

EASTERN LANCASTER COUNTY SCHOOL DISTRICT

November 2, 2020

Dear Parents, Guardians, and Community Members-at-Large,

I wish to provide a short update regarding some additional COVID-19 related quarantines in the School District. As a result of one confirmed COVID-19 case and two probable COVID-19 cases, there are three classrooms at Brecknock Elementary School affected by COVID-19. This resulted in the quarantining of approximately 40 students and a half dozen adults. If your learner was affected by one of these cases, you should have been contacted by the school by now.

We are continuing to adhere strictly to the Pennsylvania Department of Health and Penn Medicine guideline. We continue to commit all the resources necessary and available to the safety and welfare of all members of the school community.

We will continue to provide you with updates as the situation evolves.

Thank you.

Respectfully,

Robert M. Hollister, Ed.D.
