

**EASTERN LANCASTER COUNTY
SCHOOL DISTRICT**

January 22, 2021

Dear Parents, Guardians, and Community Members-at-Large,

I wish to inform you that Garden Spot High School and Garden Spot Middle School will shift learning from in-person to ALL remote-learning starting Monday, January 25, 2021 through Wednesday, January 27, 2021 due to COVID cases (at least 10 adults and learners) between the High School and Middle School and in keeping with the Governor's Orders and the direction from the Department of Health. Some Special Education classes will resume on site, Wednesday, January 27th. If your learner is included in these classes, you will be notified directly by your child's teacher. Teachers will teach from home on Monday, January 25th and Tuesday, January 26th and from their classrooms on Wednesday, January 27th.

This shift provides the District time to ascertain and complete contact tracing and to thoroughly clean the school with increased focus in the areas affected by these cases. Please continue to monitor the District's website for updates.

I apologize for the fairly short notice and for the timing of this shift and announcement.

Thank you.

Respectfully,

Robert M. Hollister, Ed.D.
