Principals' Welcome

We would like to extend a warm welcome to all students. The administration, faculty, and staff of Chartiers Valley High School have worked very hard to ensure that you can learn in an academically rigorous, socially enjoyable, and physically safe environment. We hope you grow both academically and socially. It is our hope that this student handbook will answer any questions you may have.

We encourage you to become active and Chartiers Valley High School offers numerous organizations, activities, and sports from which to choose. Students who are engaged in school activities become active participants in the school's culture. These activities serve as a way to increase your ability to collaborate with others and work as a member of a team. These are qualities that employers, colleges, and the military value. Participation in extracurricular activities also helps to develop leadership skills and is shown to improve grades.

This handbook also includes information about how to prepare for your future after high school. There is a wealth of information available at school and online to assist in defining and identifying your interests and skills.

High school offers many choices and the willingness to seek assistance as you navigate the myriad of choices and situations is a life-long skill. Choices may arise about academic or social issues. Teachers, counselors, and principals are on hand daily to assist with any issues you may want to discuss.

In order to provide the safest learning environment possible, a Code of Conduct has been established with your safety in mind. This handbook contains the rules and regulations of the high school, and the School Board Policies designed to enhance learning and prevent problems. It is your responsibility to read the Code of Conduct and abide by it. We all share the same learning environment and must respect the rules that have been created to provide safety for everyone. If you have any questions or need more information, please ask your teachers, counselors, or principals.

Finally, we wish you much success in the coming year. We hope you set goals and achieve them. Have a tremendous school year!

THE CREST

During the 2018-19 school year, as a component of renewal, focus groups of students, faculty, and administrators collaborated to develop ideas for a Charters Valley School District crest. Together, we identified the most significant concepts which represent the standards and aspirations of our schools: Integrity, Community, Innovation and Academia.

CVHS art teacher Christopher McHugh utilized the collective ideas and feedback from the focus groups to create a beautiful visual representation of Charters Valley School District.

Each symbol in the crest highlights a different element of CV's ideals:

- Red – Energy, Determination, Passion
- Blue – Truth and Loyalty
- 1956 – The year our 4 communities became CVSD
- Achievement Ribbon – Unity, School Pride
- Olive Wreath – Community, Agreement and Harmony
- Per Chevron – Constancy with peace and sincerity
- Column – Achievement through education

- Winged foot and Victory Cup – Athletics, sportsmanship, fair play
- Clef and Notes – Music and Performing Arts
- Drama Masks – Theater and Performing Arts

- Graduation Cap & Diploma – Academia, Achievement, Transition

I. ACADEMICS

A. CHANGE OF SCHEDULE

Students should refer to the [Program of Studies](#) for information regarding policies on schedule changes.

B. GRADING PROCEDURES

Evaluation of the student's classroom performance and progress will be based on a system of points which will be converted to a percent and letter grade. The following scale will be used by all high school teachers when converting points to a percent and letter grade:

STANDARD AND ADVANCED COURSES

Letter Grade	%	QP	Letter Grade	%	QP	Letter Grade	%	QP
A+	97-100	4.5	A	93-96	4.25	A-	90-92	4.0
B+	87-89	3.5	B	83-86	3.25	B-	80-82	3.0
C+	78-79	2.5	C	73-76	2.25	C-	70-72	2.0
D+	68-69	1.5	D	63-66	1.25	D-	60-62	1.0
F	0-59	0	F	0-59	0	F	0-59	0

HONORS AND CIHS COURSES

Letter Grade	%	QP	Letter Grade	%	QP	Letter Grade	%	QP
A+	97-100	5.0	A	93-96	4.75	A-	90-92	4.5
B+	87-89	4.0	B	83-86	3.75	B-	80-82	3.5
C+	78-79	3.0	C	73-76	2.75	C-	70-72	2.5
D+	68-69	2.0	D	63-66	1.75	D-	60-62	1.5
F	0-59	0	F	0-59	0	F	0-59	0

ADVANCED PLACEMENT COURSES

Letter Grade	%	QP	Letter Grade	%	QP	Letter Grade	%	QP
A+	97-100	5.5	A	93-96	5.25	A-	90-92	5.0
B+	87-89	4.5	B	83-86	4.25	B-	80-82	4.0
C+	78-79	3.5	C	73-76	3.25	C-	70-72	3.0
D+	68-69	2.5	D	63-66	2.25	D-	60-62	2.0
F	0-59	0	F	0-59	0	F	0-59	0

The minimum percent for passing is 60 percent. The usual percent range for an "F" grade given at the end of any nine week grading period will be 50-59% so as to prevent the likelihood of destroying a student's motivation. A student may earn lower than a 50% with documentation of interventions by teacher and administrative approval.

