service. Love always considers the best interest of the other.

Across our spectrum of learners, “differences are a gift.” Not everyone learns in the same way, nor do all have the same ability. Accordingly, we aim to maximize challenge, maximize support and maximize

potential of those we admit through selective admissions based on our mission and strategic goals and those students to whom we annually commit.

In terms of our philosophy of learning, we believe:

- Learning is a relentless, lifelong pursuit.
- Every student’s potential can be maximized to the glory of God.
- Research informs our practice/methodologies.
- There is a core knowledge base that is essential to master in order to be fully educated. This content base should be incrementally acquired and meaningfully understood via effective teaching practices. Beyond the core, critical-thinking skills are an intentional overlay of our curriculum.
  - Pedagogically, our educational leadership and teachers hold the following best practices in high regard and are guided by the respective research of Understanding by Design (curriculum design), Differentiated Instruction (informed best practice), The LRCA Excellence Project (standards of instruction), and Professional Learning Community (school as learning organization).
  - In other words, well-designed curriculum (constructed with the end in mind), learner-centered instruction, proven, effective teaching methodologies, and an attitude of life-long learning add up to authentic learning and a well-educated child.
    - Our local learning algorithm is: “Understanding by Design” + “Differentiated Instruction” + “The Excellence Project” + “Professional Learning Community” = Learning.

LRCA is committed to excellence. Excellence in the classroom has four primary pillars:

- Organizing content knowledge for student learning (planning)
- Creating an environment for student learning
- Teaching for student learning
- Teacher professionalism

## **BIBLICAL WORLDVIEW**

Where does the integration of faith and learning come into play at LRCA? Inculcating a dynamic biblical worldview is a central aspiration and a core competency of LRCA. Through a planned process of developing an authentic biblical worldview, LRCA trains up the next generation of transformation agents as students of all ages encounter and engage the culture of 21<sup>st</sup> century America and an increasingly globalized world. Our worldview presuppositions are:

- “All truth is God’s truth.”
- Everything is theological.
- All truth relates to real life.
- The classroom is a laboratory for life.

As Christ-followers, we need not hide from culture. Perfect love casts out fear. Empowered by the Holy Spirit, we are free and trained to engage and influence the culture for Jesus Christ.

## **EDUCATIONAL OUTCOMES**

To what end do we educate? From over 750 survey inputs, we generated a database of student outcome descriptors. Organized into nine categories, our stakeholders are looking for a LRCA graduate to:

- Love and follow Christ.
- Be equipped to thrive in a college of choice.
- Maintain an appetite for learning.
- Be able to engage a post-modern society.
- Be disciplined for the responsibilities of life.
- Think wisely.
- Be grounded in biblical truth.
- Serve others with gladness and love.
- Be prepared to pursue a God-directed vocation.

Every day, we are faced with the question of “How will we achieve our desired outcomes?” In macro terms, we can expect to achieve our global outcomes by loving to learn and learning to love under the spirit-filled tutelage of a living example, consistently pointing to truth and love as manifest in the person of Jesus Christ and the legacy of the Judeo-Christian Scriptures.

Our teachers are asked to be the embodiment of their curriculum, including biblical worldview. In parallel ways, we can expect to achieve academic outcomes by successfully following the curriculum map, always responsive to the feedback of effective assessment.

In conclusion, Christ-centered, biblically-grounded, free inquiry into culture and creation (*2 Timothy 3:16*) is a good thing and a mark of a healthy, secure school. It is a classical, liberal education in the truest sense of the phrase. To that end, we labor as bondservants of Jesus Christ.

## **NON-DISCRIMINATORY POLICY**

Little Rock Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of educational policies, admissions policies, scholarship and loan programs, and athletic or other school administered programs.

## **DOCTRINAL STATEMENT**

1. We believe that the Bible, consisting of 66 books of the Old and New Testaments, verbally inspired, free from error in doctrine, fact and ethic, and inerrant in the original writings, is the Word of God and the only infallible and authoritative rule of faith and practice.

2. We believe in the Holy Trinity, one God eternally existent in three persons--Father, Son, and Holy Spirit--the same in substance, equal in power and glory.
3. We believe in the Deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death, His bodily resurrection, His ascension to the right hand of God the Father, and His personal and physical return in power and glory.
4. We believe that God created man in His own image but that through sin, man brought upon himself and his posterity not only physical death, but also spiritual death which is separation from God; that all human beings by physical birth possess a sinful nature.
5. We believe that the salvation of lost and sinful man is a free gift of God's grace apart from works, based solely upon Christ's vicarious and atoning death, effected by the regenerating work of the Holy Spirit, and received by trusting in Christ's finished work on the cross, and that this salvation is eternally secured to all believers.
6. We believe in the present ministry of the Holy Spirit, by Whose indwelling upon salvation the Christian is enabled to live a godly life; that it is incumbent upon every believer to walk worthy of his calling--to walk after the Spirit and not after the flesh.
7. We believe in the resurrection of the body of both the saved and the lost--they that are saved to the resurrection of life everlasting and they that are lost to the resurrection of eternal damnation.
8. We believe in the spiritual unity of believers in the Lord Jesus Christ.

### **DOCTRINAL DIFFERENCES: (Three-Tiered Policy)**

As a non-denominational, broadly evangelical Christian school, Little Rock Christian Academy contains within its walls a spectrum of doctrinal views and ecclesiastical practices that correspond to the diversity of the local Body of Christ. The school seeks a harmonious balance in its representation of such differences in the classroom, and it does so by reference to a three-tiered board policy:

First, all members of the Board of Trust and all employees of the schools subscribe annually to the Doctrinal Statement of LRCA. Since the Doctrinal Statement expresses the core essentials of the Christian faith, all instruction, student interaction and internal curricula operate within the theological boundary of the statement. Correspondingly, the Board of Trust, through the Head of School, ensures that essential doctrinal elements of the Christian faith not explicitly contained in the Doctrinal Statement are nonetheless protected in a manner consistent with the Board of Trust's determination of settled evangelical orthodoxy. It is the school's certain function to affirm unreservedly in the lives of its students the irreducible tenets of our biblical Christian faith.

Secondly, the school recognizes that – outside the essentials of evangelical orthodoxy – the Body of Christ incorporates a significant diversity of viewpoints on some doctrinal issues. Since LRCA does not take a formal position on issues of Christian doctrine outside the scope of its Doctrinal Statement, it is appropriate that the faculty instruct the student in the origins and implications of specific doctrinal differences, without maintaining or implying that any one denominational view represents a preferred position.

Thirdly, the school also recognizes that – perhaps even more broadly than doctrinal differences – the families of the local Christian community employ a broad variety of specific faith practices, many of which have grown from the distinctive subculture of the individual churches. The school and its

employees do not offer opinions on the propriety of ecclesiastical practices, particularly where those opinions have the potential to divide and not unify the Body of Christ. It may occasionally be appropriate to link a particular practice to a specific doctrinal point, but that representation ought never to become an expression of preference or a critique of one Christian practice relative to another.

In all, the school seeks, first, to minister to families and their churches by affirming and deepening a student's faith in our essential and commonly-held Christian doctrines, and secondly, to illumine the student's understanding of doctrinal and ecclesiastical differences in a manner that affirms the unity of the Body of Christ.

## **AUTHORITY STRUCTURE**

Little Rock Christian Academy is a 501(c)3 not-for-profit organization with a self-perpetuating board structure. In accordance with the school charter, the Board of Trust is the final authority for the school and elects successor trustees from among parents and others who evidence spiritual maturity and committed support for the school and its mission.

The Board delegates to the Head of School and other administrative staff, authority and responsibility for operation of the school, while maintaining policy oversight and final authority for directional leadership. Trustees stay informed and active in school matters but exercise their authority in most cases through administrative implementation of policy determined by the Board of Trust.

While authority of the Board rests corporately in its policy decisions, rather than in any single member, each Trustee is involved and interested in school affairs. In this role, each Trustee works to maintain awareness and communication with a cross section of the school community.

