Now is a great time for boys and girls to join the Cub Scouts!

Ease into the program; no experience required; everyone is welcome! Meet new friends! Cub Scouts is presented with **FUN-FIRST**. Scouting helps youth develop self-confidence, ethics, leadership skills, and citizenship skills that influence their adult lives.

Any boy or girl (k-5th grade) can join Pack 516, no matter what school he or she goes to, no matter where he or she lives, any time of the year. Our meetings are hosted by Southminster Presbyterian Church on Wednesday evenings throughout the year.

Cub Scouts is fun for the whole family, as a program for parents and their children to make memories together!
