If you should have any questions, please call or stop by the office and speak with us. We are here to listen and to serve you. Thank you for your time and support on this important matter.

ARRIVAL AND DEPARTURE

Your Child's Safety

Your child's safety is of utmost importance to you and to our staff. Working together, we can encourage your child to be safe and responsible. Our campus is gated and locked to enhance security. Two main entrance gates are unlocked and accessible beginning at 7:15 am until 15 minutes after the latest starting time (from 7:15 am to 8:20 am). These gates are once again unlocked and accessible from 15 minutes before dismissal to approximately 15 minutes after dismissal (from 1:30 pm to 2:00 pm). When gates are locked, everyone should enter through our main office doors, sign in as a visitor, and wear a visitor's pass while on campus. Our office is open from 7 am to 4 pm Monday through Friday.

Starting and dismissal times

Regular Day		
	Start Time	End Time
Kindergarten through 3 rd -Grade	8:05 am	1:45 pm
4 th and 5 th -Grade	7:40 am	1:46 pm

Minimum Day

Students MAY NOT arrive at school prior to 7:15 am. Playground supervision begins at 7:15 am. Students who participate in our breakfast program may do so until 5 minutes before his/her class begins. Please allow enough time for your child to eat before the bell rings. Instruction begins promptly, and it is important that our students have a chance to get settled in their classroom.

Students are NOT ALLOWED to wait unattended on school grounds before school or after school hours. The district does not provide supervision for students after school unless they are enrolled in ACE or are participating in an extracurricular activity. Please make arrangements for someone on your child's emergency card to pick up your child within 15 minutes of the end of the school day. Thank you for your support in ensuring the safety of our students.

For children who walk to school or to the bus stop, please remind your child to:

- leave home in plenty of time to get to the bus stop of school grounds without rushing.
- refuse to enter strange automobiles.
- never leave the school with any person until reporting to the teacher or the office.
- remain on campus until time to go home or an authorized person comes for them.
- wear a helmet and ride his/her bike on the right side of the street.

Walking to School

Students who walk to school must go directly from home to school in the morning and directly from school to home in the afternoon. It is extremely important that children follow all safety rules.

Parent Parking Rules

Students who are being picked up will be waiting in the Kindergarten playground area only. You may use the inside lane in the north parking lot (the lane closest to the school) to wait in your car for your child in the afternoon or to drop them off in the morning. The outside lane is for you to drive through once you have dropped off or picked up your child. Please do not leave your car unattended if you choose to use the loop for pick-up/drop-off. If you need to exit your vehicle when picking up your child, please park in the parking stalls located in the north and south parking lots. The south parking lot lanes (near the cafe) are for buses only. These procedures are for your child's safety and to help alleviate traffic problems. We appreciate your patience and cooperation.

Bus Riders

Please review the information included in the District handbook.

**VISITORS**

We ask, for safety purposes, that all visitors and volunteers check into the office first, before heading down to the classroom and/or playground, so that we know who is on campus at all times. If you are not wearing a visitor sticker, you may expect to be asked to return to the office to receive one. Thank you for helping to create a safe environment for our students. Due to insurance regulations we cannot allow visiting students to attend classes for the day.

STUDENT ACTIVITIES**Student Government**

Student Government/Leadership may be offered depending on staffing/student needs.

Just Say No Club

Intermediate students are encouraged to participate in a variety of fundraisers and fun activities sponsored by our Just Say No Club. Students meet on a regular basis to discuss and learn about the negative impact of illegal drug and alcohol use. This club manages our Red Ribbon Week each fall when our entire campus focuses on drug-free, healthy living.

Intermediate Choir

Students in the 4th and 5th grades may participate in an intermediate choir that gives them an opportunity to sing and learn new types of music.

Other Clubs

Other choices for clubs may be offered throughout the year depending on interests and staffing. Some of the clubs previously offered which we would like to continue to offer include: art club, service club, pep squad/spirit club, craft club, genius hour, garden club, and science club.

SPORTS

Shasta Meadows Sports Philosophy

These activities are a privilege, voluntary in nature, and not required. They are not part of the regular education program, rather, they are offered as an extension of the regular school day. The purpose of these teams is to teach skills, allow for playing time to practice these skills, and to learn good sportsmanship and fair play, rising above adversity to persevere and finish. Also, the team members should have fun. Winning is nice, but it should not be the primary focus of elementary sports. Therefore, the expectations for the after-school sports program encompass the standard student behavior plan as outlined in this book. Please see the District Sports Handbook for additional information.

Lunch Sports

Lunch intramurals are open to all third, fourth and fifth grade students who wish to participate.

The focus is to allow the student to have exposure to sports and develop team spirit. Sportsmanship and fair play are emphasized. Basic skills are taught as needed.

Children will be removed from the game at the coach's discretion for rough play, unsportsmanlike conduct or continued non-participation.

A child who has been given a recess detention will not be allowed to play in that day's game.

After School Sports:

- ★ Students will try out for the teams and cuts will be made. Not every child who tries out will make the team.
- ★ Every child on the team will play equal time (to the best of the coach's ability).
- ★ Transportation to the games and practices is the parent's responsibility.
- ★ If the team uniform is lost, it is to be replaced by the team member at the actual cost.
- ★ If a team member is suspended, misses 2 practices or games due to after school detentions, or gets a referral, they may be dropped from the team.
- ★ Children who are continuously disruptive during practices will be removed from the team at the coach's discretion.
- ★ If your child cuts or misses practice without an excuse, he/she will not play in the next game.
- ★ Attendance at school the day of the game/event is a requirement for participation.
- ★ Parents are expected to model good sportsmanship for their child. Negative comments and/or sounds towards the other team, arguing with the referee and/or umpire, coaches, and/or parents of the other team are not appropriate and will not be tolerated. Concerns or questions will be addressed to the coaches in a reasonable and respectful manner.

AFTER-SCHOOL PROGRAM (ACE)

Our after-school program is called "ACE" (Afterschool Community Education), and it provides supervision and enrichment activities until 6:00 p.m. on all school days. The program is academically based and offers tutoring, physical recreation, and mentoring. Tuition is based on a sliding scale, to help families afford the program. Space is limited, so submit your application to the ACE main office as soon as possible. The Shasta Meadows ACE phone number is 530-224-4184 or call the ACE office at 530-224-4223.

PARENT INVOLVEMENT

Parent Teacher Organization (PTO)

The Parent Teacher Organization meets once a month at the school site. All parents, teachers, and community members are encouraged to attend. The PTO sponsors many activities each year for the benefit of the students and the school. Some of these activities may include an annual carnival, skating parties, distributing food baskets during the holiday season, a movie night, and a family dance. The PTO organizes the main school fundraisers to help support and enhance programs and offerings at Shasta Meadows.

School Site Council

The Shasta Meadows Site Council is composed of parents, teachers, classified staff, and administration. The purpose of the council is to oversee the school's Title I program and budget the money received from the state for school improvement.

Parent Volunteers

Parents are encouraged to participate in their child's education. There are a number of ways to volunteer: assisting in the classroom, preparing materials, listening to students read, assisting with fund-raising events, and helping on class field trips. Volunteers will be utilized at the discretion of the school. For safety purposes, we ask that all parent volunteers check into the office so that we know who is on campus at all times. If you are not wearing a visitor sticker, you may expect to be asked to return to the office to receive one. Thank you for helping to create a safe environment for our students.

HOME/SCHOOL COMMUNICATIONS

Parent Newsletter-Tiger Talk

Our parent newsletter, Tiger Talk, provides a variety of information about upcoming events, dates and school policies. It is a web-based newsletter and is sent home via School Messenger phone calls and email. This communication typically goes home monthly but may be sent out more often if extraordinary circumstances arise. Please look for it, as it is one of the main modes of communication for the school. Tiger Talk is also available on our website at shastameadows.eesd.net under Resources- Principal's Communication.

Facebook

You can follow Shasta Meadows on Facebook at Shasta Meadows Elementary School. Be sure to include the word "school" in order to get the correct, active Facebook group.

School Messenger/Principal's Weekly Message

School Messenger is an automated telephone system that allows for pre-recorded messages to be sent to all of our students and staff members through the telephone and/or email. Along with our newsletters, this is one of our main modes of communication for the school. Our principal sends a message home every Sunday afternoon. If you are not receiving these messages, please contact the office to verify the accuracy of the phone number and email address we have on file.

Parent Conferences

Two conferences are scheduled during the year to share information about your child's social and academic progress. A parent/teacher conference is held in November to give you and your child's teacher the opportunity to discuss his/her progress during the 1st Trimester. You will also have the opportunity to set goals with the teacher, for your child. Another parent/teacher conference will be held in March to share the academic growth that has occurred. Minimum days are scheduled during each of these conference weeks for your convenience. Should you have a question or concern about your child at other times throughout the year, please do not hesitate to contact your child's teacher. We are always eager to communicate to ensure your child's successful education.

Report Cards

Report cards are handed out at parent conferences in November and thereafter are available online by logging into the PowerSchool Parent Portal with your unique login and password.

STUDENT ASSISTANCE Team (SAT)

When a parent, teacher, or administrator is concerned about a child's social, emotional, or behavioral progress, an SAT meeting is held. The teacher, administrator, school counselor, and parent may attend this meeting. The goal of the meeting is to develop a plan to assist the child as needed. This may involve a referral to outside community resources, a behavior plan, and/or a follow-up team meeting. A parent, teacher, and/or administrator may request an SAT meeting.

Student Study Team (SST)

When a parent, teacher, or administrator is primarily concerned about a child's lack of academic progress, an SST meeting may be held. The parent, teacher, administrator, resource specialist teacher, and any other concerned individual may attend this meeting. The goal of the meeting is to develop a plan to assist the child as needed. This may involve a referral to our Title I program or a request for in-depth testing to discover the nature of the learning difficulty. A parent, teacher, and/or administrator may request an SST.

