

Meet the Troy Foundation for Educational Excellence!

Since 1987, the Troy Foundation for Educational Excellence (TFEE) has been supporting Troy School District students and teachers by funding classroom and district-wide grants that enhance curriculum, engage students, and enrich the classroom environment.

Last fall, the TFEE provided every TSD teacher the opportunity to choose an item for their classroom from a menu of Tech Tools. These tools enhanced teachers' ability to teach 'in-person' and 'virtually' simultaneously and also improved the experience for both teachers and students.

This year, we're excited to be providing every TSD Middle School English, Language Arts, and Special Education teacher with a classroom library. In total, we are donating more than 5,500 books to the four Middle Schools.

We will again fund classroom grants this year, which will provide amazing opportunities for our students.
