Day of Giving

November 17, 2021

Trinity's Day of Giving annually celebrates the work that God has done through Trinity Classical Academy as we reflect on why we love our school! It is a day to give back and ensure that a Trinity education will exist firmly for the future, training students to be the next generation of men and women of virtue, wisdom, purpose and courage. Although a gift to the Trinity Fund can be made at any time, Trinity's Day of Giving is when we rally to raise the lions share of our annual goal.