Modifications to the grading procedure may be necessary to satisfy the requirements of the individualized education plans when appropriate.

Grade Reporting/Report Cards

Grades will be issued at the conclusion of each quarterly grading period (9-weeks). Student report cards will not be printed and mailed home; rather, parents and students may access quarterly and final grades via Infinite Campus. If you would like a paper copy of a quarterly report card, please contact the main office and a hard-copy will be prepared for you. The following procedures will be used to determine grades for each of the grading periods:

Mid-term Exams

Mid-term exams are an option for course instructors. When utilized, the mid-term examination score will be reflected on the students' report cards as a percentage and will change how grades are calculated at the semester and final grade levels.

Final Exams

Final exams covering materials from each of the four grading periods will be given in all the major disciplines. Students taking AP courses will have the option of taking the AP exam or the course final exam. The final examination shall count as 20 percent of the final grade unless the teacher utilizes a mid-term exam during the first semester.

Quarterly Grades

To calculate a quarterly (9-week) grade, the points earned in each class will be totaled and converted to a percentage.

Grade calculations without a mid-term exam:

- Semester 1: Average of quarters 1 and 2
- Semester 2: Average of quarter 3 and 4 final percentages (80% of second-semester grade); final exam (20% of second semester grade)
- Final Grade: Average of semesters 1 and 2 final percentages

Grade calculations with a mid-term exam:

- Semester 1: Average of quarter 1 and 2 final percentages (80% of first-semester grade); mid-term exam (20% of first semester grade)
- Semester 2: Average of quarter 3 and 4 final percentages (80% of second-semester grade); final exam (20% of second semester grade)
- Final Grade: Average of semesters 1 and 2 final percentages

It is a student's responsibility to know the requirements for promotion and graduation and to make plans accordingly. Additionally, students must keep their parents/guardians informed of progress toward graduation. School counselors are available to assist students and parents. No student who has completed the requirements for graduation shall be denied a diploma as a disciplinary measure but he or she may be denied participation in the ceremony when personal conduct so warrants. Such exclusion shall be regarded as a school suspension.

Additional credits may be earned in the following ways and must be pre-approved by the Principal:

1) Attendance at summer school for a core course not passed, 2) Work experience, 3) Community Service.

Community Service Credit

1. Students may earn one (1) Community Service Elective credit by completing an additional 120 hours of community service or a total of 150 hours (30 required plus 120 additional hours) over four (4) years.

Students are responsible for knowing graduation requirements and what they must do to meet these requirements. It is the student's responsibility to keep parents informed as to his/her progress toward graduation. School counselors and staff are available to help.

D. MAKE-UP WORK

Students should make arrangements with their classroom teachers immediately upon their return to school from an excused absence to make up work and receive credit for work missed. Work missed during a short term absence (i.e., one or two days) must be completed immediately upon return. Additional time will be given only in extenuating circumstances. If the student is expected to miss more than two days of school, it is the responsibility of that student, or his/her parent, to contact the school at 429-2241 to request homework assignments. The student is strongly encouraged to communicate with teachers directly through email and to monitor Schoology during extended absences in order to complete assignments at home when possible.

E. PHYSICAL EDUCATION AND HEALTH

Curriculum regulations, as prescribed by the Pennsylvania Department of Education, require all students to participate in physical education classes. Any student who is unable to participate in regular classes must submit a note from a physician and follow a planned program of adaptive and modified activities. Forms for these activities may be obtained from the health office. In addition, two semesters of a health course is required for graduation.

F. SEQUENTIAL COURSE

To continue in a second, third, or fourth year of a course, which is sequential in nature (world languages, mathematics, etc.), students must meet all prerequisites set in the [Program of Studies](#).