If parents have questions or concerns with school personnel or with actions at particular levels of school operation, these should be addressed in accordance with Matthew 18 procedures detailed in the discipline section of this handbook. A question or concern may end up involving the Head of School or the Board of Trust if other involved individuals have been addressed and resolution has not been reached. Contact can certainly be made directly with the Head of School or the Chairman of the Board of Trust for questions or concerns about overall school direction.

In practical terms, parents should bring most questions to the teacher, coach or other school staff members directly involved and seek clarity, resolution, and strong relationship. If questions remain, the principal at that division level would normally be the next person to contact. We gratefully experience fruitful resolution of most questions in this way.

## **COMMUNICATION OF STUDENT PROGRESS**

We believe learning encompasses much more than what is taught in the classroom, and that a coordinated effort between the home and school is the key to success. Therefore, communication with parents is a major priority at Little Rock Christian Academy. Teachers are charged with the responsibility of keeping parents informed of student progress. Parents are responsible to give support to the teaching-learning process, and to contact the teacher when questions or problems arise. Although the following methods have been instituted as means with which to keep lines of communication open, communication between the home and school is not restricted to these methods. Constructive parent feedback is always welcome.

- **Parent/Teacher Conferences:** These are scheduled early in the year to give opportunity for evaluation of student progress and to establish a good working relationship between teacher and parent (see the school calendar for specific dates). Additional conferences may be scheduled at the request of the parent or the teacher.
- **School Webpage and RenWeb (Parents Web):** General information can be found on the school's website [www.littlerockchristian.com](http://www.littlerockchristian.com). Specific information about a class assignments and grades can be found on RENWEB Parent Portal which is accessible through the LRCA website parent tab.
- **Communications by E-Mail:** Much of the information about the school year is communicated to parents by e-mail. Please make sure that your e-mail addresses are accurate. Contact the Registrar with any changes or inform them if you cannot receive information through e-mail.
- **Meeting with Teacher:** Often a face-to-face meeting helps resolve questions and concerns better than an email discussion. While email is useful, a meeting is preferred to resolve concerns or communicate essential information.

## **GRADING GUIDELINES**

Authentic and reasonable assessments will evaluate learning objectives using the most appropriate assessments possible for the objectives. Generally, we will seek to minimize the grade impact of

reasonable student errors. For example, we won't seek to give 100 points credit on a five question test. Daily work may count significantly in the grade, but will be the cumulative impact of multiple assignments.

Most courses in Upper School will include a semester assessment weighing 20% of the grade, with each nine-week grade counting 40%. Alternative assignments (such as projects) which fit course goals may be used instead of a semester examination.

## GRADING SCALE

### Grades 9 - 12

A+	97 - 100	C	73 - 76
A	93 - 96	C-	70 - 72
A-	90 - 92	D+	67 - 69
B+	87 - 89	D	63 - 66
B	83 - 86	D-	60 - 62
B-	80 - 82	F	59 and lower
C+	77 - 79		

Percentage grades will be rounded up or down to determine letter grades. Averages are determined using the scale.

## HOMEWORK

Quantity of homework will vary depending on the course, the time of the grading period, and the student's abilities and goals. If a student seems to spend an excessive amount of time on homework, investigate these possibilities first: student procrastination with long-range assignments (e.g. projects, notebooks, book reports, etc.), improper use of study time at school, or inefficient study habits at home. If none of these seem to apply and the homework amount is frequently excessive, then please consult with the teacher.

The average student should complete the assigned work within 60 to 120 minutes, depending upon the student's ability, work habits, class difficulty, and student goals. Both home and school have responsibilities with respect to homework. We want to encourage family time and church participation. We also encourage parents to plan homework slots. Homework will not normally be given over school year breaks, such as Thanksgiving, Christmas, Spring Break and Easter. Because many church fellowships meet on Wednesday evenings, homework will generally be avoided on Wednesday nights; if work is due on Thursday, it will normally be assigned by Monday or Tuesday so a student can work ahead.

## HONOR ROLL

LRCA offers 2 levels of honors: Honor Roll and President's List. Both awards can be earned on a semester as well as all year basis. **Honor Roll:** Students must earn a cumulative quarterly average of 93% or

higher, with no class grades lower than 70%. All Year recognition of this award requires these standards be maintained across the first three academic quarters of the year. **President's List:** Students must earn a cumulative quarterly average of 96% or higher, with no grades lower than 90% and no recorded conduct issues. All Year recognition of this award requires these standards be maintained across the first three academic quarters of the year.

### **Honors Graduate Status**

In order to qualify for Honors Graduate designation, students must earn a cumulative, 8 semester GPA of 4.0 or greater.

### **Valedictorian & Salutatorian**

LRCA does not report a class rank of transcripts. We do, however, determine a Valedictorian and Salutatorian for graduation honors. These designations are intended to connote clear academic leadership of the first and second rank among the graduating seniors. A student must be in good standing to receive the honor. Transfer students must attend LRCA for six high school semesters. Valedictorian and Salutatorian will be calculated using overall, cumulative GPA.

## **PROMOTION/RETENTION**

A student who is experiencing academic difficulty will be required to repeat the class.

## **RENWEB**

RenWeb's Parents Web is a private and secure website that allows you to see information specific to your child. You can view information such as: attendance, daily grades, and report cards.

It is the responsibility of each student's parents to update contact information and student medical information as soon as there is a change. Correct information will assure that important mailings from the school will be delivered promptly and correctly, emails received as intended, and that school officials have access to current information, should an emergency arise.

Lesson plans are subject to change; good teachers adjust plans daily according to student learning. Lesson plans and assignments on RenWeb help parents see the general flow of class, but students still need to be responsible to write down specific assignments as given in class.

To log on to RenWeb for the first time, find the RenWeb page by clicking on the "Parent" section of the LRCA homepage. Click the First-time Users tab and enter an email address that is on file with the school. A password will be emailed to that address which will allow you to log on under the Parent tab.

## **REPORT CARDS**

Student grades are available for viewing on RenWeb. Parents are encouraged to view these grades on

a regular basis and stay apprised of their child's progress in each subject area.

**SEMESTER EXAMS**, see academic handbook

**STANDARDIZED TESTING**, see academic handbook

## **ATTENDANCE**

## **ABSENCES**

Attendance is an educational issue. Daily school attendance is necessary and expected. Time missed from class can never be fully made up, and it is to the student's advantage to be in class every day. Students who miss more than six days in one class in a semester may not receive credit in that class. **All absences (including physician appointments, illness, college visits, and volunteer work) count towards the six allowed absences.** School-sponsored activities will not count against the student's six absences.

We recognize that an extenuating circumstance may occur. A student whose attendance has otherwise been regular may ask to extend the maximum number of absent days by submitting a brief letter appealing for credit. Include in this letter the reasons for the absences and an explanation of any extenuating circumstances. You can e-mail the letter directly to the Vice Principal, Andy Baxley. Appeals will be reviewed by the Ed Team by appointment only. Even with accepted extenuating circumstances, there will be times when a student is not able to receive credit due to the nature of the class and work missed.

## **CHECK-IN & CHECK-OUT PROCEDURES**

Any student arriving late to school must first check-in through the school office. A high school student is considered tardy if he/she misses twenty-five minutes or less of class. The student is considered absent if he/she misses more than twenty-five minutes of a class. Consequences for tardies apply to 1<sup>st</sup> block as well as later ones. Excessive absences or tardies may endanger your child's enrollment for the current or following year.

Prior arrangements must be made through the school office for students who are leaving during the school day. Either a phone call to the office or a note from home to the secretary is required. The parent(s) should come to the office to sign for the child, and the office will then send for the child. Unplanned "check-outs" should only be for emergencies because they disrupt classroom learning.

For a student to leave during the school day ("Check Out") he/she must have a signed note from a parent. Once the school day has begun, a student may leave in an emergency by parental phone permission or a parent coming to the office. Unplanned "check-outs" are disruptive to others and learning. Please do not call or email to release a student after the school day begins, except in an emergency. Students will not be permitted to check out during lunch unless a parent comes to check them out. An administrator must approve releases without a written note due to liability and concern for students.

