

Vivian Gallosso

RN, School Nurse

Biography

Vivian has been the Preparatory Academy Nurse since 2015 when she made a shift in her career from the Operating Room and a million-dollar Robotics Program. Having worked as a high school nurse along with travelling the country as a short-term nurse on different assignments, Vivian has settled in to practice excellence as a school nurse. Running a school clinic has different adventures every day with the students who come through her door. Whether it is a problem that needs some TLC or first aid or even more acute care, Vivian welcomes students with an ear to listen, a compassionate heart and high caliber nursing care. Welcome to her clinic.
