Cobalt Institute of Math and Science

Parent/Student/School Compact 2021-22

Student Name: _____

Grade: _____ Student ID: _____

Cobalt Institute of Math and Science believes that parents, students, and staff must work in partnership to help each student reach his/her full potential. As partners we agree to the following:

As a student I will:

- Be an active participant in the learning process.
- Come to school every day and on time.
- Show my Cougar Pride...
 - Prepared - Come to class on time, ready to learn, with a positive attitude.
 - Respectful - Respect my school, classmates, staff, and family.
 - Integrity - Doing the right thing even when no one is looking.
 - Dedicated - Regularly talk to my parents, my counselor, and my teachers about my progress in school.
 - Engaged - Complete my assignments, classwork, and homework and ask for help.
- Follow the district and site behavior and academic expectations.

Student's Signature _____

Date _____

As a parent/guardian or family member, I will:

- Communicate with my child regularly about the value of education.
- Communicate with the school directly and promptly when I have a concern.
 - Parent concerns will be directed first to the classroom teacher and then the site administration.
- Make sure that my child attends school every day, on time, and with assignments completed.
- Support the school's discipline policy including the dress code policies/uniform policy.
- Monitor my child's progress and attendance through Aeries and have active communication with teachers, as necessary.
- Make every effort to attend school events, e.g. back-to-school night, Open House, SSC, ELAC.
- Ensure that my child gets adequate sleep, regular medical attention, and proper nutrition.
- Respect the students, staff, school, and other families within our school community.
- Maintain updated contact information to ensure accessibility.
- Create an environment at home which is dedicated to academic success.

Parent/Guardian Signature _____

Date _____

The school will:

- Prepare all students for college and/or careers in math, science, computer science, engineering, biomedical sciences, humanities, and/or the military.
- Strive to ensure all students are academically proficient or above in all core subjects.
- Use project-based learning to develop the skills necessary for critical thinking, problem-solving, leadership, and creativity.
- Promote the value of preparedness, respect, integrity, dedication, and engagement.
- Communicate high expectations for every student.
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and the community.
- Recognize students that make good choices and act with Cougar Pride.
- Enforce rules equitably and involve students in creating a warm and caring learning environment.
- Communicate regularly with families about their child's progress in school through conferences, Aeries update, parent-teacher meetings, progress reports, and other available means.
- Provide opportunities and resources to assist families on student learning and social-emotional health.
- Be responsible for creating and maintaining a positive school culture and climate that encourages honesty and respect.