## **EXCUSED/UNEXCUSED ABSENCES**

The distinction between excused and unexcused absences relates only to making up work. Absences, except school-supervised activities, must be excused to make up work. All absences count toward the maximum of 6 per class each semester. LRCA gives parents freedom to make good choices for their

children in excusing an absence to make up work. While we respect a parent's decision, normal and appropriate reasons for having an absence excused to make up work include:

- Medical or dental appointments
- Temporary or extended illness
- Injury
- Family emergency

Students in suspension, "skipping" class, removed from class for behavior, and other similar reasons will not normally be allowed to make up work; any exceptions will be determined by the administration according to the individual situation.

Because of the nature of extra-curricular activities and the absences which naturally occur, students must maintain a good attendance record in order to participate. A student must attend over half of the school day to be eligible to participate.

## **MAKE-UP WORK**

It is the student's responsibility to arrange for missed school work, NOT the teacher's. If the student is aware in advance of an absence, he/she should make arrangements with the teacher prior to the day of the absence. A student has 2 school days for each day missed to complete make up work. Work that builds, such as math, should be done more quickly. If it is not completed within the designated time, the student will normally be given a zero. Some work, such as class participation, cannot be made up and may affect grades to a degree. Other types of work, like quizzes or labs, also may not lend themselves to make-up work.

## **REPORTING AN ABSENCE**

Our primary concern is the safety and best interest of the student. In the event that a student needs to be absent, parents must call or email the school office between 7:45 a.m. and 8:30 a.m. to notify the school. In the case of an excused absence, please consult with the teacher regarding make-up work.

Because of the nature of extra-curricular activities and the extra absences which naturally occur, students must maintain a good attendance record in order to participate in extra-curricular activities. To participate in an extracurricular activity, a student must attend over half of the school day.

Seniors must maintain a 90% in a course and have seven or less absences in the same class to be excused from the final exam. Absences will be counted by periods. Senior exemptions from examinations are not automatic and depend on the class needs as decided by the teacher. Projects and other assessments are not exempt.

## **STUDENT WITHDRAWAL**

Parents considering withdrawing a student from school should contact the business office to pick up a withdrawal form. Textbooks and library books must be returned and any outstanding payments and fines

must be paid. A final bill or refund will then be prepared.

## **TARDINESS**

Tardies will be reported and kept in the student's attendance record. School administration will contact parents if tardies become excessive. Excessive tardies could jeopardize current or future enrollment in school.

It is imperative that students be in class by the time the bell rings in order to take full advantage of class time and not disturb the learning of others. The consequences for each tardy will be as follows:

- Detentions will be served for each unexcused tardy.
- Tardies are only excused if approved by an administrator.
- Detention takes precedence over ANY after-school activities. Missing detention will automatically carry more severe consequences, including serving a possible Saturday school.
- The accumulation of three (3) tardies in any class will equal one absence in that class.
- Repeated detentions are subject to further discipline, including suspension.
- Tardiness due to off-campus lunch privileges may result in the loss of that privilege, in addition to other sanctions.

## **DISCIPLINE AND STUDENT CONDUCT**

## BIBLICAL DISCIPLINE

1. The Biblical use of the term, discipline, derives its meaning from the word *disciple*, which means to teach/train a person over an extended period of time. The discipline of young people is a process which utilizes the various circumstances of life to guide the individual into making right choices that are in agreement with the teaching of Scripture and honoring to God (*Proverbs 22:6*).
2. God's laws and His discipline are positive gifts of love that enable people to make right choices; to be happy and successful (*Joshua 1:8*). Discipline leads to right living (*Hebrews 12:11*), which in turn provides the only true basis for happiness (*Matthew 5:1-16*).
3. Obedience to parents and those in authority is a fundamental precept for children to follow as they come to recognize the responsibility and role they play in the school community as well as the community at large (*Deuteronomy 6:7; Ephesians 6:1-3; Hebrews 13:17*).
4. The underlying attitude of teachers and parents must be a caring concern for the child. Christ is the best example of love in action when it comes to discipline (*Hebrews 12:5-6*). From a practical standpoint, it has been proven that young people learn best when their trust and affection make them want to please the person representing authority.
5. The end goal of all discipline should be for students to become *self-disciplined* individuals. As students mature, the outward, teacher-imposed discipline should become inward, self-imposed discipline (*Hebrews 12:11*)

## DISCIPLINE OBJECTIVES

1. To develop and maintain the optimum **environment for learning**.
2. To **encourage** behavior that is acceptable and venerable.
3. To **correct** behavior that is disruptive to the learning environment.
4. To **train** students in behavior patterns that will be helpful to them individually and to the school community in achieving and supporting the commonly held goals of spiritual, intellectual, physical, and social development.
5. **To address conduct, in school or outside the school, that adversely affects the mission** of Little Rock Christian Academy. This discipline policy applies to students while they are on campus, on school operated/rented vehicles or at recognized school functions. While behavior at other times or places is an individual and parental responsibility (and not the school's), behavior that impairs the testimony of the school cannot be ignored. It is at the discretion of the Head of School (or disciplinary committee) in communication with the parents, to determine if disciplinary measures will be taken as a result of off-campus, unofficial events that involve LRCA students engaging in an illegal activity, or in which the reputation of the school is put at risk.

## DISCIPLINE PROCEDURES

1. Because of their position and daily contact with the students, teachers assume the majority of the day-to-day responsibility for maintaining discipline at school. Teachers organize and administer their own classrooms, the halls, and playgrounds so that an orderly, safe, and positive environment exists in which learning may take place.
2. Each teacher will have classroom rules in addition to the school's general rules. Basic rules involve respect of people, things, authority, and learning.
3. Problems that for whatever reason are not able to be resolved in the classroom are referred to the appropriate administrator. Administration (as approved by the Head of School) may impose discipline for any reason that is rationally related to the accomplishment of a legitimate school objective. Disciplinary decisions are imposed in a manner that is uniformly applied to all students, similarly situated. In other words, there is a rational basis for differences in the discipline of different students.
4. Before a disciplinary decision that removes a child from a class or student activity becomes final, the parent will be notified.

## CAUSES FOR DISCIPLINE

It is not possible to list all reasons for using discipline; however, examples of unacceptable behavior include (without limitation):

- Misrepresentation or **dishonesty**
- **Disrespect** to a teacher or other school official
- **Cheating, plagiarism**
  - Honor is important in the life of a student, as students truly stand for right as opposed to wrong. Any form of cheating is serious.
  - When a student submits the work of others as his/her own, then deception has occurred, violating the development of honesty and truthfulness.
  - Consequences for cheating or plagiarism will range from a zero on a test, quiz, paper or project to possible suspension from school. Multiple offenses will carry progressively more serious consequences.
- **Stealing**
- **Swearing**, using obscenities
- **Skipping** class or school
- **Leaving campus** without permission
- **Defiance** -- open, bold disobedience of authority
- **Rebellious conduct** – passive or aggressive
- **Insubordination**, including the failure or refusal to follow the legal order given a student by a teacher or school administrator
- Negligent, reckless, knowing or intentional abuse or **destruction of school property**
- Any conduct, acts or omission by the student that **interferes with or impairs a student's ability** to properly and effectively function as a school student
- **Excessive absences** or tardies
- Being out of **dress code**
- **Disturbing, disrupting** class

## SEVERE OFFENSES

Severe breaches of conduct such as the ones listed below will normally result in more severe discipline action ranging from suspension to expulsion. Students will be held accountable for these offenses and subsequent reprisals whether in elementary, middle or high school divisions.

## ASSAULT AND BATTERY

A student shall not cause or attempt physical or emotional assault (causing fear of harm) or battery (offensive or harmful touching) to a school employee, a fellow student or any other individual.

- **Alluding to Assault** – Any comments or communication which can be taken as threats of any form of assault or battery will bring severe consequences.