G. TRANSCRIPTS, LETTERS OF REFERENCE

Students must provide the Student Services office with a minimum of two weeks notice when requesting transcripts or letters of reference to be sent to prospective colleges, employers or the military. A transcript [request form](#) must be completed. **Official transcripts will only be sent directly from CVHS.**

H. STUDENT SERVICES

Student services are available for every student in the school for his/her academic, personal/social, and career needs. These services include assistance with educational planning, occupational information, career information, study aids, help with home, school and/or social concerns, or any question the student may feel he/she would like to discuss with a school counselor.

Student records are held in strictest confidence by the Student Services office and are only accessible to prospective employers and other agencies upon consent of the student if he/she is of age (18), or of his/her

parents if he/she is not. Only school administrators, faculty, and parents of the student may request access to the records without prior consent of the student.

Teachers as well as school counselors can be a source of information. Students should feel free to seek assistance.

I. VIRTUAL LEARNING EXPECTATIONS

Students are expected to check their school email and Schoology accounts on a daily basis. Students are also expected to have their school issued technology device charged and with them at school each day. It is the student's responsibility to notify a teacher, counselor, or administrator immediately when in need of technology repairs or troubleshooting assistance.

J. HOMELESS

Education for Children & Youth Experiencing Homelessness (ECYEH)

The McKinney-Vento Homeless Assistance Act was established in 1987 and amended by the Every Student Succeeds Act of 2015. The Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. The federal mandate ensures that homeless children and youth have access to the same free and appropriate public education as other children. Children who are homeless may qualify for assistance with school lunch, school supplies, tutoring and transportation so that they can remain in their school of origin.

If you believe that your child may qualify for this service, please contact:

Marc Hubert, Homelessness Liaison	412-429-3710	mhubert@cvsd.net

II. GENERAL INFORMATION

A. ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported immediately to the person in charge and to the school nurse who will then report it to the proper authorities. Under no circumstances are students to leave school grounds for an injury sustained at school without proper authorization.

All announcements for the bulletin or public address system should be presented to the main office in writing by a club sponsor or teacher, preferably by the close of business on the previous day. Bulletin board notices and announcement signs must have the approval of one of the building administrators. Approved flyers or notices may only be posted to the bulletin boards throughout the building. Items should not be posted directly on doors or walls.

C. ASSEMBLIES

A variety of programs scheduled by the Student Council and Athletic Department are held throughout the school year. The following rules govern behavior in assemblies:

E. CAFETERIA/COMMONS AREA

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. Food may not be delivered from outside services (i.e., pizza) or companies.

In order to keep the lunchroom operating smoothly, it is requested that the cafeteria lines be kept orderly, and that all trash be deposited in the trash receptacles. Students should enter the serving area through the small hallway to the right of the check-out stations and wait for a cafeteria monitor to grant access to serving stations. Chairs should only be used to sit along the counter top area along the pool windows, and they should not be moved to other areas. Chairs are not permitted to be used to sit at the end of a cafeteria table. Students are not permitted to take food items from the cafeteria. Students are responsible for cleaning up any debris and/or spills from their table before the end of the lunch period.

The authority of teachers on cafeteria duty is to be respected. Students must report to the cafeteria during their assigned lunch period and remain there for the entire period. Students should use the restroom located between the commons area and the gymnasium. Restrooms located in the learning houses and the AET department are off limits to students during their lunch period.

All students should remain seated until the bell rings at the end of the period. In addition, all students should arrive in the cafeteria by the time the late bell sounds. Students may only be excused with the permission of one of the cafeteria monitors.

Seating in the cafeteria is generally up to the students. If a problem occurs, teachers assigned to the cafeteria have the authority to assign students to a specific seat/location in the cafeteria. Students who misbehave in the cafeteria will be disciplined according to the Code of Conduct (detention, Saturday detention, etc.).

In order to participate in athletics, a student must maintain a 2.0 GPA. Eligibility for the first grading period is based on the final grades for the preceding school year. If a student fails to meet these requirements, they will lose eligibility for the first 15 school days of the next grading period.

All students will be put on a weekly Athletic Eligibility list. The weekly Athletic Eligibility list will be checked every Friday through Infinite Campus. All Coaches and necessary faculty will be notified by 11:00am.

