NEGOTIATIONS

Summary of 2022-2021 Classified Employee Compensation

5.00% COLA Increase

1.73% Step Increase

BACK-TO-SCHOOL SECURITY

With the Back-to-School Nights that accompany the beginning of the new school year, we are anticipating a high volume of scheduled programming changes. To ensure there is ample time to process these requests, please email your facility extension needs (lights, security, fans, card access door schedules) to security@dsdmail.net as soon as possible. As a reminder, all extension requests throughout the year must be submitted 24 hours before the event and before noon on Friday for weekend activities/teacher workdays.

FANS AND FILTERS

All fans and cooling equipment will be enabled to run for the new school year over the next few days. Watch for and report any equipment failures, also make sure that all filters have been changed.

COVID PROTOCOL FOR NEW SCHOOL YEAR

We are asking that you continue the same procedures as we had in place last year. If you have any questions, contact your coordinator.

CALL CENTER AND WORK ORDERS

When needing to submit a work order, DO NOT email the call center. Call them at 801-402-5600. Only email them if they directly ask you to.

THANK YOU

We sincerely appreciate all the hard work each of you has put into cleaning and maintaining our schools and facilities, they look wonderful! Thanks for all you do!

UPCOMING DATES

AUGUST 23

School Starts

SEPTEMBER 6