## BULLYING

### Our Philosophy:

Jesus tells us that the greatest commandments are to love God and love others (Matthew 22:36-40, Mark 12:29-31, Luke 10:25-28). Jesus also reminds us that people will know we are his disciples by our love for one another (John 13:34-35). Therefore, we desire for all of our students to love one another, with Christ as our greatest example. **At Little Rock Christian Academy, we believe bullying is defined by repeated, aggressive behavior that targets an individual with the intent to hurt or gain power over that individual. When students exhibit this type of behavior, we pledge to partner with our families to resolve conflict and prepare a way for lasting growth of character. The ultimate goal of our policies and sanctions are to achieve repentance and reconciliation between all individuals involved.**

### Defining Types of Bullying:

#### Definition of terms

“Bullying” means the intentional harassment, intimidation, humiliation, ridicule, defamation, or threat or incitement of violence by a student against another student or school employee by a written, verbal, electronic, or physical act that causes or creates a clear and present danger of (a) physical harm to a student or school employee or damage to the student’s or school employee’s property; (b) substantial interference with a student’s education or with a school employee’s role in education; (c) a hostile educational environment for one or more students or school employees due to the severity, persistence or pervasiveness of the act; or (d) substantial disruption of the orderly operation of the school or educational environment. (Arkansas code 6-18-514)

“Electronic Act” means without limitation a communication or image transmitted by means of an electronic device, including without limitation a telephone, wireless phone or other wireless communication device, or computer.

“Harassment” means a pattern of unwelcome verbal or physical conduct relating to another person’s constitutionally or statutorily protected status that causes, or reasonably should be expected to cause, substantial interference with the other’s performance in the school environment.

“Substantial disruption” means without limitation that any one or more of the following occur as a result of bullying:

- Necessary cessation of instruction or educational activities;
- Inability of students or educational staff to focus on learning or function as an educational unit because of a hostile environment;
- Exhibition of other behaviors by students or educational staff that substantially interfere with the learning environment; or
- An electronic act that results in the cessation or interference of the orderly operation of the school environment.

Examples of “bullying” may include but are not limited to a **pattern of behavior** involving one or more of the following:

- Sarcastic “compliments” about another student’s personal appearance;
- Pointed questions intended to embarrass or humiliate;
- Mocking, taunting or belittling;
- Non-verbal threats and/or intimidation such as “fronting” or “chesting” a person;
- Demeaning humor relating to a student’s race, gender, ethnicity or personal characteristics;
- Blackmail, extortion, demands for protection money or other involuntary donations or loans;
- Blocking access to school property or facilities;
- Deliberate physical contact or injury to person or property;
- Stealing or hiding books or belongings; and/or
- Threats of harm to student(s), possessions, or others.

Students who engage in bullying while (a) at school, on school property, on school trips, in school vehicles, at any school function, in connection to or with any school sponsored activity or event, or while en route to or from school, or (b) by an electronic act that results in the **substantial disruption of the orderly operation of the school or educational environment are subject to disciplinary action, with the potentiality of suspension or expulsion.**

#### **Reporting an Incident:**

School employees who witness bullying or have reliable information that a pupil has been the victim of bullying, as defined in this policy and including a single action which if allowed to continue would constitute bullying, shall immediately report the incident to the building principal or designee. The person or persons who file a complaint will not be subject to retaliation or reprisal in any form.

Students or parents who witness bullying or have reliable information that a pupil has been the victim of bullying, as defined in this policy and including a single action which if allowed to continue would constitute bullying, shall **report the incident to the building principal or designee as soon as possible, and never later than twenty-four hours after the incident; while later reports are welcome, follow up and discipline are hampered by longer time periods.** Any student who is a victim of bullying or who witnesses bullying or has reliable information about a bullying incident will be afforded as much care and protection as reasonably possible with severe consequences for a student or parent who retaliates to the student providing the information. Intentional false reports intended to harm will be treated as a major offense for discipline.

## Process:

The building principal or designee will be responsible to follow up on reports to determine the need for disciplinary action, with the goal of using partnership to change behavior and encourage reconciliation. **Leadership will investigate claims of misbehavior, adjudicate, and determine appropriate sanctions as necessary.**

## CHILD ABUSE AND NEGLECT

In accord with AR state law and school policy, school staff is obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, sexual abuse, or child neglect. In this very serious and legally narrow area, the school will not contact parents in advance of making a report to authorities, which would be the procedure followed in most other legal matters. The clear intent of the law, based on the seriousness of the crimes listed above, is to mandate that a report of reasonable suspicion of abuse be made. School staff will make such reports in the best interest of the affected child and do not, once reasonable suspicion is established, have any legal alternative except to make a report to the proper authorities for their investigation and review.

## FIREARMS, WEAPONS, CONTRABAND

- A student should **not possess**, handle, or transmit any object which can be considered a weapon or dangerous instrument while on school property and at school-sponsored events. Examples of dangerous instruments include, but are not limited to, pocket knives, pellet guns, paint ball guns, etc. If something like a sword is needed for a historical exhibit, it must be checked in with administration.
- **Alluding to Weapons** - Any reference to having a weapon at school by any student will be interpreted as truth. Any comments which can be taken as threats will bring severe consequences.
- **Contraband** – Many items have no business on a school campus and some are expressly prohibited. Students should not bring significant sums of money to school. Absolutely no fireworks or skateboards are allowed at any time on school property.

## IMMORAL CONDUCT

(including but not limited to immoral sexual misconduct)

- **Sexual Immorality** - Students are expected to maintain the Biblical standards in relationships and physical intimacy including “avoiding the appearance of evil.”
- **Sexting** - Sexting is the act of sending sexually explicit or suggestive messages, photos, audio, or images via a cell phone, computer, or other digital device. Students engaged in such activities are subject to state laws and school discipline. The school considers sending, sharing, possessing, or viewing photos, messages, audio, images, or e-mails that contain sexually explicit or suggestive content using school property, during school hours or in association with any school activity, or at any time where the subject matter involves any student or employee of the school, to be a violation of this policy. Any such violation may result in school

discipline, up to and including expulsion and/or the notification of local law enforcement. Students are required to immediately report any such activities to a teacher or a school administrator.

## **DRUG AND ALCOHOL POLICY**

Little Rock Christian Academy is resolved to have a drug and alcohol free student body. Our reasons are simple: we know students who use substances are developing poor coping skills, we know it affects all areas of their lives, and we know what the development of these habits can lead them towards in the present and future. We want something better for our students! Little Rock Christian Academy works with families to support a drug and alcohol free culture through prevention education and disciplinary action, the goal of which is to identify students struggling under the influence of illegal substances and direct them to the support they need to recover.

Drug screening is one of the ways in which we may pursue this goal. The school reserves the right to take disciplinary action, including expulsion, without administering a drug test. Any violation of alcohol or drug laws, or a violation of any of the following, may subject one to disciplinary actions deemed appropriate by the school, including expulsion.

- **Alcohol** – Drinking alcohol while under the age of 21 is illegal. The sale, giving away, or other disposition of intoxicating liquor to a minor is a crime. Public intoxication is against the law. It is illegal to consume any alcoholic beverage in any public place or on any highway or street. Possession or use of alcohol in any form is prohibited on school property or at any school event, trip, or function. Illegally using, buying, selling, possessing, storing, or distributing alcohol, or assisting another to do so, will not be tolerated by LRCA on or off school grounds.
- **Tobacco** – Outside of school, a student is to follow the law regarding the use of tobacco, meaning you must be 18 to possess or use it (A.C.A. 5-27-227). All student use of cigarettes, dip, chew, e-cigarettes, vaporizers, or any other tobacco product is prohibited while on school property or at school-sponsored events, trips, or functions.
- **Illegal Drugs** – All illegal drug use violates school policy. This includes the use, purchase, sale, possession, storage, manufacture, or distribution of prohibited drugs or drug paraphernalia. Use of any other substance resembling the foregoing or used for a similar purpose, or assisting another to do so, will not be tolerated by LRCA on or off school grounds.