Their grades will be checked weekly starting 15 days into the marking period. If a student is failing two (2) or more classes, they will be ineligible for one week (Sunday-Saturday) and will have to follow the steps listed below. If a student is failing one (1) class, they will be placed on "Warning" status and must follow the steps listed below:

Any student that appears on the eligibility list with a failing grade in a full credit course will be placed on WARNING Status and would be required to seek academic assistance in the failing subject area.

If a student appears on the eligibility list for four (4) consecutive weeks in the same subject area they will be removed from the team for the remainder of the season. The student cannot participate in any conditioning or preseason practices with another sport until the grade becomes a passing mark.

G. EARLY DISMISSAL, LEAVING SCHOOL GROUNDS

Students requesting an early dismissal must have a signed note from a parent or guardian stating the reason for the request and a telephone number where a parent or guardian can be reached from 8:00 a.m. to 10:00 a.m. These students will report to their homeroom first, then to the office. **No student will be given permission to leave if a parent or guardian cannot be reached by phone.**

Students must sign-out immediately before leaving school property. Students not following these procedures will be considered unexcused and will receive disciplinary consequences.

Students are not permitted to leave the school grounds at any time during the school day without permission from a principal. Regardless of whether it is for personal reasons or in connection with school affairs, students must obtain the necessary consent.

Campus Safety and/or office personnel will record the names of those excused from campus.

Drop off and Pick up procedures:

When arriving before or departing after regular school hours, Chartiers Valley High School students should be dropped off and picked up at door #27, by the Digital Media Center. When coming up the driveway, make the first right turn and proceed past the middle school toward the stadium. When picking up and dropping off, please pull as far forward in the vehicle waiting area as possible. As cars exit the waiting area, please continue to pull forward to make room for others.

For late arrivals or early dismissals, Chartiers Valley High School students should be dropped off and picked up at the main entrance of the high school, door #1. When coming up the driveway, make the second right, just past the auditorium, to access the visitor parking and drop-off area located in front of door #1.

If you need to schedule an early dismissal for your High School or Middle School student, please schedule it before 2:20 pm. Parents will not be permitted to drive on campus between 2:20 pm and the time of the departure of busses (approximately 2:40 PM).

Under no circumstances is a student permitted to be released home or leave the school grounds without permission from a parent, guardian, or an emergency contact person. Students must be signed out in the main office by the parent, guardian or emergency contact before leaving school grounds.

U. RESTROOM USAGE

Should the need arise, students are expected to use the restroom facilities during the pass time provided between class periods. If the need to use the restroom facilities arises during the time a student is in class, the student must obtain authorization from the teacher to use the restroom pass. Students should use the restroom located closest to their assigned classroom. When in D building, students should use the restroom located within their learning house.

Each student should remain in the classroom to obtain the best possible education; therefore, the need to leave the classroom should not become a regular occurrence. Students will be required to provide documentation from a physician if they have a need to use the restroom on a regular basis while class is in session.

Students are reminded that only one student may be in a restroom stall. Students who congregate in a stall are subject to disciplinary action. Campus safety personnel will routinely check all restrooms on the campus.

W. STUDENT ASSISTANCE PROGRAM (SAP)

The Student Assistance Program is mandated throughout all public secondary schools in PA. It is designed to assist school personnel to identify student issues, including alcohol and other drugs, which pose a barrier to their learning and school success.

Chartiers Valley's SAP program is called Student Support. The mission is to help students and their families, encourage healthy coping skills, and to increase school success. Students' health, safety, and welfare are always of utmost importance. Student Support Teams coordinate the program. The teams include teachers, counselors, administrative staff, etc. These individuals are specially trained to identify problems, determine whether or not the presenting problem lies within the responsibility of the school, and offer resources to assist the student and parent. It is neither the mission of the school nor its responsibility to resolve all problems that impact school performance.

Involvement of parents in all phases of the SAP underscores the parents' role and responsibility in the decision making process affecting their children's education and is the key to successful resolution of problems.

School personnel, peers, students themselves, or family members may refer students to Student Support. Any person who is concerned about a student is encouraged to refer that student by contacting the school counselor.