DISCIPLINE

A Shared Responsibility

A child's education includes not only learning academics, but also learning to become a responsible member of society. At Shasta Meadows, we do this by modeling appropriate behaviors, setting consistent guidelines, recognizing positive behavior, helping students learn from mistakes, and allowing students to experience appropriate consequences for their actions.

The goal to foster responsible citizenship can only be successfully accomplished by a combined effort of the home and school. Our staff has appreciated the parental support of the school community in the past and look forward to this continued partnership in the future.

Basic Behavior Expectations

Be Safe. Be Responsible. Be Respectful. Be Ready.

Shasta Meadows School Rules

- ★ Hitting, kicking, pushing, or spitting (body contact) is not permitted.
- ★ Foul, abusive language or vulgarity is not permitted.
- ★ The school is not responsible for lost, stolen, or damaged items.
- ★ Items that are distractions to the learning environment should be left at home [examples: gum, toys, cards, electronic devices, etc.]. Items may be confiscated. Parents will need to retrieve these items. Gum is not permitted. Knives, matches, tools, etc. are not permitted.
- ★ Body contact sports are not permitted [examples: tackle football, rugby].
- ★ Balls are not to be bounced, thrown, kicked, sat on, etc. in the halls or against any part of the school building.
- ★ Balls brought from home and placed in a game are for everyone to play with: no closing a game.
- ★ Once a game is started with a ball, the person in charge of the ball may not remove the ball from the game. No closing the game to anyone who desires to play, with the exception of 20-student limit for soccer.
- ★ Hard balls, skateboards, roller blades, skate shoes, and electronic devices such as, radios, iPods, CD players are not permitted.
- ★ All snacks and food need to be eaten in the snack area.
- ★ Climbing over fences or playing in the bushes is not permitted.
- ★ When the bell rings, remember to crouch/drop to a knee and wait for the whistle to blow; then walk directly to your line and wait to be walked to class by teachers.

Classroom Discipline

Teachers have the right and responsibility to impose controls and consequences upon a student whose behavior distracts from a healthy learning situation or is in violation of classroom or teacher-imposed rules. Types of unsatisfactory conduct managed by the teacher include:

- ★ Inattention
- ★ Wasting time
- ★ Making unnecessary comments or remarks
- ★ Refusing to do assigned work
- ★ Lack of effort
- ★ Uncooperative in following instructions
- ★ Tardiness
- ★ Damaging equipment or school resources
- ★ Disrupting the learning of others

These consequences are appropriate:

- ★ Denying certain privileges granted to others
- ★ Time out (In their classroom or another classroom)
- ★ Recess detention
- ★ Conference with parents
- ★ Referral to office
- ★ Class suspension (E.C. 48910)

Playground Discipline

The same standards of behavior are expected while students are participating in a recess break. The playground supervisors are responsible for the safety and behavior of the students while on recess duty. The safety of our students is our main concern. In order to ensure the safety of all of our students, we have separate recesses for the primary grade levels and the intermediate grade levels. Our recesses are broken down by K, 1/2, 3/4/5 grade level groups.

Types of unsatisfactory conduct managed by the playground supervisors are:

- ★ Violation of a basic rule
- ★ Hands-on/Body contact
- ★ Defiance & Disrespect
- ★ Disregarding safety rules
- ★ Inappropriate language
- ★ Damaging equipment
- ★ Disrupting a game

These consequences are appropriate:

- ★ Verbal warning
- ★ Notifying the teacher of the behavior
- ★ Time out of game or activity (Recess detention)
- ★ Referral to office

Office Referral and Citation

A child is sent to the office for disciplinary action only after the classroom teacher or playground supervisor has tried a number of previous interventions or the behavior is of a violent or serious nature. Occasionally, a verbal warning will be the result of an office referral. More frequently, a referral becomes a citation and is written up describing the inappropriate action and the consequences for that action.

The consequences may include:

- ★ Parent notification
- ★ Detention/time out
- ★ Campus beautification
- ★ Home suspension
- ★ Parent conference
- ★ In-school suspension

Citations

The principal gives citations when it is determined that the referral, which describes the infraction, has been substantiated. An investigation of the infraction is made to determine if school, district, or state rules have been broken. If a rule has been broken, then the above-mentioned consequences are enforced. Parents are notified by phone for serious infractions.

Cafeteria Rules

- ★ Use correct line behavior.
- ★ Talk in a quiet voice.
- ★ Be responsible for your food and eating area. Table must be left clean.

- ★ All trash must be placed in the garbage.
- ★ Walk at all times in the cafeteria and to/from the cafeteria.

Hallway Rules

- ★ WALK quietly in designated areas.
- ★ Carry playground equipment in hallways.
- ★ Pushing, shoving, and horseplay are not allowed.
- ★ Permission is necessary (for example, a hall pass) to be in the hallways during instructional hours and recess time.
- ★ When arriving at school, go directly to the cafeteria for breakfast or to the playground if breakfast was already eaten at home. Put lunch pails, backpacks, coats, etc. at the line up area and then go directly to playground where there is supervision.
- ★ Please **do not arrive prior to 7:15** when the cafeteria opens and/or playground supervision begins. Please see page 2 “Arrival and Departure” for details about designated entry gates and campus access times as our campus is closed and locked for enhanced security.

Line Behavior

- ★ Quietly take your place at the end of the line. Please do not cut into the line ahead of others or save places for others.
- ★ Keep your hands and feet (all body parts) to yourself.
- ★ Walk quietly, in a single file line.

Restroom Behavior

- ★ Use the restroom only when necessary. Do not socialize, eat, play, or meet in the restrooms.
- ★ Keep the restrooms neat and orderly.
- ★ Please do not use restrooms or get drinks after the bell rings. You must first line up, and then get permission from your teacher.

CELL PHONES

If a student brings a cell phone to school, it is to be turned off (not just placed in silent or vibrate mode) and put in a backpack as soon as the student arrives on campus. The phone may be powered back on after the school day has ended. All content (screen saver, ring tone, pictures, music, and any web activity) must be school appropriate if the phone is used on campus, on the bus, or during field trips, sports, and any school-related activity.

Progressive Discipline for Violation of Cell Phone Policy:

1st infraction: Phone may be confiscated by school personnel and secured in the school office. The student may retrieve the phone at the end of the school day. Parent will be notified.

2nd infraction: Phone will be confiscated and only the parent or guardian may retrieve the phone from the office. Administration will contact parent and a lunch detention will be issued to student.

3rd infraction: All 2nd infraction consequences apply. Additionally, the student will no longer be allowed to have a cell phone on campus for the remainder of the year. Any further incidents will be considered willful defiance of the policy and may result in pupil suspension.

HOMEWORK

To reach the high academic goals that we have at Shasta Meadows, we need to form strong partnerships with parents. Part of that partnership is extending the classroom learning through homework each week. Please take time each night to check with your child about what they are learning. These conversations can make a difference in how they feel about their education.

Purposes of homework

- ★ Provide practice and reinforce concepts already taught in the classroom.
- ★ Develop good study habits, a positive attitude, and serve as a message to students and parents that learning takes place outside the school as well as inside the school.
- ★ Be completed independently, without parental influence except when students are struggling to complete the homework.
- ★ Increase communication between the home and school.
- ★ Promote wise planning and good time management skills.
- ★ Be necessary and useful, as well as appropriate to the ability and maturity level of students.
- ★ Be well explained and clearly understood by students and parents.
- ★ Be useful to teachers to monitor student learning toward academic standards.

We plan that students will have homework approximately four nights a week. The times listed below are guidelines. Independent reading may include reading with or to the child in kindergarten and first grade and silent reading or reading aloud in grades 2-5.

GRADE	DAILY INDEPENDENT READING	OTHER SUBJECTS
Kindergarten	10-15 minutes	10-15 minutes
First Grade	10-20 minutes	10-20 minutes
Second Grade	15-25 minutes	15-25 minutes
Third Grade	20-30 minutes	20-30 minutes
Fourth Grade	25-35 minutes	25-40 minutes
Fifth Grade	30-45 minutes	30-45 minutes

TEACHER'S RESPONSIBILITY

Teachers should ensure that:

- homework assignments are clearly explained and understood by students.
- homework is used to practice and reinforce skills taught in the classroom.
- students understand the concepts and have the skills necessary to complete the assignments independently at home.
- students are provided regular feedback on the homework assigned.
- parents have a clear understanding of their role in helping their child, the amount of time expected for students to complete the assignments, and the schedule or expectations of when work will be due.
- parents are informed when student class work is not completed and that it may affect their overall achievement.
- modifications are made when necessary.

PARENTS' RESPONSIBILITY

Parents should ensure that:

- students are provided a time and place each evening for quiet study without distractions in order to complete their work.
- children are encouraged to complete their work in a timely manner.
- children organize materials and establish a routine so that work completed is returned to school when due.
- the work your child completes is his/her own.
- they are supportive of the classroom teacher and if confused or upset with an assignment, the student will work independently with the teacher to correct the confusion.
- they are supportive and assist their child when their child becomes frustrated. This should include helping them understand how to complete the work on their own.
- communication takes place with the teacher if the work is too difficult or is requiring an excessive amount of time.

STUDENT'S RESPONSIBILITY

Students will ensure that:

- they write down the assignments due.
- assignments are clearly understood and ask questions if necessary.
- a time is set aside along with a place each evening for quiet study without distractions in order to complete their work.
- work completed is their own.
- materials are organized and a routine is established to ensure that work completed is returned to school when due.

Note: If students are exceeding the maximum minutes listed above on a regular basis, parents are encouraged to talk with the classroom teacher. If the situation is not remedied, parents are encouraged to talk with the principal. Students who do not use classroom time wisely may need to complete class work in addition to the minutes listed above.