### **Testing and Detection Procedures:**

Parents and students are required to acknowledge and consent to the drug and alcohol policy of this school as a condition of enrollment.

Students in grades 9-12, as a condition of enrollment, may be randomly screened for drug and alcohol use throughout the year. Additionally, LRCA reserves the right to conduct drug and alcohol testing in other circumstances, including reasonable suspicion or after an accident. Prospective students seeking to enter into the high school will be given a mandatory pre-admission drug test and will not be accepted as a student until the results are clear and received by the High School Principal or Vice Principal.

The Drug and Alcohol Testing Procedures required by First Choice Drug Testing shall be the procedures followed by the school. The school will be financially responsible for random and reasonable suspicion testing. Parents opting for split sample testing in the case of a positive result will be financially responsible for that secondary test.

Students refusing to test or caught tampering with a viable sample will be in violation of his/her consent for enrollment and will be sent home immediately on suspension. In order to return to school, the student must submit to a drug screening administered by the school. Students suspected of unlawful use of drugs or alcohol while at school or at a school event, function, or trip, will be sent home immediately on suspension and remain suspended until the final results of the drug or alcohol test(s) are reviewed by the school and a parent meeting scheduled.

First Choice will attempt to contact parents in the event of a positive test result prior to informing the school. If a student has a prescription that would account for the drug type and levels of drug present in the sample, the company will list that as a negative sample. Results of drug and alcohol screening will be reviewed by the Head of School, High School Principal, Vice Principal, and Dean of Students. Test results will not be added to a student's academic record, but will be kept on file with the Dean of Students. LRCA will not initiate criminal charges based solely on the results of a drug or alcohol test, and results will not be forwarded to authorities unless required by law.

In order to maintain a drug-free campus, LRCA will initiate a search of school buildings and facilities from time to time. Drug detection dogs may be used in any such search. Any such search may include any area of school buildings and facilities, including student desks, lockers, backpacks or items of clothing in the buildings or facilities.

### **Sanctions:**

Violating the school's drug and alcohol policy will result in discipline that may likely include expulsion from the school. The general disciplinary policy of the school is to treat all students and parents of students in a manner that is: 1.) rationally related to the accomplishment of our school's mission and 2.) uniformly applied to all persons similarly situated.

Students who test positive will be immediately sent home on suspension until we can schedule a parent meeting. We will attempt to schedule this the same day to resolve the conduct case quickly. Our goal with this meeting is to work with parents and students to realign our mission and goals, and to determine appropriate consequences to draw the student back into compliance. Sanctions for a first offense can range from suspension, mandatory treatment programs, on-going testing for a designated period of time, removal from leadership positions or campus organizations, or even expulsion, depending on the situation. A second offense requires expulsion. If parents have opted for the split sample testing, students may remain at school until the secondary results are in.

### **Self or Parent-Initiated Action:**

The goal of this policy is to encourage students to make healthy choices for themselves and the community, as well as to identify students struggling with substance abuse and direct them to support.

In light of this, the school will regard parent or self-referral prior to being called for testing as a factor when considering suspension or expulsion. However, this does not preclude sanctions. Failure on the part of the student to adhere to prescribed sanctions shall be grounds for disciplinary action, including without limitation, expulsion.

## FORMS OF DISCIPLINE

After meeting with a student to determine the nature or severity of a problem, the administration will seek to work closely with parents to assure a consistent and thorough application of discipline. Students who have not responded to correction and are adversely affecting the learning environment will be removed from Little Rock Christian Academy. Should a student desire to rejoin Little Rock Christian Academy, he/she must reapply through the Admissions Office.

Typical administrative actions include, but are not limited to the following:

- **Admonishment** or warning - Admonishment is usually, but not necessarily, warranted for a less-serious first-offense.
- **Reimbursement or Restitution** – In the case of damaging property, students may be required to financially account for damages.
- **Reflection Paper** – Writing a reflection paper can provide an opportunity for students to step back and reflect upon their own actions, the impact it may have had upon others, and make plans for how to handle future situations.
- **Creation of an Education Program, Flyer, Bulletin Board, or Poster** – This assignment is meant to require a student to research and educate not just themselves, but others on a particular issue they may be misunderstanding. These assignments will have due dates and requirements, similar to other class assignments, but will be required outside of coursework.
- **Counseling** – Students may be required to see a counselor regarding a particular issue. Requirements may be a designated number of sessions, or completion of a course of treatment regarding a particular.
- **Community Service/Work Detail** – Students may be assigned community service to mitigate the impact of their actions against the community. Typical community service tasks may include cleaning the bleachers after football games, weeding the high school gardens, cleaning locker rooms, cleaning the high school windows, or picking up trash around campus. These tasks will be monitored by a school employee and will never be conducted during class time.
- **Saturday School** – Students who repeatedly violate minor rules may be assigned Saturday School. Saturday School can take place twice a month. Students are required to be there promptly by 8:00 a.m. and will be dismissed at 12:00 p.m. Tasks assigned during Saturday School may include school work or Community Service as outlines above.
- **Suspension**  
In-school suspension - The student is detained from class and sent to a supervised room/office for the designated time of suspension. He/She will be given all daily assignments and will take make up tests at the teacher's convenience. No absence will be recorded. A student may not participate in any extra-curricular activity during a suspension which is normally at least a full 24-hour period of class and school activity time.

Out-of-school suspension (for more serious offenses) - The decision to suspend a student will be made by the principal. Typically, students in out-of-school suspension will not be allowed to make up missed assignments, test, or other work. The student will be expected to complete all assigned work at the teacher's convenience. Administration will determine the academic consequences of the suspension. The student will not be re-admitted without a parent conference. During any suspension the student may not be involved in any extra-curricular and/or co-curricular activities such as athletics, cheerleading, field trips, etc. Suspensions may be issued immediately for extreme disobedience or rebellious attitude. This will be counted as an absence.

- **Expulsion** – Expulsion is considered the ultimate deterrent of inappropriate behavior. The decision to expel a student will be determined by the administration and reported to the Board of Trust. Note: It will be the school's policy **not to re-admit** a previously expelled student except under extra ordinary mitigating circumstances. For re-admittance, there must be a one-year history at another school, recommendation from that school's principal, and in some cases mandated counseling. Parents who seek re-admission shall request such by letter to the school should they feel that new evidence or a changed attitude, sustained over a period of time, warrants such consideration.

## **PARTNERSHIP BETWEEN HOME AND SCHOOL**

A healthy partnership between the home and school is never more evident than when dealing with disciplinary problems at school. Conversely, an unhealthy partnership makes it difficult when dealing with a particular problem behavior because the home and school cannot agree on either its cause or remedy. Therefore, it is incumbent on teacher and parents to be very active in the following three practices:

- Make contact. Take time to meet every teacher at the beginning of the school year.
- Participate in the educational process. Maintain on-going, open lines of communication with teachers. Agree when you can and agree to disagree when you cannot. Do not communicate via the student if there is any conflict or question present.
- Work toward a high level of trust and respect. This takes time and effort, but when problems arise, it helps to trust the adult you are working with on behalf of the child.

It is important that these relationships are courteous and that issues are resolved promptly. The following steps are an application of the biblical model in Matthew 18.

- Meet privately with the person to seek the resolution; with a spirit of reconciliation look for the BEST way to resolve the issue, not for having one's own way.
- If unresolved, then contact the principal who will work to facilitate communication and resolve the problem.
- If still unresolved, the problem may be brought before other school leadership.

The principle underlying this procedure is clear: **Solve each concern privately with the persons directly involved at the lowest level possible, moving the matter up the chain of command to the level where it is finally resolved.**

## DRESS CODE

**RATIONALE:** *As a college preparatory school, Little Rock Christian Academy desires to equip its students for their next step in life, whether it be college or the workplace. In these environments, students will need to look professional. We want to give our students every tool they need to succeed, and our dress code is meant to help students learn how to present themselves to their best advantage. By dressing appropriately for our school environment, we hope students learn to adapt their dressing style for whatever may be required of them in the future.*

# **EMERGENCY PROCEDURES**

## **SAFETY AND SECURITY**

Security at LRCA is a community-wide responsibility. Faculty, staff, administration, parents, and students will endeavor to create a safe learning environment. The CFO is charged with the responsibility of overseeing this important aspect of our school. A comprehensive Crisis Management Plan is available in the LRCA business office.