Some signs and symptoms of students who may be referred to the Student Support are:

- Decline in grades/academic performance
- Poor attendance
- Change in friends, behavior, or attitude
- School phobia
- Violation of school rules

The permit must have the approval of the Principal, or it is not valid. This permit can be suspended at any time by an administrator if the student driver fails to abide by any of the following regulations:

- Students are not permitted to transport passengers unless written permission from the parents of both the driver and passenger are presented to a high school administrator.
- In case of an extenuating circumstance, administrators may grant a temporary one day parking pass.

This procedure is for the personal safety and security of students. It is expected that student drivers will abide by these rules, remembering that driving to school is a privilege that can be revoked.

Unauthorized vehicles will be ticketed for parking on private property or will be towed away at the owner's expense. Students who repeatedly park a vehicle(s) on school grounds without proper authorization are subject to disciplinary action, as well as fines for the parking tickets that are issued for these violations.

Leaving valuables in an unlocked locker is unsafe and should be avoided.**

Z. VISITORS

When visiting our school, please use the main entrance (Door #1). For safety precautions, all outside doors will be locked during school hours. Visitors will be required to register and wear the provided visitor's badge at all times while in the building. All Chartiers Valley buildings utilize the RaptorWare visitor software. This software scans driver's licenses and cross references the National Sex Offender watch list. The software also automatically issues your visitor badge. Visitors must be accompanied by District employees at all times unless otherwise authorized by the principal.

Students may not receive visitors unless, in an exceptional circumstance, prior permission has been given by a building principal.

III. STUDENT CONDUCT

A. ACADEMIC INTEGRITY

Academic integrity indicates an ability to meet and face issues and creates an atmosphere of trust, respect, and security, which is encouraged at all levels. Recalcitrant Students - A student who becomes a chronic behavior problem and whose conduct constitutes a violation of the right to education of other students may be recommended to the superintendent for expulsion. Three suspensions in a single school term may result in a recommendation for

expulsion. This, however, does not preclude a recommendation for expulsion following a first or second offense, if in the judgment of the principal, the gravity of the offense warrants such action.

In each of the preceding circumstances, it is incumbent upon the parents and professional staff to use to the fullest extent all possible preventive and corrective measures including parent conferences, counseling, case conferences, peer review, and other appropriate techniques.

I. DRUG AND ALCOHOL POLICY ([policy #227](#))

Students should report any concerns to the principals or school resource officer immediately. N. SCHOOL BUS ([policy #810](#))

The bus driver has your life in his/her hands! He/she must concentrate all of his/her efforts on the safe operation of the bus and cannot afford to divert attention to handle discipline problems with student passengers.

2. Fighting on the bus.
3. Smoking/use of a vaping device on the bus.

Students who violate safe bus conduct procedures will be subject to consequences per Board Policy 810.

For a first offense misconduct report, the student will receive a warning, except when the offense is deemed serious enough to warrant severe measures by the administration and/or Board. For a second offense, a temporary suspension of transportation privileges up to three (3) days will be invoked. The principal will inform the student of the reasons for the suspension, and the student will be given the opportunity to respond to the action.

The principal will also:

- Contact the student's parent/guardian, and give notice of the action.
- Send a letter to the parent/guardian, with a copy to the Superintendent, giving a full report of the misconduct.
- Inform the school bus driver of the action taken.
- Provide an opportunity for a conference with the parent/guardian before the suspension is terminated.

A student who commits a third offense will be given a five (5) day suspension from bus riding privileges. As in the case of the second offense, the principal will implement the same adjudication procedures.

If repeated offenses result, a student could receive full suspension of school transportation privileges or expulsion from school. The principal will conduct an informal hearing on the alleged violation.

Any decision for an expulsion would be determined by the members of the Board.

O. SCHOOL DRESS ([policy #221](#))

P. SEARCHES ([policy #226](#))

The administration may authorize a search of a student, student's lockers, student's vehicles or other belongings if there is a **REASONABLE SUSPICION** that there is a possible threat to the health, welfare and/or safety of any student or staff member.

1. **Personal Searches** - A student's person or personal property (purse, book bag, jacket, trousers) will be searched whenever the administration has REASONABLE SUSPICION to believe that he/she is in possession of illegal or unauthorized materials or dangerous substances.