PRINCIPAL'S RESPONSIBILITY

The Principal will:

- ensure that parents and staff are informed of the homework policy and monitor implementation and management of the policy.
- work with families to provide resources as needed to help ensure that students have the ability to complete their work at home.
- seek feedback on a regular basis from parents, students, and teachers regarding the amount of time required to complete homework assigned on a nightly basis.

Modifications

It is vital that teachers monitor homework assignments to ensure that the homework is appropriate for the students. This includes students who are struggling academically, have learning disabilities, and who find the work too easy. Examples of modifications appropriate for different types of learners follow.

For struggling students or students with learning disabilities:

- ★ shortened assignments.
- ★ additional instruction to ensure that homework is clearly understood
- ★ provide parents with appropriate ways to help their children complete their work.
- ★ awareness of the time required for students to complete the work; expectation that students will work according to the time allotted per grade level.
- ★ teach specific organizational tools to complete the work assigned.

Students who find the work easy or demonstrate successful mastery of work expected:

- ★ should not be punished with lengthened assignments or extra work.
- ★ may have altered assignments with a few problems that approach the required application differently (i.e., word problems, etc.)
- ★ may have assignments in another subject area than the area in which they have mastery.

SPECIAL PROGRAMS OFFERED AT SHASTA MEADOWS

Individual and Small Group support

Shasta Meadows staff utilizes programs designed to help children who are achieving below average in reading and/or mathematics. Students with the greatest need will receive instructional support on a one-to-one or small group basis by certificated teachers and instructional aides.

Individual Education Plan (IEP)

Students who have been identified as needing special education services may receive these services only after a parent has agreed to the testing and receiving of special services. This process is accomplished through a meeting attended by the parent, the teacher, the administrator, and/or other educational professionals. An eligibility meeting is held only when special education services are being considered; otherwise a meeting regarding a child's progress is handled through a Student Study Team.

Resource Specialist

The Resource Specialist teacher provides assistance to those students who have been identified through the IEP process as performing significantly below their academic ability. These students receive small group or one-on-one assistance for part of the instructional day.

Special Day Class

The Special Day Class serves learning-disabled students who need more support than that provided in the Resource Specialist Program (RSP). These students spend more than fifty percent of their school day in the Special Education Class as well as participate in school-wide activities.

Speech Services

A certificated speech therapist assists students at Shasta Meadows who qualify for help with speech and/or language. In addition, the speech teacher screens students and tests students referred for services. A student may not receive speech assistance without an IEP and parent consent.

ELD (English Language Development)

Students with a primary language other than English may receive additional resources to achieve student success.

District Psychologist

A district psychologist is available for testing of students, attending Student Study Team meetings and IEP's, and working with small groups of students as needed. Parent permission must be obtained before any of these services are provided.

Counseling Services

A counselor is available for students who are in need of emotional support or social needs counseling. A permission slip is required to receive this service (except in cases of emergency).

Library Services

We are eager and excited to offer outstanding library services, Monday through Friday, to both students and staff. Students will have scheduled library time with their class. The policy will be one book borrowed per student for grades K-1, two books for grades 2-3, and 3 books for grades 4-5. If a book is lost or returned damaged, the student/parent is responsible for payment to replace the book. Fines are not charged for overdue books, but we do encourage a timely return of library materials. Possible consequences for lost or damaged books include lost privileges and replacement charges. We look forward to serving your library needs.

**HEALTH SERVICES****District Nurse**

The Enterprise School District nurse is available for state-mandated vision, scoliosis and hearing tests. Students may be referred to physicians based on test results. In addition, the district nurse supports the school in emergency situations.

Health Clerk

Shasta Meadows Elementary School has a health clerk on campus each day in order to administer minor first-aid or physician required medications. In addition, the health clerk helps contact parents about the required physical for K/1 students, and maintains emergency and medical records for all students.

First-aid

First-aid, defined as immediate, temporary care given in case of an accident or sudden illness, will be given when deemed necessary. In case of an accident requiring the services of a doctor, every attempt will be made to contact the parent or guardian prior to the child being sent to the hospital. Costs for medical care and ambulance service are the parent's responsibility. Because young children can get very sick very quickly, we request that parents notify us immediately of any changes in addresses, phone numbers, and emergency contact information.

**FOOD SERVICES**

Because school funding is based on the number of students close to or below the federal poverty level, we request all parents fill out a school lunch program form. Due to the nature of the information you are providing, the completed form is kept confidential, and site staff is not privy to this information. If your circumstances change during the year – loss of a job or temporary changes in work hours, please fill out another form.

Breakfast Program

A breakfast program is offered to all students at Shasta Meadows. Breakfast is served from 7:15 until 5 minutes prior to class start time. Please make certain your child arrives early enough to eat breakfast and arrive in his/her classroom on time. A tardy slip will be issued to students entering the classroom late.

Lunch Program

Your child may bring a sack lunch to school or receive a hot lunch from our cafeteria.

2021-2022 Food Program

Shasta Meadows qualified to participate in a program called Community Eligibility Provision for the 2020-2021 school year. All students were able to eat breakfast and lunch at no charge. [We anticipate that we will be able to participate in this program in the 2021-2022 school year.]

A MESSAGE FROM THE DISTRICT

Dear Enterprise Elementary School District Families:

We are grateful that you have entrusted your child with our award-winning schools and outstanding teachers and staff members. Thank you for choosing Enterprise Elementary School District!

This Handbook for Parents, Legal Guardians, and Students for the 2021-2022 school year provides helpful information including District programs, policies, and contact information.

In order to generate a cost savings, we are again combining the Enterprise District Handbook and the Rights of Parents, Legal Guardians, and Students Booklet which provides information concerning state and federal laws that affect you and your child. This handbook includes a summary of the required laws and references to Education Code (EC), United States Code (USC), Code of Federal Regulations (CFR), California Code of Regulations (CCR), and the Health and Safety Code (HSC) and Welfare and Institutions Code (WIC). For the purpose of this handbook, "parent" refers to parents and/or guardians. Please be sure to complete all of the forms sent home with your child and return them to your child's teacher.

Again, thank you for entrusting your children to our staff. We are honored to have this opportunity to educate your children, and we welcome your participation in your child's education.

Sincerely,

Heather Armelino

EMERGENCY

EMERGENCY INFORMATION AND SCHOOL CLOSING INFORMATION [EC§49408]

IN CASE OF EMERGENCY Parents are required to provide the school with the following contact information should an emergency arise. This information must be kept current, so parents must inform the school when this information changes. The required information includes home address(es) and telephone number(s); business or employment address(es) and telephone number(s); and name(s), address(es), and telephone number(s) of one or more relative(s) or friend(s) who you authorize to care for your student in any emergency situation, including the medical caregiver, if the parent or legal guardian cannot be reached. Information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

In an emergency, we ask that you not telephone the school. Phone lines will be needed for emergency communication. The school will use its automated phone calling system to give parents instructions and updated information. Please do not drive to the school. Streets should be as open as possible for emergency vehicles. Tune your radio to any of the local radio stations. Information regarding the emergency and instructions for picking up students during or after the emergency will be given over the radio.

The Enterprise Elementary School District plans for, prepares for, and conducts emergency drills for emergency/crisis situations. Our school staff is trained to make certain the students understand emergency procedures. The safety and welfare of the students is our primary concern, especially in the event of an emergency. Personnel are trained in first aid. Your children should obey the directions of their teachers and follow the directions of the bus driver if they are on a bus. If walking or riding a bicycle, students should continue toward their destination should an emergency situation develop.

SCHOOL SAFETY PLAN [EC§§32286, 32288] Each school reviews and updates its safety plan by March 1. The plan includes an earthquake emergency procedure system and a disaster policy for buildings with a capacity of 50 or more people. Each school reports on the status of its plan and includes a description of its key elements in its annual School Accountability Report Card.

SCHOOL CLOSINGS In the event of school closure due to emergencies or inclement weather, please refer to our website, www.eesd.net and listen to KQMS radio (AM 1670, FM 105.7, FM 104.9). Please be sure to listen for Enterprise Elementary School District as Redding School District and Enterprise High School are not considered part of our district. The school will also use its automated phone calling system to give parents/guardians instructions and updated information. If inclement weather occurs after the school day has begun, school will remain open for the duration of the school day. In weather-related emergencies, you may pick up your child from school before the school day is over. If bus transportation is stopped due to weather conditions, students will remain on campus until picked up by the parent or guardian. If you have questions about our emergency preparedness programs, please contact your child's principal.

ATTENDANCE

MINIMUM AGE OF ADMISSION TO KINDERGARTEN [EC§48000] Students who are 5 years of age on or before September 1 may enroll in kindergarten. Students who turn 5 years of age between September 2 and December 2 have the opportunity to enroll in a two-year kindergarten program. The first year, called transitional kindergarten (TK), provides young 5 year olds with an opportunity to adjust to the school environment and develop strong learning skills to prepare them for the rigor of 1st grade. In TK, students are exposed to reading and math in an interactive way using varied strategies and methods. TK students may participate in kindergarten activities throughout the year and may be grouped according to developmental and academic abilities with other kindergarten students. TK students learn important skills that build on what they may have learned in preschool. Research shows how important it is that students are ready academically, socially, and emotionally for 1st grade, and that children who attend kindergarten readiness programs like TK are more likely to do well in school. All TK students will attend the two-year program unless, as reflected on the EESD Kindergarten Report Card, they excel academically and demonstrate outstanding social, emotional, and developmental skills.

MINIMUM DAYS/STAFF DEVELOPMENT DAYS [EC§48980(c)] Minimum Days are indicated on the school year calendar provided. At least one month's notice will be given if the minimum day schedule changes.

ABSENCES [EC§48200] Daily school attendance is compulsory for children aged 6-18. Please review the school calendar provided and plan activities and vacations during non-school days. No pupil whose attendance is excused shall have grades or academic credit lost if assignments and tests can be reasonably completed.