## **SCHOOL CLOSING**

In case of school closing, announcements will be made as early as possible on local radio, TV, NEWS internet WEATHER pages as well as the LRCA website home page. Families will also receive a call from our parent alert system, an automated system that will activate to communicate critical information to school families. In the event of inclement weather which results in the cancellation of school, LRCA will use "Cyber Days" in accordance with ANSAA guidelines to make up these lost days of school.

## **SECURITY ON CAMPUS**

Security officers rotate throughout the campus during normal hours of operation. Surveillance cameras are continually monitoring our classroom buildings, parking areas, gates and grounds.

## **TORNADO/FIRE/EARTHQUAKE/INTRUDER DRILLS**

Students are instructed regularly in safety drill procedures. These periodic drills are important to the safety of all, and must be carried out in a serious and thoughtful manner. All students are expected to fully cooperate.

# **FINANCIAL INFORMATION**

## **ACCIDENT INSURANCE**

LRCA carries a student accident insurance policy on its students. This coverage is known as secondary coverage, meaning the parent's own insurance is primary. The student accident insurance covers students participating or attending any regularly scheduled activity of the school, supervised by a school representative. Claim forms and additional information may be requested through the Executive Assistant to the Head of School.

## **FINANCIAL ASSISTANCE POLICY**

Application for need-based assistance is to be made independent of the admission process with an independent third party processor as selected by LRCA. The LRCA business office requires receipt of payment of application fee and registration fee before qualification for assistance is complete. All applications for financial assistance will be processed without respect to race, color, and national and ethnic origin.

Reported income information is to be completed for the most recent tax year ended. Income amounts reported are verified by the third party processor through examination of income tax returns and/or other verifiable documents.

The third party processor will calculate individual award rates. The aggregate funds available for financial aid are determined by the LRCA Board of Trust during the budget process for the respective school year.

## **FINES/DEBTS**

Students may be subject to accumulating fines during the course of the school year. Fines for overdue library books, damaged and lost textbooks, damage to school property, after care fees, can accumulate. The Business Office will hold all school records and reports until all financial obligations have been cleared. Delinquent tuition payments can also result in the holding of student report cards and/or records.

## **LOSS/DAMAGE TO SCHOOL PROPERTY**

Students will be assessed the replacement cost of lost books. Charges will also be made for damaged books. Damage to personal and school property resulting from unsatisfactory conduct on the part of a student must be paid for by the student. The Principal will decide who has financial responsibility for damaged school property.

## RETURNED CHECKS

Returned checks will automatically be put through for deposit again during the next scheduled deposit. If the check is returned for a third time, parents will be contacted for cash or money order replacement. A fee may be charged for any check return occurrence. Non-payment of returned checks may result in a report card being withheld until payment is settled.

## TUITION PAYMENTS

Tuition can be paid over an 11-month period (July – May), annually (July), or 3-Pay (July, November, March). The monthly payment option requires use of an automated bank draft. All fees are due at the time they are billed.

1. Payments under the monthly billing plan are due on the 5<sup>th</sup> or on the 20<sup>th</sup> - depending on the draft option you have selected. Payments under the 3-Pay plan are due on July 1, November 1 and March 1. Annual payments are due July 1.
2. Payments received after the due date will be assessed a \$20.00 late fee. Returned checks or drafts will be assessed the late fee (\$20.00) plus a \$25.00 returned check fee.
3. If an annual or 3-pay account is paid late, any associated discounts will be reversed and the additional amount will be due.
4. Families with delinquent accounts will not receive report cards, transcripts, or diplomas.
5. A delinquent account is defined as an account with a past due balance and no associated payment plan/arrangement.
6. All payment plans/arrangements must be approved by Little Rock Christian Academy, must be in writing, and must be signed by the parent/guardian.
7. Payment plans are for tuition only – all fees are due when billed.
8. A returned draft or check will void any payment plan in place and the account will be considered to be delinquent.
9. Students whose parents/guardians have an outstanding account balance from a previous school year will not be permitted to start school the next year until that obligation is paid in full or a payment plan is in place.
10. At each new semester, students whose parents/guardians have an outstanding balance that is 60 or more days delinquent will not be permitted to return to classes or participate in extracurricular activities until the account is brought to a current status or a payment plan is put in place.
11. All payments received are applied to the oldest outstanding balance.
12. Payments for tuition and fees should be brought to the Business Office located in the Welcome Center. Payments should NOT be delivered to the school office.
13. No payment for tuition and fees should be sent to the school with students.
14. Families will be billed for damaged or missing school property, including text books.

# **GENERAL SCHOOL INFORMATION**

## **ADVERTISING/POSTERS/ANNOUNCEMENTS**

Information on non-school activities must be approved by the administration before it will be made available to the school community. Approved items may be placed in school offices but may not be sent or mailed home. Posters may not be placed around the campus without prior approval from the school office.

## **ARRIVAL PROCEDURES**

Students may arrive at the school between 7:00 a.m. and 8:15 a.m. School starts at 8:15 a.m.

## **BUILDING/FACILITY USAGE**

In order to be good stewards of both facilities and programs, it is understood that use of any/all LRCA facilities be reserved and approved prior to use. In addition, all events/programs will be considered a part of the school's program unless otherwise noted and therefore overseen by Little Rock Christian Academy faculty/staff personnel. All reservations are recorded on the school calendar. Requests for use of the high school facilities may be requested through the Executive Assistant to the Head of School.

## **CALENDAR**

The school calendar is approved annually by the Board of Trust and Head of School. Questions concerning the scheduling of events should be directed to the Head of School's office.

## **CAMPUS STORE**

Our Warrior Wear Store (located in the athletic building next to Warrior Field) is open during the school year, Monday through Friday from 7:45 a.m. – 3:30 p.m. Regulation uniforms for individual team sports are ordered through the Athletic Office, but spirit wear is available for purchase from the Warrior Wear Store.

## **CELL PHONES /SMART WATCHES/ELECTRONIC DEVICES**

High School students may use cell phones, smart watches or other personal electronic devices before school, after school, during lunch and passing periods. No cell phone, smart watch or personal electronic device will be allowed during class time, chapel or other community gathering, such as assemblies and community time in Warrior Hall. Class time includes restroom breaks, study halls and TA periods. Personal electronic devices should be turned off or silent and placed in the student's backpack during these times unless otherwise directed by a teacher. Seniors choosing to stay on campus or in the media center during a Senior Study Hall are similarly not permitted to use personal electronic devices. Prohibited use of a personal electronic device will result in necessary progressive discipline and possible loss of device privileges. If a student needs to make a call or use a device other than as described above, he/she must get permission from the teacher and use the device in the office under staff supervision.

School-issued Chromebooks are an exception to this policy. Students will use their Chromebooks during class time under the direction of the adult in charge. Students must use this device appropriately, without disrupting learning or causing emotional harm to others.

## **CHANGES TO POLICY**

LRCA Board of Trust reserves the right, in its sole discretion, to alter, amend, repeal, any policy, or to adopt new policies when, it determines it to be in the best interest of LRCA, following written notice to all Parent/Guardians by the Head of School.

## **CHAPEL**

The students, faculty and staff of LRCA, as a community of believers, set aside time each week to acknowledge and worship God. We worship in many ways including prayer, music, scripture reading, drama, confession and testimony from students, faculty and friends within the community. This experience together is a way to be unified under the same banner of Christ's love. Parents are always welcome to attend.

## **CLASSROOM VISITATION**

Parents are always welcome to visit classes with prior notice to the teacher and Principal. Please make your requests to the Principal and he/she will notify you and the teacher of the time approved.