Students shall have no expectations of privacy in their locker, and the administration reserves the right to inspect lockers at any time by any means. However, students are expected to assume full responsibility for the contents of their lockers. Students should keep in mind that since lockers belong to the school district, a locker may be searched at any time. The School District employs video surveillance equipment for security purposes. This equipment may or may not be monitored at any time. This equipment may be located within or outside the buildings of the School District.

Q. THREATS

All threats will be taken very seriously. Students should refrain from threatening other students, school personnel and making random threats. Each situation will be investigated and students found guilty will receive a suspension with the possibility of expulsion. All cases will be reported to the authorities for prosecution. Any student witnessing or being threatened should report it to the principals or school resource officer immediately. No threat should be considered harmless. All threats will be taken extremely seriously.

R. TOBACCO PRODUCTS ([policy #222](#))

Tobacco use shall be defined as use and/or possession of tobacco or tobacco-related items/devices including but are not limited to: a lighted or unlighted cigarette, electronic cigarettes and/or smoking devices, cigar, pipe, other smoking product or material, smokeless tobacco in any form, and/or tobacco-related items/devices.. Electronic cigarettes are defined as any oral device or products that provides a vapor of liquid nicotine, lobelia, and/or other substance, and the uses or inhalation of which simulates smoking. The term shall include any such devices, whether they are manufactured, distributed, marketed, or sold as e-cigarettes, e-cigars, e-pipes, vaporizers, or under any other product name or descriptor.

Students in possession of a tobacco product will be considered in violation of this policy. Students will be subject to penalties prescribed in the Code of Conduct, up to and including possible expulsion and referral to district magistrate. In addition, any student found in an area (e.g. bathroom stall) where smoke or vapor is present will risk the consequences stated in the smoking policy and/or those associated with creating an unsafe or dangerous condition. Students are reminded that only one student should be in a bathroom stall at any given time. All students who congregate in a stall where smoke is observed will risk disciplinary consequences.

S. WEAPONS ([policy #218.1](#))

The Chartiers Valley Board of School Directors adopted a weapons policy, which can be found on the district's website. Federal and state laws require public schools to follow prescribed action including the possibility of expulsion and police notification for instances where students use, possess, or distribute weapons or dangerous instruments in school.

T. UNAUTHORIZED AREAS

Students should not be in any area or classroom of the building unless under the direct supervision of a staff member. Students in unauthorized areas (Middle School, cutting classes, locker rooms, etc.) may be considered to be trespassing, a violation of the Crimes Code of Pennsylvania. Violators may be subject to a wellness check, school disciplinary action and legal consequences. Students discovered in an unauthorized area where a Code of Conduct violation or criminal activity is thought to have occurred are subject to disciplinary consequences and possible search and prosecution.

IV. ATTENDANCE

A. ATTENDANCE (policy #204)

State law and school board policy requires daily attendance except for illness or serious emergency. Students are requested to have a parent call the high school office (412-429-2241) in the morning if they must miss school on any given day. Additionally, a written excuse must be provided to the school within 3 days of returning to school after an absence. Any student who misses more than ten school days or five consecutive days in the school year must present a physician's excuse for each additional absence. Failure to do so may result in legal and disciplinary consequences, as well as the possibility of lower grades.

The Board of Education requires that school aged pupils enrolled in the schools of the district in which they live attend school regularly in accordance with the laws of the Commonwealth of Pennsylvania. The educational program offered by this district is predicated upon the presence of the pupil and requires continuity of instruction and classroom participation.

1. Upon arrival to school, all students must report to their **homeroom**. Students arriving after **7:35 a.m. must report to the office to receive a tardy pass** that will admit him/her to homeroom. **Students will not be permitted to enter homeroom after 7:35 a.m. if they do not have a tardy pass.** Failure to sign in at the main office can result in disciplinary consequences. Students who do not report to homeroom but are in the complex will be reported to the office immediately.
2. Daily attendance will be taken only by the teacher and forwarded to the office after the 7:49 a.m. bell rings or at the end of any extended homeroom period.
3. Students who arrive late to school must sign in at the main office upon entering the complex.
4. Upon returning from an absence, the student must give the homeroom teacher an excuse for his/her day(s) of absence. Failure to provide an excuse for an absence within three school days after returning will result in the student's day(s) of absence being marked illegal or unexcused.
5. Impassable roads, disabled school bus, and medical or dental appointments that cannot be scheduled after the normal school day are valid excuses for tardiness. Medical or dental appointments must be verified by a written excuse from the doctor. Parental notes are required.
6. Reasons such as sleeping in, missing the bus, or transporting a parent, relative or friend, etc. are not valid excuses for tardiness and will be classified as unexcused.
7. In order to participate in any extracurricular activity (athletic events, dances, etc.) conducted under the auspices of the high school, a student must be present for **(5) full periods** on the day of the event. No departures from this policy will be accepted without approval of a principal.