The state awards funding to school districts only for actual attendance; no longer do they fund for excused absences. However, truancy reports still rely on excused and unexcused absences. There are legal consequences if your child misses school excessively. Please call your child's school office to report his/her absence. A note and/or phone call from you must be received by the school within 72 hours to clear any excusable absences. Unexcused absences result in a recorded truancy. Per EC§48205, an elementary or secondary school pupil's absence shall be excused for the following reasons:

1. Due to his or her illness.
2. Due to quarantine under the direction of a county/city health officer.
3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
4. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California; not more than three days if outside California.
5. For justifiable personal reasons, including, but not limited to an observance of a religious holiday or ceremony, an appearance in court, attendance at a funeral service, religious retreat, an employment conference, the pupil's naturalization ceremony to become a United States citizen, or an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.

6. For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from deployment to combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
7. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child for which the school shall not require a note from a doctor.

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence. For purposes of this section, attendance at religious retreats shall not exceed four hours per semester. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments. "Immediate family," as used in this section, has the same meaning as that set forth in Section 45194, except that references therein to "employee" shall be deemed to be references to "pupil."

EXTENDED ABSENCES - INDEPENDENT STUDY PROGRAM Independent Study is available so your child can keep up with his or her school work during an extended absence of 5 or more consecutive days. Please call the school office and ask them to prepare a packet of assignments which may be picked up at the office.

TRUANCY [EC§§48260, 48260.5, 48261, 48262, 48263, 48263.5, 48263.6, 48264.5, 48291, 48293, 48320; PC270.1, 830.1; WIC601.3] The state-defined levels of truancy, and the associated penalties to students and parents, are:

- Truant: A student is truant after missing three days of school or 30-minute periods without a valid excuse.
- Habitual Truant: A student who is truant three or more times in a school year. An effort is made to meet with parents.
- Chronic Truant: A student who has missed 10 percent or more school days in a school year.
- Interventions: Students who are habitual truants or are disorderly may be referred to our Student Attendance Review Board (SARB), the district attorney's office, or the county probation department. These programs offer guidance for improving attendance or improving school behavior.
- Student Penalties for Truancy: The first instance may result in a one-day weekend class. The second may be a written warning from a peace officer that stays in the student's records. The third may result in being referred to SARB or a district attorney program. The fourth places the student within the jurisdiction of the juvenile court, and the student may become a ward of the court.
- Parent Penalties for Truancy may include a fine or imprisonment.

The attendance clerk or designee making the referral of a student to SARB or the probation department will notify the parent in writing and include the name and address of the SARB or probation department to which the matter has been referred and the reason for referral. The notice shall indicate that the student, parent, and referring person is required to meet with the SARB or the probation officer to consider a proper disposition of the referral.

SCHOOL ATTENDANCE REVIEW BOARD (SARB) SARB is a multi-disciplinary team that meets to explore options that may have been overlooked or unknown in attempts by the school or parents to resolve behavior or attendance problems. The guidelines for SARB are set forth in Ed Code, and school districts must adhere to these guidelines.

ATTENDANCE SARB Total unexcused absences may be any combination of full day unexcused and/or unexcused tardiness over 30 minutes. Unexcused tardiness over 30 minutes includes both coming to school late and leaving school early. An initial notification of truancy or excessive absences can be sent after 3 unexcused or 10 excused absences; a second notification is sent after 5 total unexcused absences or 12 total excused absences; a third notification is sent after 7 total unexcused absences or 15 total excused absences. The third notification, sent to notify parents/guardians of the date, time, and location of the local SARB board, is copied to the County SARB board. Parents and the student are required to attend the SARB meeting which generally takes 30 minutes, and at the

conclusion, a SARB contract is fashioned, and a copy is provided to all parties. Should the contract be violated, *i.e.*, there are any more unexcused absences or excessive excused absences), the fourth notification letter is sent to the parent/guardian and the parent/guardian may be referred to the District Attorney's Office for prosecution.

BEHAVIOR SARB An initial notification is sent at the discretion of the administrator when the student's misbehavior has become habitual and irresolvable at the classroom level. A parent meeting will be scheduled and held regarding the behavior issue. A second notification is sent at the discretion of the administrator after the first letter/efforts fail to address the student's behavior problem. This letter serves to notify parents/guardians of the time, date, and location of the SARB hearing. The SARB Board will evaluate the student's school placement, and a contract may be fashioned at/after the hearing.

SARB OUTCOMES It is the desire of the District and the SARB Board that a solution to attendance and/or behavior issues can be identified and implemented. Parents/Guardians of students who continue to have poor attendance following the SARB hearing may be referred to the Districts Attorney's Office for prosecution. Students on an IEP or 504 are subject to SARB as per ED Code.

SARB APPEALS Families may appeal a local SARB at the county level. Requests for an appeal must be submitted to the Shasta County SARB Office within 10 calendar days of the date of the original SARB hearing, and the appeal may not be based solely on one's dissatisfaction with the decision of the local SARB; appeals will be heard only if it appears that there was a breach of due process.

INTERDISTRICT AND INTRADISTRICT ENROLLMENT [EC§§35160.5, 46600-46611, 48204, 48206.3, 48300-48315, 48980] If you wish for your child to attend another school in our District, please complete an Intradistrict Transfer Form which is available at the school office. Our district also allows students to transfer to or from other districts (interdistrict). For more information on these transfers, enrollment options, and alternative schools, and their associated forms, please contact the district office at 530-224-4100.

CHILDREN OF MILITARY SERVICE MEMBERS - RESIDENCY [EC §§48204.3] A student complies with a school district's residency requirements for school attendance if the student's parent is transferred or is pending transfer to a military installation within the state boundaries of the school district while on active military duty pursuant to an official military order. School districts must accept applications by electronic means for enrollment, including enrollment in a specific school or program within the district, and for course registration. The parent must provide proof of residency in the school district within 10 days after the published arrival date provided on official documentation.

A student from an active duty military family who is transitioning between school grade levels must be allowed to continue in the school district of origin and in the same attendance area of his/her school of origin. If the student is transitioning to middle school or high school, and the school designated for matriculation is in another school district, the local educational agency must allow the student to continue to the school designated for matriculation in that school district. The new school must immediately enroll the student, even if the child has outstanding fees, fines, textbooks, or other items or moneys due to the school last attended or if the student is unable to produce clothing or records normally required for enrollment.

If the parent/guardian's military service ends during the school year, then the student is allowed to stay in his/her school of origin for the remainder of the school year if he/she is in grades 1-8, or through graduation if the student is in high school.

RESIDENCY RETENTION FOR MIGRATORY CHILDREN [EC §§54441] Currently migratory children, who are enrolled in a school district due to a parent's or immediate family member's temporary or seasonal employment in an agricultural or fishing activity, as defined by Education Code section 54441, must be allowed to continue in their schools of origin, regardless of any change of residence during that school year, for the duration of their status as migratory children. When a student's status as a migratory child changes during the school year, the school district must: (1) allow K-8th graders to continue in their schools of origin for the remainder of that school year; and (2)

allow 9-12th graders to continue in their schools of origin through graduation. Migratory children and their parents/guardians must be informed of the impact that remaining in their schools of origin will have on their eligibility to receive migrant education services.

RESIDENCY RETENTION FOR THE STUDENTS OF DETAINED OR DEPORTED PARENTS [EC §§48204.4] Students retain residency in a school district, regardless of the students' current residency, when both of the following requirements are met: (1) The student's parent or guardian has departed California against his or her will, and the student can provide official documentation evidencing the departure; and (2) The student moved outside of California as a result of his or her parent or guardian leaving the state against his or her will, and the student lived in California immediately before moving outside the state. The student must provide evidence of enrollment in a California public school immediately before moving outside the state.

Deported parents may designate another adult to attend school meetings and to serve as an emergency contact. No charges or fees of any kind, as allowed under Education Code section 48050, may be required for admission or attendance in these circumstances.

IMMIGRATION ENFORCEMENT - "KNOW YOUR RIGHTS" [EC §§234.7] All students have the right to a free public education, regardless of immigration status or religious beliefs. For more information, please see the resources developed by the California Attorney General at <https://www.oag.ca.gov/immigrant/rights>

ATTENDANCE WHERE CAREGIVER RESIDES [EC §§48204(d), 48980(h)] Your child may attend the school district of his/her caregiver's residence if your child lives with a caregiver, as defined by law. An affidavit, sworn under penalty of perjury, by the caregiving adult is required to determine that your child lives in the caregiver's home.

ATTENDANCE IN DISTRICT IN WHICH PARENT OR GUARDIAN IS EMPLOYED [EC §§48204(b)(f), 48980(i)] Your child may attend school in the school district where you or your spouse is employed for at least 10 hours per week. If interested, call the district or school office for information.

ATTENDANCE IN DISTRICT WHEN LIVING AT PARENTS' PLACE OF EMPLOYMENT FOR MINIMUM OF 3 DAYS DURING THE SCHOOL WEEK [EC §48204(a)(7)] Parents may apply for enrollment of their child in a school district in which the parent is employed, and where the parent and child live at the parent's place of employment minimum of 3 days during the school week.

INDIVIDUALIZED INSTRUCTION/TEMPORARY DISABILITY (EC §§48206.3, 48207-48208) Individualized instruction either: (1) at home, provided by the school district in which the student resides; or (2) in a hospital or other residential health facility, excluding state hospitals, is available to students with temporary disabilities whose disability makes attendance in the regular day classes or alternative education program in which the student is enrolled impossible or inadvisable. Parents of students hospitalized or with a temporary disability should notify the school district where the student receives care if an individualized instruction program is desired.

"Temporary disability" means a physical, mental or emotional disability incurred while a student is enrolled in regular day classes or an alternative education program to which the student can reasonably be expected to return. "Temporary disability" does not include a disability that would qualify a student as a "student with exceptional needs" under Education Code section 56026.