**COMPUTER NETWORK/ACCEPTABLE USE**, see acceptable use policy

## **DANCES**

LRCA offers several dances throughout the school year. These provide a fun and appropriate social outlet for high school students while under the supervision of faculty. To assure that all students have a safe and enjoyable atmosphere, guidelines are in place and expected to be followed. **A Dance Agreement Form must be completed before tickets can be purchased. Additionally, if a guest from another school is invited, a Guest Form must also be completed.**

Gentlemen and ladies are expected to dress modestly and appropriately for the event.

## **DISMISSAL PROTOCOL**

Any parent with *special* custody arrangements must have updated paperwork on file in the high school office. All parents complete the "Emergency Contact" form either in the admissions or re-enrollment process. This will provide the office with the necessary information as it pertains to emergencies and student pickup authorizations. The parent is responsible to continually update this information.

If a person comes to the front desk to pick-up a student, the office checks RenWeb for approved persons. If the person is approved, the student is released to that person.

If the person seeking to pick-up the student is not approved in RenWeb, the parent is contacted after which the student is released to that person. If the parent is unreachable, the student is not to be released.

If another LRCA parent seeks to pick-up a student other than their own and they are not approved in RenWeb, that student's parent will be contacted for an approval, making the release decision be that of the parent's. If the parent is unreachable, the student is not to be released.

## **DISMISSAL TIPS**

To make the car pool pick-up progress with safety and ease, remember:

- Students are dismissed from class at 3:15 p.m. Do not park in any parking space unless you are going into the school; do not block parking spaces for those who need them.
- Be Alert! When cars are stopped, children are moving.
- Remember that your child's safety is our priority. These procedures have been developed based on child safety rather than driver convenience.

## **DIVORCED/SEPARATED PARENT INVOLVEMENT**

The Board of Trust recognizes that while the parents of some students may be divorced or estranged, both have a right to be informed of and involved in their child's educational process. The Board also recognizes that parents who are estranged or divorced may disagree regarding the education of the child, and/or may attempt to limit one another's access to their child. Despite such estrangement,

both parents are welcomed and encouraged to participate in the child's education, to the extent appropriate.

Parents are presumed to have joint custody of the student, absent a court order or written agreement between the parents denying or limiting custody for either parent. For the school's purpose, the parent with whom the student resides is presumed to be the custodial parent. If estranged or divorced parents both claim to be the custodial parent, asserting that the student is residing with both parents, enrollment records will be examined. The parent who enrolled the student will be presumed to be the custodial parent until a court order or written agreement between the parties, identifying the custodial parent, is provided to the school.

A parent will only be prevented from participating in his/her child's education if a court order (e.g., divorce decree, custody order, or restraining order) specifically denies visitation rights. If one parent desires that the school comply with such an order, he/she has the obligation to present a copy of the signed order to the building principal. Additionally, the school may prohibit either parent (regardless of custodial status and the language of the court order) from entering the school, or otherwise participating in school-sponsored activities, if he or she disrupts the educational process or his/her presence is detrimental to the morals, health, safety, academic learning, or discipline of the student(s).

- **Student Records** (separated/divorced parent guidance)  
Both parents have the right to review their minor student's records. However, if the custodial parent advises the school, in writing, to delete the minor child's address from student records supplied to the non-custodial parent, and the custodial parent has provided us with legal documentation that they have sole rights to the student records, the records will then be adjusted according to the requests of the custodial parent.
- **Participation in Parent and Teacher Conferences** (separated/divorced parent guidance)  
Both parents are welcome, and encouraged, to participate in parent and teacher conferences, discipline meetings or hearings, Learner Services meetings, and any other conference called by school personnel regarding the student's education. If the parents are separated or divorced, the custodial parent is expected to share scheduling information with the non-custodial parent. The school will provide scheduling information to the non-custodial parent only if it receives a written request to do so.
- **Educational Decisions** (separated/divorced parent guidance)  
In the event the parents are unable to agree with one another on decisions regarding their student's educational program, including but not limited to, placement, participation in extracurricular activities, and consent to evaluation and services, the custodial parent's decision will be binding on both parents unless a court order requires otherwise.
- **Visitation with the Student during School Hours** (separated/divorced parent guidance)  
Generally both parents have the right to attend school programs open to parents and patrons, volunteer in the child's classroom, or visit the child at the school, or otherwise be in the school setting. The parent's right is not negated solely by the fact that he/she is the non-custodial parent. Such visitation will be limited only if the school has received a copy of a court order specifically restricting the parent's access to the child by: 1) denying the parent's

visitation rights or 2) requiring supervision of the parent's visitation with the child. The school does not have the responsibility to supervise visitation between a parent and his/her child and, thus, will not allow parent access in the school setting.

When visiting the school, all parents are required to comply with all school policies and not take any action which disrupts the educational process. All parents visiting the school must check-in with the school offices before proceeding to a classroom or other area of the school. If a parent takes any action which the administrator considers to be inappropriate or disruptive to the educational process, he/she may be requested to leave and prohibited from returning.

If a parent wants to visit with his/her child privately, the administrator shall have the authority to grant or deny the request, and, if granted, to determine the place and time of such visit to ensure minimal disruption to the student's participation in class.

- **Release of Student to Someone other than Custodial Parent** (separated/divorced parent guidance) Only the custodial parent has the right to authorize removal of the child from school property during school hours. If the custodial parent desires that the student be removed by another individual, he/she must inform the school in writing that he/she is authorizing such party to remove the student. Such authorization shall be assumed to be generally applicable, unless the custodial parent specifies that it is limited to a specific date and time. Permission to pick up students information is readily available in RenWeb to all authorized office personnel. It is important that parents keep us informed of any changes immediately so that we can have the most accurate information on file at all times.
- If the non-custodial parent seeks to remove the child from school, and the custodial parent has not consented, the following steps should be followed:
  - The principal or designee will meet with the non-custodial parent and, in his/her presence, telephone the custodial parent and explain the request. If the custodial parent agrees, the student will be released and the records will reflect that the permission was granted orally. In the event the custodial parent cannot be reached, the principal may make a decision based upon all relevant information available to him/her.
  - If the custodial parent objects to the removal, the principal or designee may allow a visit between the non-custodial parent and student, with the child remaining in the office area for the visit and then returning to class. The non-custodial parent will not be allowed to leave the office area with the student.
  - If the principal or designee has reason to believe that a possible abduction of the child may occur at the school or the parent is disruptive, the head of school and/or local law enforcement officials will be immediately notified.

## **DRIVING/PARKING ON CAMPUS/PARKING FOR STUDENTS**

Parking areas are designated for students, faculty and staff. Visitors may park in any designated

parking lot and then check in with a school office; there is designated visitor parking in front of the Welcome Center. At no time should a driver move or drive around a green fence to enter a “No Parking” area.

Licensed high school students are permitted to bring vehicles to school after permission is granted and the vehicle permit is received. All drivers are required to drive with extreme caution on and off campus at all times. Students’ vehicles are to be parked only in area designated for their assigned student parking. All vehicles must be registered through the school office and **have parking permit displayed as directed**. Students shall not be permitted to move vehicles while on campus, nor are they allowed to go to their vehicle during any time of the day without permission. Once parked, the vehicle must remain parked until departure with the exception of off-campus lunch privilege. Careless driving and abuse of these rules or additional posted information will result in the loss of the student’s privilege of bringing a vehicle to school and/or other disciplinary action.

**All drivers are prohibited from using cell phones in moving traffic on campus. The speed limit on campus is 15mph.**

## **EXTRACURRICULAR PHILOSOPHY**

Extracurricular activities are an important part of the school experience and student development for all grades. Extracurricular activities include athletics, spirit squads, performing arts, and other activities sponsored by the school and related to the school program but taking place after school hours. Appropriate use of that ‘developmental tool’ varies with age, however. Academics remain the priority for a student’s time and attention. Choices about extracurricular participation should be made by parent and child together, keeping academic priorities in mind. In certain cases, the school may limit a student’s participation in line with this priority.