B. TRUANCY PROCEDURES (policy #204)

Truant = 3 days of unexcused absence from school.

Habitually truant = 6 days of unexcused absence from school.

Excused and/unexcused absences

- Each day that a child is absent from school an electronic attendance notification is sent to parents.
- After 3 unexcused absences, the 3-day Truancy letter is sent, indicating that the student is considered "truant", detailing the time and date of the Attendance Improvement Conference (AIC). At the AIC, a school-based attendance improvement program will be developed, which will include steps to support positive attendance as well as what actions will be taken if the student reaches 6 unexcused absences.
- After the first 6 unexcused absences, the Habitually Truant Letter will be mailed to parents indicating the actions that will be taken as a result of truancy.

Attendance Improvement Conference (AIC)

School staff will coordinate with the family to arrange an Attendance Improvement Conference (AIC) to be held at the school in order to discuss causes for the child's truancy and create a mutually agreed upon plan to resolve truancy concerns. Discussion at this conference will include current academic difficulties, physical or behavioral health issues, family/environmental concerns, or any other barrier impeding the child's attendance at school.

School Based Attendance Improvement Program

At the conclusion of the AIC, all participants will sign a comprehensive Attendance Improvement Plan (AIP) that is agreed upon by school representatives, the child, and parents/family. This AIP should detail and include: access to academic and social/health supports within the school setting, an outline of parent/guardian and student responsibilities to improve attendance, and a plan for progress monitoring that includes both positive outcomes and potential negative consequences for compliance to or violation of the AIP.

Community Based Attendance Improvement Program

The Focus on Attendance program is a partnership between the Department of Human Services, The Allegheny Intermediate Unit, Juvenile Probation, and local K-12 school districts. The purpose of this program is to connect students and their families to community resources, assess the underlying needs of students who are chronically tardy, work to alleviate barriers to school attendance, and promote educational success. This is a voluntary service which comes at no cost to the family and should be viewed as a proactive approach to avoid potential punitive actions (such as citations, magisterial court involvement, etc.).

COVID-19 Guidance and Health and Safety Plan

School Districts across the commonwealth are required to submit a board approved Health and Safety Plan to the Pennsylvania Department of Education. Modifications to the approved Health and Safety Plan require board approval and resubmission to the Pennsylvania Department of Education. These plans provide guidance and expectations for staff, students, and community in regards to the health and safety of persons throughout the school year. Access to the most current [Chartiers Valley Health and Safety Plan](#) can be accessed at CVSD.net.

According to Federal Mandate masks are required on public school transportation until the date of this mandate's expiration, Chartiers Valley will follow this mandate.

Social Distancing and other protocols will be practiced to the furthest extent possible. The Chartiers Valley School District buildings have multiple areas for outdoor learning and discussion. These spaces will be encouraged to be utilized to the fullest extent. Signage will be posted throughout the buildings regarding hygiene routines and frequent breaks throughout the day will be used to promote handwashing and hygiene.

Parents will be expected to monitor the student's temperature each morning and keep students home if they exhibit any symptoms. Parents will report to the school nurse and attendance secretary if a student is ill. Staff will be expected to self-monitor and be cognizant of symptoms in their students. Any student exhibiting symptoms will be sent to the nurse's office for a temperature check and parent contact. Isolation and quarantine will follow ACHD and CDC guidelines. If there is a need for isolation at school, staff, visitors, or students will report to the health office to quarantine in a designated isolation room in each building. Nurses will be responsible for all decisions regarding isolation. Return to school and work will be determined by following ACHD and CDC guidelines.

Best Practice Recommendations for the SCHOOL

- Masks are expected to be worn by students and staff at school and are required on the bus as mandated by the federal government, with some exceptions