A student with a temporary disability who is in a hospital or other residential health facility, excluding a state hospital, which is located outside of the school district in which the pupil's parent or guardian resides shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. Once the parent has notified the district in which the hospital is located of the student's presence in the qualifying hospital, the district has five working days to notify the parent if individualized instruction shall commence within five working days.

Individual instruction in a student's home must commence no later than five working days after a school district determines that the student shall receive this instruction.

When a student receiving individual instruction is well enough to return to school, she/he must be allowed to return to the school that she/he attended immediately before receiving individual instruction was initiated.

Students enrolled in individual instruction in a hospital or other residential health facility for a partial week, are entitled to attend school in his/her school district of residence, or to receive individual instruction provided by the school district of residence in the student's home, on days in which he or she is not receiving individual instruction in a hospital or other residential health facility, if she/he is well enough to do so.

Absences from the student's regular school program due to the student's temporary disability are excused until the student is able to return to the regular school program. (Ed Code §§ 48206.3(b)(2), 48207, 48207.3, 48207.5, 48208, and 48240(c).)

NOTICE OF ALTERNATIVE SCHOOLS [EC§58501] State law authorizes all school districts to provide for alternative schools. The Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to: (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy. (b) Recognize that the best learning takes place when the student learns because of his desire to learn. (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects. (d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process. (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located. In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district.

INSTRUCTION

TEXTBOOKS AND LIBRARY BOOKS Our district receives money from the state to purchase new curriculum. Textbooks cost up to \$85 each and are expected to last until the next textbook adoption cycle. It is the student's and the parent's responsibility to ensure books are not lost or damaged. All students will be allowed to take textbooks and library books home and parents will be liable for their replacement costs if lost or damaged. However, if a parent wishes that their child NOT be permitted to take textbooks and/or library books home, the parent must write a letter indicating their wishes, to the Office of the Superintendent, 1155 Mistletoe Lane, Redding, CA 96002.

PROSPECTUS OF SCHOOL CURRICULUM [EC§49091.14] The curriculum of every course offered by the schools of the district is compiled annually in a prospectus which is available for review upon request at each school site. Copies are available upon request for a reasonable fee not to exceed the actual copying cost.

TEACHERS [NCLB, 20 USC §§6301] Upon request, parents have a right to information regarding the professional qualifications of their student's classroom teachers, paraprofessionals, and aides. This includes whether the teacher meets the state qualifications and licensing criteria for the grades and subjects s/he teaches, whether the teacher is teaching under an emergency permit or other provisional status because of special circumstances, the teacher's college major, whether s/he has any advanced degrees and the subject(s) of those degrees, and whether any instructional aides or paraprofessionals provide services to your child and, if so, their qualifications. Districts shall also notify parents if their child has been assigned to or has been taught for 4 or more consecutive weeks by a teacher who is not highly qualified.

EMPLOYEE CODE OF CONDUCT - INTERACTION WITH STUDENTS [EC §§44050] The educator strives to help each student realize his/her potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals. In fulfillment of the obligation to the student, the educator:

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning
2. Shall not unreasonably deny the student access to varying points of view
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety
5. Shall not intentionally expose the student to embarrassment or disparagement
6. Shall not on the basis of race, color, creed, gender, national origin, marital status, political or religious beliefs, family, social, or cultural background, or sexual orientation, unfairly:
 - a. Exclude any student from participation in any program
 - b. Deny benefits to any student
 - c. Grant any advantage to any student
7. Shall not use professional relationships with students for private advantage
8. Shall not disclose information in the course of professional service unless disclosure serves a compelling professional purpose or is required by law

STUDENT USE OF TECHNOLOGY

RESPONSIBLE USE AGREEMENT AND RELEASE OF DISTRICT FROM LIABILITY (STUDENTS)

The Enterprise Elementary School District authorizes students to use technology owned or otherwise provided by the district as necessary for instructional purposes. The use of district technology is a privilege permitted at the district's discretion and is subject to the conditions and restrictions set forth in applicable Board policies, administrative regulations, and this Responsible Use Agreement. The district reserves the right to suspend access at any time, without notice, for any reason.

The district expects all students to use technology responsibly in order to avoid potential problems and liability. The district may place reasonable restrictions on the sites, material, and/or information that students may access through the system.

Each student who is authorized to use district technology shall have on file at his/her school acknowledgement of receipt of this Enterprise Elementary School District Acceptable Use Agreement and Release of District from Liability, signed by his/her parent/guardian (and student, where applicable) as an indication that they have read and understand the agreement.

District technology includes, but is not limited to, computers, Chromebooks, the district's computer network including servers and wireless computer networking technology (Wi-Fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal

digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally-owned equipment or devices.

STUDENT OBLIGATIONS AND RESPONSIBILITIES Students are expected to use district technology safely, responsibly, and for educational purposes only. The district reserves the right to monitor all online communications for improper use. The student in whose name district technology is issued is responsible for its proper use at all times. Students shall not share their assigned online services account information, passwords, or other information used for identification and authorization purposes, and shall use the system only under the account to which they have been assigned.

Students are prohibited from using district technology for improper purposes, including, but not limited to, use of district technology to:

- encourage the use of drugs, alcohol, or tobacco, nor shall they promote unethical practices or any activity prohibited by law or district policy.
- access, post, submit, publish, or display harmful or inappropriate matter that is libelous, threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs. A special exception for access may be made for hate literature if both the teacher and the parent/guardian provide approval prior to the start of the project and the purpose of such access is to conduct research.
- email using district technology unless it is for educational assignments as directed by the teacher to communicate with adults and other students regarding their learning activities. Students are expected to keep messages brief and use appropriate language and shall not read mail or files intended for other users; they shall not attempt to interfere with other users' ability to send or

The district reserves the right to monitor and record all use of district technology, including, but not limited to, access to the Internet or social media, communications sent or received from district technology, or other uses. Such monitoring/recording may occur at any time without prior notice for any legal purposes including, but not limited to, record retention and distribution and/or investigation of improper, illegal, or prohibited activity. Students should be aware that, in most instances, their use of district technology (such as web searches and emails) cannot be erased or deleted. All passwords created for or used on any district technology are the sole property of the district. The creation or use of a password by a student on district technology does not create a reasonable expectation of privacy.

PERSONALLY-OWNED DEVICES A student who uses a personally-owned device to access district technology, shall abide by all applicable Board policies, administrative regulations, and this Acceptable Use Agreement. Any such use of a personally-owned device may subject the contents of the device and any communications sent or received on the device to disclosure pursuant to a lawful subpoena or public records request.

REPORTING A student who becomes aware of any security problem (such as any compromise of the confidentiality of any login or account information) or misuse of district technology, shall immediately report such information to the teacher or other district personnel. A student who receives any message that is inappropriate or makes them feel uncomfortable will promptly disclose the message to their teacher or other school employee.

CONSEQUENCES FOR VIOLATION Violations of the law, Board policy, or this agreement may result in revocation of a student's access to district technology and/or discipline, up to and including suspension or expulsion. In addition, violations of the law, Board policy, or this agreement may be reported to law enforcement agencies as appropriate.

PARENT/GUARDIAN ACKNOWLEDGEMENT Parent/guardian signature on the acknowledgement gives permission for his/her child to use district technology and/or to access the school's computer network and the Internet, and acknowledges that parent/guardian has read, understands, and agrees that his/her child shall comply with the terms of the Responsible Use Agreement. Parent/guardian agrees to release from liability, indemnify, and hold harmless the school, district, and district personnel against all claims, damages, and costs that may result from his/her child's use of district technology or the failure of any technology protection measures used by the district. Further, parent/guardian accepts full responsibility for supervision of his/her child's use of his/her access account if and when such access does not take place in the school setting.

IMPERSONATION ON THE INTERNET [PC§528.5] Pretending to be a real person other than yourself on the Internet or through other electronic methods to harm, intimidate, threaten or defraud is punishable by a \$1,000 fine or imprisonment for up to one year.

GIFTED AND TALENTED PROGRAM The gifted and talented program has been incorporated into the regular school day. All students have the opportunity to participate in various activities designed to expand their academic strengths. In addition, we encourage students to participate in after-school clubs to strengthen their skills and to delve into areas of interest.

FINE ARTS EESD has a proud tradition of valuing the importance of visual and performing arts education. Because the arts enhance the academic and socio-emotional development of children, we continue to include dance, music, theatrical experiences, and visual arts throughout the K-8 continuum. Students receive fine arts instruction throughout the year. The curriculum is articulated – each grade level building on the knowledge learned the prior year. Examples of our fine arts education include:

- Parsons Junior High School offers students the opportunity to be involved in Beginning, Intermediate, Advanced, or Jazz Band, (these bands have received top honors in competitions throughout the state), or for vocalists, award-winning vocal performance groups, Music in Motion and Special Concepts,

(recognized for excellence in both state and local venues), and additionally, Parsons offers Concert Choir and Star Choir.

- At Mistletoe, the music program encompasses a wide range of experiences, including K-5 weekly music appreciation classes, 4th and 5th-grade choir, 5th-grade band, 6-8 Bulldog Show Choir (vocal/dance performing group), 6-8 Advanced Choir, and 6-8 Bulldog Band. In addition, Mistletoe offers an after-school Art Club and an Art elective for 6-8 grades. Within classrooms, students interact with a wide range of visual and performing arts experiences, enjoy practicing towards key performances, and learn essential skills that serve to enhance their overall development as children.
- Boulder Creek provides many wonderful opportunities for each student to develop and discover his or her musical talents. Every middle school student at Boulder Creek School has the opportunity to take part in either choir or a guitar class. For students who enjoy instrumental music, Boulder Creek's band program offers a year-long program with instruction in most wind instruments and percussion. Instruments are loaned to students, allowing students the chance to learn an instrument, be a member of a team, and perform. Band also prepares students for the high school's advanced band.