### **Attendance for Extracurricular Activities:**

- A student must be present for more than half of the school day to participate in extracurricular activities.
- A student who is on suspension may not participate in ANY school activities during the disciplinary period.

## **FIELD TRIPS**

Education is not limited to the classroom. To earn the right to attend a field trip, a student must demonstrate that he/she has the discipline to obey the rules and regulations that are necessary to have a safe and successful trip. Any faculty member, with the consent of his/her Principal, may choose not to take any student who has demonstrated a lack of self-discipline and may be a potentially disruptive influence on a trip. Parents will be provided with all information concerning the trip and adequate chaperones will be acquired. Permission slips are required for students to attend field trips.

## **LOCKERS**

Each student is assigned a locker. These lockers are property of the school and may be inspected by school officials at any time to maintain health and safety or to investigate suspected storage of dangerous, unauthorized or illegal items. Locker contents are subject to search by Administration designee at any time, with or without reason. LRCA cannot be responsible for theft or damage to items stored in student lockers. Students are urged to leave valuables at home. Combination locks are available for rent in the front office.

## **LOST AND FOUND**

Items in Lost & Found that are not labeled with student's name will be sorted and distributed to areas of need at the end of every quarter. Lost items will not be held over the summer months.

## **LUNCH/FOOD SERVICES/OFF CAMPUS LUNCH**

LRCA is a closed campus. Only parents, alumni in good standing, and pastors (with parent permission) may visit during the day, including lunch time. All visitors should check into the office for a visitor's pass.

A nutritionally balanced lunch program is provided daily by Sprouts. Students wishing to purchase hot lunch must open a prepayment account through [www.mealpayplus.com](http://www.mealpayplus.com). For questions regarding food service, parents can call 975-3446 or email [sprouts@littlerockchristian.com](mailto:sprouts@littlerockchristian.com).

Lunch times is a unique time to build community, to meet with teachers for help, and to have meetings and activities of clubs and organizations. It is disruptive for students to be off campus except for planned times. Off campus lunch is historically a senior privilege for one or twice a week; students must follow designated procedures and be in class on time or face disciplinary consequences, including the loss of off campus lunch privileges. When off campus, students must exhibit behavior that reflects well on LRCA, including careful driving, or the privilege will be revoked. Juniors may be given the privilege of off campus lunch later in the academic year. No students may leave campus without parental permission unless approved by an administrator.

Students in grades 9 and 10 may not leave for lunch unless a parent comes to the office to meet their child. Exceptions for other close relatives or pastors must be approved by an administrator. Leaving campus during the normal lunch period should be the exception, not a regular occurrence. Please do not send a note giving permission for your student to leave campus at lunch alone or with other students, except for organized school events or the junior/senior privilege.

## **MESSAGES**

Parents may occasionally need to leave messages or deliveries for students. This is carried out through the school office, to minimize distractions in the classroom. Whenever possible, plans for after school arrangements should be made in the morning before the student leaves for school.

## **PERSONAL PROPERTY**

LRCA will not assume responsibility for lost or stolen personal items and damage to personal vehicles. Valuables (jewelry, electronics, music or athletic equipment, etc.) should be insured through a homeowner's policy. We highly discourage students from carrying large amounts of cash (over \$20) and from bringing expensive personal items, jewelry, collectibles, to school. Combination locks are available for rent in the front office.

## **PETS ON CAMPUS**

No pets, such as dogs or cats, are permitted on campus without permission. This includes, but is not limited to, outdoor events, sporting events, and "show and tell" (in classroom, at recess, etc.)

## **PHOTOGRAPHY/VIDEO RIGHTS**

LRCA may take, use, reuse, edit, publish and republish video and still imagery of a student (or in which a student may be included in whole or in part) unless the parent/guardian has requested their student not be published.

LRCA has final approval on the finished product or products or the advertising copy or printed matter that may be used in connection therewith or the use to which it may be applied. Videos/stills will be for LRCA use only.

## **PUBLIC DISPLAYS OF AFFECTION**

There should be no public displays of affection at school or school functions. Public displays of affection make others uncomfortable and are not appropriate for school. This includes hand-holding, long hugs, etc.

## **RECORDS REQUEST**

LRCA maintains complete records, including a cumulative academic record, for each student. All materials in these records are treated confidentially and are available only according to the following policy:

- No report card or student records will be released to parents or to another school if the family is delinquent in tuition payments or has a debt of any kind with LRCA.
- Parents or guardians have the right to inspect and review all official records, files and data directly related to their child's academic progress, including all materials that are

incorporated into their student's cumulative record folder. Parental requests to inspect and review official records relating to a child shall be made in writing to the administration. Such request will be honored within ten (10) school days following receipt of the request. All records will be reviewed or inspected in the presence of the Principal so that proper explanation can be given.

- In order to receive records (i.e. transcripts, end-of-year records, withdrawal/transfer records), a parent or guardian will need to email the registrar to fill out a records request form. Records will be mailed or can be picked up five (5) business days after the request. Once the Registrar has fulfilled the request and sent records, a confirmation email will be sent to the parents stating when and to whom the records were sent. All records sent will also be documented in the student's permanent file on RenWeb.
- In the event a parent has a concern about their student's grade they are encouraged to begin by contacting the teacher directly and making an inquiry. After the teacher has researched the grade in question, they will contact the parent with the information. If a grade change is made, the teacher will contact the registrar and the corrected record will be verified for accuracy and a new copy will be provided to the parents. In the event the parents do not feel the question is resolved, they are asked to then contact the principal for further discussion.
- There will be no release of a student's personal records or any data in those records without the written consent of a parent or guardian, to any individual, agency, or organization other than the following: staff members who have legitimate educational interest, the school that the student is transferring to, court or law enforcement officials (if LRCA is given a subpoena or court order), certain federal, state or local authorities performing functions required by law.
- For the transferring of student records to another school, parental permission is no longer required by authorized school personnel (Family Educational Rights and Privacy Act Final Rule on Educational Records. Federal Register, June 1976 Vol. 41 No. 118 page 24673)

In preparing for summer camps and vacations, requests for copies of immunization records and/or physicals need to be made at least two (2) weeks in advance. Because of the registrar's year-end commitments, please make these requests prior to the end of May.

## **SALES**

Students (and their parents) are only permitted to sell items at school which are directly related to school sponsored activities after administrative approval has been granted. Sales associated with church or community projects are not permitted.

## **TRANSPORTATION FOR SCHOOL-SPONSORED ACTIVITIES**

All transportation for school sponsored activities such as field trips, class parties, and sporting events will be provided by the school. Transportation arrangements made outside of the stated policy must receive administrative approval with proper documentation on file in the school office and parental

approval.

## **TRIPS**

From the Freshman Retreat in August to the Senior Trip in May, all school-sponsored trips, including J-Term and class or club specific field trips, are an opportunity for students to learn, spend time with classmates, and grow in his/her walk with the Lord. To assure safety and convenience for all parties, trip guidelines have been established. These will be sent out prior to registration for the trip. By understanding that trips are a privilege, only students who are in good standing with regards to academics and discipline will be considered eligible. While on the trip, all school rules apply, with the exception of dress code in understandable circumstances. These exceptions will be communicated prior to the trip. Failure to comply with trip guidelines or school expectations will result in disciplinary action, which may include being sent home, suspension, and/or expulsion (which may include not graduating).

## **VISITORS ON CAMPUS**

Any visitor on campus must check in with the school office and receive a Visitor's Pass. This also applies to parents who are scheduled to go to a classroom or to have lunch in the cafeteria with their child. To insure the safety of our students and staff, any unauthorized visitors will be promptly escorted off school grounds and the police will be called.

Little Rock Christian Academy is a "closed" campus. This means that the only visitors allowed are parents, guardians, alumni in good standing, emergency family contacts or pastors (with parental permission). Exceptions are made for potential students and their families touring or "shadowing" and for LRCA high school graduates (in good standing and with administrative approval). Local friends, relatives, out of town guests may not visit the campus – including lunch or other non-public events – such as dances, dinners, and other private events. Any exception must be made by the Principal.