TITLE I PROGRAM The federally-funded Title I program is designed to improve the academic achievement of disadvantaged students. Title I funds are used to provide eligible students with supplemental services to reinforce the core curriculum and to assist students in attaining proficiency on state academic standards and assessments. All of our schools receive this funding. Students receive assistance through interventions provided in the regular classroom or in small group settings. Parents are notified if their child is in need of an intervention and will be asked to give permission if this additional help takes the student out of class.

AFTER SCHOOL PROGRAMS Each of our schools has an after-school program where activities are available until 6:00 p.m., each school day. Services are based on goals and objectives that align with district and state standards. Enrichment and recreational activities are offered on a regular basis. Students must be enrolled in one of the participating school sites to attend these programs. For additional information on the after-school program, contact your child's principal.

CAREER COUNSELING [EC§221.5] When students are provided career counseling and course selection opportunities, all students are provided equal services. Parents may participate in counseling sessions.

LIMITED ENGLISH PROFICIENT STUDENTS [EC§§52163, 52164.1, 52164.3, 52173, T5 11303, USC Title 20 6312] Notification will be given to parents of limited English proficient students regarding limited English proficiency programs including the reasons for the identification of the student as limited English-proficient, the need for placement in a language instruction educational program, the student's level of English proficiency, how the level was assessed, the status of the student's academic achievement, the methods of instruction used in the programs available, how the recommended program will meet the student's needs, program performance, parent options to remove a student from a program and/or to decline initial enrollment, and expected rate of transition into classrooms not tailored for limited English-proficient students.

ENGLISH LANGUAGE EDUCATION [EC§305-310] State law requires that when parents/guardians of 30 or more students at a school or 20 or more students in any grade level at a school request a particular language acquisition program, the District shall offer that program at the school site to the extent possible. In the structured English immersion program, nearly all classroom instruction shall be provided in English, but with the curriculum and presentation designed for students who are learning English.

PHYSICAL EDUCATION AND SPORTS [EC§49475, 60800] The District recognizes the positive benefits of physical activity on student health and academic achievement and provides all students the opportunity to be physically active on a regular basis through physical education (PE) instruction. The PE program provides a minimum of 200 minutes of PE every 10 days. Students with disabilities are provided instruction in PE in accordance with their individualized education program or Section 504 accommodation plan. PE instruction is delivered by appropriately credentialed teachers who may be assisted by instructional aides, paraprofessionals, and/or volunteers. Students in grades 5 and 7 are given a standardized physical fitness test as required by EC§60800. In addition to PE classes, a

variety of sports activities are offered at each school. Parents and students are encouraged to review the information on concussions and head injuries included in the HEALTH section of this handbook.

SEXUAL HEALTH INSTRUCTION 7th & 8th Grade - California Healthy Youth Act (EC 51930-51939)

The purpose of the CHYA is as follows:

- To provide students with the knowledge and skills related to recognizing, building, and maintaining healthy relationships that are based on mutual affection and free from violence, coercion and intimidation. This includes teaching decision-making and communication skills and helping students understand the value of and prepare for committed relationships, such as marriage. It also includes information about unhealthy behaviors and risks to their health, such as sexual harassment, sexual assault, intimate partner violence, and sex trafficking. (EC §§ 51930(b); 51933(f), (g), (h); 51934(a)(10))
- To provide pupils with the knowledge and skills necessary to protect their sexual and reproductive health from HIV and other sexually transmitted infections and from unintended pregnancy;
- To promote understanding of sexuality as a normal part of human development;
- To ensure pupils receive integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention instruction.

The law requires that this content be taught once in middle school and once in high school. It is the policy of the Enterprise Elementary School District that this instruction will not extend beyond these required grades. The curriculum is divided so that sex trafficking prevention is taught in 7th grade, and sexual health and HIV prevention are taught in 8th grade.

This information may be presented by school personnel and/or an outside organization or guest speaker in individual classrooms, combined classes, or assemblies and will align with and support the purposes of the California Healthy Youth Act and not be in conflict with them. (EC § 51933 (c) Abstinence from sexual activity and injection drug use shall be taught within the context of comprehensive sexual health and HIV prevention education (EC 51934[3]); however, abstinence-only education is not permitted in California public schools.

The Enterprise Elementary School District respects the rights of parents to make decisions about how they to supervise their children's education on this subject matter. Parents/guardians shall be notified in writing at least 14 days before students are offered any instruction in which human reproductive organs and their functions, processes, or diseases are described, illustrated, or discussed. This notification shall inform parents/guardians that they may request in writing that their child not attend the class. No student shall attend such instruction if the school receives this request prior to the start of the class. (Education Code 51550, 51820) At the parent/guardian's request, any student may be excused from any part of sexual health instruction. (Education Code 51240). All materials used for the above instruction shall be available for inspection by parents/guardians at reasonable times and places prior to the onset of instruction. The above notification shall inform parents/guardians of their right to inspect these materials. (Education Code 51550, 51820)

To parents of fifth grade students: Districts must notify parents if students are provided classes in which human reproductive organs and their functions and processes are described, illustrated, or discussed. Parents may submit a written request to their child's school office if they want their child to be excused from such classes. If written notice to exclude a child is not received prior to the start date of the class, the child will be allowed to attend the class. The materials in this area of instruction are available to parents for previewing. Parents will be notified prior to the parent preview night of the date, time and location. District nurses are available by telephone (530-224-4100) to discuss the content or answer any questions.

HEALTH INSTRUCTION-CONFLICTS WITH RELIGIOUS TRAINING AND BELIEFS [EC§51240] Upon written request of a parent, students shall be excused from the part of any school instruction in health if it conflicts with the religious training and beliefs of a parent.

INSTRUCTION/INFORMATION ON SEXUAL HARASSMENT The Superintendent or designee ensures that all district students receive age-appropriate instruction and information on sexual harassment including what acts and behavior constitute sexual harassment, and the fact that sexual harassment could occur between people of the same gender, a clear message that students do not have to endure sexual harassment, encouragement to report observed

instances of sexual harassment, even where the victim of the harassment has not complained, and information about the person(s) to whom a report of sexual harassment should be made. Any student who feels that s/he is being or has been subjected to sexual harassment shall immediately contact his/her teacher or any other employee. A school employee to whom a complaint is made shall report it to the principal or designee within 24 hours of receiving the complaint. Any school employee who observes any incident of sexual harassment involving a student shall report this observation to the principal or designee, whether or not the victim files a complaint. In any case of sexual harassment involving the principal or any other district employee to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall report to the Office of the Superintendent or designee. The Superintendent, principal, or designee to whom a complaint of sexual harassment is reported shall immediately investigate the complaint in accordance with administrative regulation. If the investigator finds that sexual harassment occurred, s/he shall take prompt, appropriate action to end the harassment and address its effects on the victim. The Superintendent, principal, or designee shall also advise the victim of any other remedies that may be available. Where required, the matter may be referred to law enforcement authorities.

ANNUAL STANDARDIZED TESTING AND REPORTING Each year, the District administers standardized testing. This testing includes: 3rd-8th and 11th grade testing in Language Arts and Math; 5th, 8th and 11th grade testing in Science. The testing window is 15 instructional days that includes 6-8 testing days. Each year, parents and guardians will be notified regarding their student's participation in the CAASPP assessment system. A parent/guardian may submit to the school annually a written request to excuse his/her child from any/all parts of any test. District employees may discuss the testing program with parents/guardians, and may offer information on the availability of exemptions under EC 60615. However, the District and its employees shall not solicit or encourage any written exemption request on behalf of any student or group of students. (5 CCR 852). Within 20 days of receiving the results of the standardized achievement tests, parent/guardians will be notified of the results of the tests, the purpose of the tests, and the individual score and intended use. If you have any questions, contact the site Principal.

SPECIAL EDUCATION SERVICES

SPECIAL EDUCATION (IDEA) State and federal law requires that a free appropriate public education (FAPE) in the least restrictive environment be offered to qualified pupils with disabilities ages 3 through 21 years. More information concerning student eligibility, parental rights and procedural safeguards is available upon request.

SPECIAL EDUCATION; CHILD FIND SYSTEM [EC§§56300, 56301] Any parent suspecting that a child has exceptional needs may request an assessment for eligibility for special education services through the school principal. Policy and procedures shall include written notification to all parents of their rights.

SPECIAL EDUCATION COMPLAINTS [5 CCR§3080] State regulations require the district to establish procedures to deal with complaints regarding special education. If you believe that the district is in violation of federal or state law governing the identification or placement of a special education student, or similar issues, you may file a written

complaint with the district. State regulations require the district to forward your complaint to the State Superintendent of Public Instruction. Procedures are available from your school principal.

SECTION 504/DISABLED PUPILS [Rehabilitation Act of 1973§504] Federal law requires districts to annually notify disabled pupils and their parents of the district's non-discriminatory policy and duty under Section 504 of the Rehabilitation Act.

HEALTH SERVICES

The district employs registered nurses who evaluate students' health needs (including vision, hearing, dental, growth and development, scoliosis screening, etc.). District nurses provide direct health services to students and staff, and serve as a resource for health care referrals to various community programs. Health-related concerns should be directed to the district nurses. The district also employs both health and student services clerks who provide first aid care, assist students with medication, and maintain health records under the direction of the district nurses. Your child may be exempt from physical examination if you file a written statement with the school principal stating that you will not consent to routine physical exam of their child. However, whenever there is good reason to believe the child is suffering from a recognized contagious disease, the child will be excluded from school attendance.

IF YOUR CHILD IS ILL [EC§49451] A child may be sent home if s/he is believed to be suffering from a contagious or infectious disease. Students will be sent home if they have a temperature of 100 degrees or higher and must stay home until they are symptom free for 24 hours without the use of fever reducing medications such as Tylenol® or ibuprofen. Students with vomiting/diarrhea will be sent home and must stay home until they are symptom free for 24 hours without symptom reducing medications or with physician release. Students who develop an infection requiring antibiotics may not return to school until after being on the medication for 24 hours or if a student has a written release from a physician. If you keep your child home from school due to symptoms of a contagious disease, please notify the school office as soon as possible.

KINDERGARTEN AND FIRST GRADE PHYSICAL EXAM [EC§§49450; HSC 124085, 124100, 124105, 120475] For each first grade student enrolling in school, parents are required by state law to present certification signed by a physician that states the child has received a physical examination within the past 18 months. You may wish to contact the Shasta County Health Department, who, through the Child Health and Disability Prevention Program (CHDP), may be able to provide a physical exam for your child at no cost to you. If you do not provide the certification, you must file a waiver at the school stating your reasons for noncompliance. Your child may be sent home if you fail to provide the certificate or waiver, and if your child is suspected to be suffering from a contagious disease.

KINDERGARTEN AND/OR FIRST GRADE ORAL HEALTH ASSESSMENT [EC§49452.8] Parents must have their child's oral health assessed by a licensed dentist or licensed dental health professional by May 31 of the student's first year of school. Assessments within the 12 months before the child enters school also meet this requirement.

FLUORIDE APPLICATION Pursuant to HSC§104830-104865, your child may receive the topical application of fluoride, including fluoride varnish, or other decay-inhibiting agent to the teeth during the school year. If offered,

parents must consent to the treatment on behalf of a minor child. This District does not provide fluoride application. Consult your dentist for more information.

IMMUNIZATIONS [HSC §§120370(a)(2), 120372(a), 120325, 120335, 120440; EC§§48216, 49403] Your child must be immunized against certain diseases before being admitted to school, unless exempted for medical reasons. January 1, 2016 was the deadline for parents to exempt their children from required immunizations based on their religious or personal beliefs. Students who had a signed waiver based on religious or personal beliefs on file by January 1, 2016, are exempt from the immunization requirement until they complete the “grade span” they were in as of January 1, 2016. Grade spans are: (1) birth through preschool, (2) Kindergarten through 6th grade, and (3) 7th through 12th grade. Students who entered the District for the first time, or who advanced to 7th grade, after July 1, 2016 are no longer exempt from immunizations based on religious or personal beliefs. Students who have a medical exemption issued before December 31, 2020 will be allowed continued enrollment until they enroll in the next grade span. As of January 1, 2021, the District will only accept medical exemptions that are submitted on the California Department of Public Health’s standardized, statewide medical exemption certification form. (Health and Safety Code §§120370(a)(2) and 120372(a).)

Parents must provide documentation that their child has been fully immunized against diphtheria, pertussis (whooping cough), tetanus, poliomyelitis, measles, mumps, and rubella, and varicella (chickenpox) (students must be immunized for varicella or provide proof from a doctor stating child has had the disease), or the child may not be admitted to school. In addition, all students entering 7th grade must provide proof of the T-dap booster immunization. The required immunizations are available from the County Health Department, a physician, or may be administered by a healthcare practitioner acting under the direction of a physician. If an outbreak of a communicable disease occurs at a school, any non-immunized student will be excluded for his/her own safety until such a time as directed by health officials or district administration. Parents or guardians may refuse to allow the sharing of personal information related to their child's immunization records by notifying the County Health Department listed in this section.

MEDICATION [EC§49423] Any student who must take prescribed medication at school and who desires assistance of school personnel must annually submit a written statement of instructions from the physician and a parental request for assistance in administering the medication. Students may carry and self-administer prescription auto-injectable epinephrine and/or inhaled asthma medication upon the school's receipt of specified written confirmation and authorization from the student's parent and physician or surgeon. The parent/guardian shall provide for his/her child any and all specialized medical equipment and/or supplies required for their child as it relates to a specialized health condition or administration of medication(s). The District shall only provide specialized equipment that is used at school and that is needed to implement a student's IEP or Section 504 Plan.

CONTINUING MEDICATION REGIMEN [EC§49480] Parents of any student on a continuing medication regimen for a non-episodic condition shall inform the school nurse or other designated certificated school employee of the medication(s) being taken, the current dosage, and the name of the supervising physician. With the consent of the parent, the school nurse may communicate with the physician and may counsel with school personnel regarding the possible effects of the drug on the child's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose.

SCOLIOSIS SCREENING [EC§49452.5] Between grades 6 and 8, your child may be screened for scoliosis (curvature of the spine), unless you submit a written denial of consent.

VISION AND HEARING APPRAISAL [EC§49455] The district is required to appraise each student's vision upon initial enrollment and every third year thereafter until the student completes the 8th grade. The appraisal shall include tests for visual acuity and color vision; however, color vision shall be appraised once and only on male students. The evaluation may be waived upon presentation of a certificate from a physician, surgeon, physician's assistant, or optometrist setting out the results of a determination of the student's vision, including visual acuity and color vision. In addition, the District will periodically test students for hearing deficiencies.

GUIDELINES FOR MANAGEMENT OF LIFE-THREATENING ALLERGIES [EC§49403, 49414, 49423, 49423.5, 4923.6., CCR 8:5193] Anaphylactic reactions, most often caused by exposure to substances to which a student is allergic, can be life threatening. The sources of these allergens are typically food, medicines, insects and latex. When a student has a life-threatening allergy, it is the responsibility of the parent or guardian to inform the school staff of the student's allergic condition. The student's physician will establish specific treatment procedures and provide these to the school. School staff will be made aware of these procedures and be knowledgeable about the location of necessary medications and their administration. Staff members are trained to recognize the reactions, follow the written procedures, and be aware of the District's guidelines regarding life-threatening allergies. District staff will work with parents/guardians on an individual basis to accommodate the needs of the student with allergies/potential anaphylactic reactions. The goal for these students is to diminish the risk of accidental exposure to their specific allergens.

GUIDELINES FOR USE OF EMERGENCY EPINEPHRINE AUTO INJECTORS/ MANAGEMENT OF UNDIAGNOSED ANAPHYLAXIS [EC§49414; SB 1266] Current law requires schools to provide emergency epinephrine for individuals who may be experiencing anaphylaxis. Anaphylaxis is a severe allergic reaction which can occur after exposure to an unknown food, an insect sting or even (rare) after exercise. School nurses or trained personnel may use epinephrine auto-injectors to provide emergency medical aid to persons suffering, or reasonably believed to be suffering, from an anaphylactic reaction. Contact health services for more information.

CONCUSSION [EC§49470-49475] A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious. Signs and symptoms of a concussion can show up immediately after the injury or may not appear or be noticed until days or weeks after the initial injury. In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. Signs and symptoms of concussion include: headache, nausea or vomiting, dizziness or balance difficulties, double or blurred vision, sensitivity to light and/or noise, feeling sluggish, hazy, foggy, or groggy, difficulty concentrating, confusion, memory difficulties, or not "feeling right." An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs: loss of consciousness (even briefly), appears dazed or confused, presents with difficulty with balance, memory, or has behavioral changes, has unequal pupil size, is drowsy or cannot be awakened, has a headache that gets worse, complains of weakness or numbness, is nauseous or vomiting, has slurred speech, or has seizures. Rest is key to recovering from a concussion or head injury. Avoid exercising or activities that involve a lot of concentration such as studying, playing video games, and working on the computer. While most athletes with a concussion recover quickly and fully, some will have symptoms that last for days, weeks, or even months. Repeated concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to the brain and can be fatal. If you notice any signs and symptoms listed above following a blow, bump, or jolt during practice or a game, notify the coach immediately. When your child signs up to play a sport, school staff will provide a Sports Handbook. Please refer to the Sports Handbook for additional information on concussions.

SUDDEN CARDIAC ARREST INFORMATION Cardiac arrest caused by a cardiac arrhythmia will suddenly stop blood flow to the brain, causing the victim to lose consciousness. A few seconds after the heart stops pumping blood, the brain will stop telling the body to breathe. If someone is in cardiac arrest, 911 will be called and CPR begun. Please refer to the Sports Handbook for additional information.

TYPE 2 DIABETES INFORMATION [EC§49452.7] Type 2 diabetes is the most common form of diabetes in adults, and until a few years ago, type 2 diabetes was rare in children, but it is becoming more common, especially for overweight teens. According to the US Centers for Disease Control and Prevention (CDC), one in three American children born after 2000 will develop type 2 diabetes in his or her lifetime. Type 2 diabetes affects the way the body is able to use sugar (glucose) for energy. The body turns the carbohydrates in food into glucose, the basic fuel for the body's cells. The pancreas makes insulin, a hormone that moves glucose from the blood to the cells. But in type 2 diabetes, the body's cells resist the effects of insulin, and blood glucose levels rise. Over time, glucose reaches

dangerously high levels in the blood, which is called hyperglycemia. Hyperglycemia can lead to health problems like heart disease, blindness, and kidney failure.

RISK FACTORS ASSOCIATED WITH TYPE 2 DIABETES It is recommended that students displaying or experiencing the following risk factors and/or warning signs associated with an increased risk of type 2 diabetes be screened for the disease:

- The single greatest risk factor for type 2 diabetes in children is excess weight. In the US, almost one out of every five children is overweight. The chances are more than double that an overweight child will develop diabetes.
- Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease.
- Being inactive further reduces the body's ability to respond to insulin.
- Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type 2 diabetes.
- Young people in puberty are more likely to develop type 2 diabetes than younger children, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

WARNING SIGNS AND SYMPTOMS ASSOCIATED WITH TYPE 2 DIABETES Warning signs and symptoms of type 2 diabetes in children develop slowly, and initially there may be no symptoms. However, not everyone with insulin resistance or type 2 diabetes develops these warning signs, and not everyone who has these symptoms necessarily has type 2 diabetes.

- Increased hunger, even after eating
- Unexplained weight loss
- Increased thirst, dry mouth, and frequent urination
- Feeling very tired
- Blurred vision
- Slow healing of sores or cuts
- Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms
- Irregular periods, no periods, and/or excess facial and body hair growth in girls
- High blood pressure or abnormal blood fats levels

TYPE 2 DIABETES PREVENTION METHODS AND TREATMENTS HEALTHY lifestyle choices can help prevent and treat type 2 diabetes. Even with a family history of diabetes, eating healthy foods in the correct amounts and exercising regularly can help children achieve or maintain a normal weight and normal blood glucose levels. Visit a doctor who can a) determine if a child is overweight based on the child's age, weight, and height; and b) request blood glucose tests to see if the child has diabetes or prediabetes.

- Eat healthy foods. Make wise food choices. Eat foods low in fat and calories.
- Get more physical activity. Increase physical activity to at least 60 minutes every day.
- If diet and exercise are not enough to control the disease, it may be necessary to treat type 2 diabetes with medication.

TYPES OF DIABETES SCREENING TESTS THAT ARE AVAILABLE

- Glycated hemoglobin (A1C): A blood test measures the average blood sugar level over two to three months. An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- Random (non-fasting) blood sugar: A blood sample is taken at a random time. A random blood sugar level of 200 milligrams per deciliter (mg/dL) or higher suggests diabetes. This test must be confirmed with a fasting blood glucose test.
- Fasting blood sugar: A blood sample is taken after an overnight fast. A fasting blood sugar level less than 100 mg/dL is normal. A level of 100 to 125 mg/dL is considered pre-diabetes. A level of 126 mg/dL or higher on two separate tests indicates diabetes.

- Oral glucose tolerance: A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid. A reading of more than 200 mg/dL after two hours indicates diabetes.

Type 2 diabetes in children is a preventable/treatable disease and the guidance provided here is intended to raise awareness about this disease. Contact your student's school nurse, school administrator, or health care provider if you have questions.

SUN PROTECTION [EC§35183.5] When students are outdoors, they may wear sun protective clothing and may apply sunscreen and lip balm during the day without a doctor's note or prescription. Specific clothing and hats determined by the school/district to be inappropriate may be prohibited by the dress code policy. No school personnel are required to assist pupils in applying sunscreen.

MEDICAL AND HOSPITAL INSURANCE FOR STUDENTS [EC §§32221.5, 49472] Our district does not provide medical, accident, or dental insurance for pupils injured on school premises or through school activities, and the district assumes no liability for accidents to students at school. Information about a medical/dental accident insurance program offered by an outside agency is provided. The low-cost plan provides assistance to meet some of the expenses for accidental injury. Two levels of benefits are available. A detailed brochure/application is available at your child's school office. A no-cost, free prescription drug card is also available at your child's school office. School districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. However, this requirement is met by the offering of insurance or other health benefits that cover medical and hospital expenses. Information about no-cost or low-cost local, state, or federally-sponsored health insurance programs may be obtained by calling Healthy Families/Medi-Cal for Families at 888-747-1222.

DRUG, ALCOHOL, STEROID, AND TOBACCO PREVENTION PROGRAMS [EC§§49033, 60041; HSC§11032] The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs, alcohol, or any form of tobacco product on district premises or as a part of any of its activities is strictly prohibited, and violations will be investigated. Violators will be subject to prosecution in accordance with local, state, and federal law and district disciplinary action up to and including expulsion, being required to satisfactorily complete a drug abuse assistance, tobacco cessation program, or rehabilitation program selected by the district. The district's drug, alcohol, and tobacco education and prevention programs address the legal, social, and health consequences of drug, alcohol, and tobacco use and provide students with effective techniques to resist peer pressure to use illicit drugs, alcohol, or tobacco. Parents may contact the school for additional information. The district does not support or endorse specific programs or agencies, but provides the information to assist parents and students.

CONFIDENTIAL MEDICAL SERVICES [EC§46010.1] The state provides that school districts may excuse students in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. School districts are permitted to grant such excuses, but are not required to do so. If you have questions about this, contact your child's school.

PUPIL MENTAL HEALTH SERVICES A list of community mental health resources can be accessed under Parent Resources on the District website, eesd.net, or by contacting the district or school office.

MEALS AT SCHOOL

STUDENT LUNCH PROGRAM [EC§§49510 – 49520] All of our District schools operate a hot breakfast and lunch program, serving nutritious breakfast and lunch each school day. Your child may be eligible for free or reduced cost lunch. Eligibility information is vital to our district receiving its

fair share of educational funding. Even if you decide to not participate in our meal program, your completed form means valuable dollars for education! Therefore, please be sure to list all children or dependents in the home, including those not enrolled in Enterprise Elementary School District, one application per family. Write your child's legal name as s/he is enrolled, and list the name of the school or preschool that each child attends; write "N/A" to indicate an infant or toddler at home. If family income is below certain federal guidelines, your child may qualify for free or reduced-priced meals, and may qualify for other programs such as Medi-Cal, Healthy Kids, or CalFresh.

One of our goals is to make mealtime a positive experience for each child. Meals must be paid for in advance or at the time of purchase. When money for student meals is held on account, serving lines go smoothly and misunderstandings are minimized. Thankfully, most parents are great at making sure that sufficient money is on account for their child. There may be extenuating circumstances, of course, so parents, please call the school or send a note if payment may be delayed. Cafeteria personnel will offer a quiet and friendly verbal reminder to students in meal lines when the balance in his/her account is low. A reminder letter will be sent home.

All students will be served breakfast and lunch at no charge at Alta Mesa Elementary, Lassen View Elementary, PACE Academy, Rother Elementary, and Shasta Meadows Elementary under the Community Eligibility Provision.

A list of bus stops is available for review at each school site. Our stops are approved for safe boarding and drop off for our students. When arriving at the bus stop, park on the same side of the street as the bus stop location, eliminating the danger to children crossing the street. Make sure students are at the bus stop at least 5 minutes before scheduled pickup times. Transporting kindergarten students requires special attention and care, so we take precautions to help ensure safe arrival and drop off. If no parent is at the bus stop at the drop off time, your kindergarten student will be returned to the school. Please accompany young children to the bus stop and meet them upon their return. Children who walk to the bus stop are to use sidewalks or the shoulder of the road. Do not allow your children to play/damage other people's property. Children are to wait for the bus in a safe place, well off the roadway, in a single file line, until the bus is stopped and the bus driver has opened the door. Children are to enter the bus in an orderly manner, no pushing or shoving, quickly find a seat, and remain seated while the bus is in motion. Students should be reminded to check-in at home after they exit the school bus.

The primary responsibility of the driver is to operate the bus in a safe manner, so each student must assume responsibility for his/her conduct while on the bus. Parents are liable for all misbehavior of their children at the neighborhood bus stop. Students at the bus stop or on the bus are subject to the discipline policies of the school for their behavior.

PLEASE REVIEW THESE BUS RULES WITH YOUR CHILD.

Pupils must be seated, may not change seats while riding a bus, and must appropriately wear a seatbelt if the bus is so equipped.

1. Fighting, pushing, throwing objects, or other unruly conduct will not be allowed.
2. All parts of the body are to be kept inside the bus.
3. Pets, glass, or other dangerous objects, which in the judgment of the bus driver pose a danger, may not be transported on the bus.
4. No eating or drinking on the bus is allowed during daily runs between home and school.
5. No loud or distracting radios or other electronic devices will be allowed on the bus.
6. All student projects, crafts, and other personal property ("show and tell" objects, toys, etc.) shall be safely secured in backpacks, and shall not be played with during transportation.
7. Students who do not normally ride the bus will not be permitted to ride, even with parent/guardian request, unless there is sufficient seating capacity for the regular riders.
8. Students will not be allowed to get off the bus at a stop other than their own without a written request from his/her parent/guardian. Neither bus drivers nor parents may alter the designated school bus stops. ALL written requests must be

submitted to the school office who will then convey the information to the Transportation Department. Drivers will not accept requests.

9. Most students are courteous and thoughtful bus riders. The following procedures will be instituted for inappropriate behavior:
 - a. **VERBAL WARNING:** The bus driver will inform the student that this is an official warning.
 - **1ST BUS CONDUCT REPORT:** Initial warning of improper behavior. Student may be denied bus privileges.
 - **2ND BUS CONDUCT REPORT:** Student will be denied bus privileges for a minimum of one school day.
 - **3RD BUS CONDUCT REPORT:** Student will be denied bus privileges for a minimum of five school days and a conference with the parent/s/guardian/s, student, principal or designee, and transportation staff member is required.
 - b. **4TH BUS CONDUCT REPORT:** Student will be denied bus privileges for a minimum of ten school days, up to a maximum of the remainder of the school year.

HEALTH CARE FOR ALL FAMILIES

A PROJECT OF THE CHILDREN'S PARTNERSHIP

Enroll. Get Care. Renew. Health Coverage All Year Long

The COVID-19 pandemic has made it clear that the health of each one of us is deeply interconnected with that of every Californian. It has also emphasized the importance of having accessible health care coverage and a well-funded safety-net available for our most marginalized communities. With the Supreme Court again ruling that the Affordable Care Act is the law of the land, and with the American Rescue Plan lowering premiums for thousands of Californians, it is easier than ever to get covered and stay covered.

Health Coverage Options

Medi-Cal:

- ▶ Children—regardless of immigration status—foster youth, pregnant women, and legally present individuals—including those with DACA status—may be eligible for no- or low-cost Medi-Cal.
- ▶ Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no or low cost.
- ▶ Medi-Cal enrollment is available year round.
- ▶ During COVID-19, Medi-Cal plans began offering more services using telehealth. Ask your provider about accessing care over video or telephone.

Covered California:

- ▶ Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them.
- ▶ Based on income and family size, many Californians may qualify for financial assistance.
- ▶ Enroll during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have 60 days from the event to complete enrollment.
