EMPLOYMENT

1. EQUAL OPPORTUNITY EMPLOYER (Policies DAA & DIA)

The Mansfield Independent School District does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Dt. Tracey Patton, Executive Director of Human Resource Services, 605 East Broad St. Mansfield, TX 76063, traceypatton@misdmail.org , 817-299-6343.

Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Dr. Jennifer Stoecker, Assistant Superintendent of Human Resources, 605 East Broad Street, Mansfield, TX 76063, jenniferstoecker@misdmail.org, 817-299-6305.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

2. APPLICATION AND INTERVIEW

Persons interested in applying for auxiliary positions with the MISD should contact the appropriate office or refer to www.mansfieldisd.org for instructions regarding the application process. All applicants must fill out an application form and may be interviewed.

After screening, applicants for positions shall be interviewed by the director/supervisor of the area wherein a job exists, and that director shall recommend the desired applicant for hiring to the Superintendent or his appropriate designee. The director shall notify the applicant selected after all paperwork is completed.

The MISD will examine the driving record of any employee whose duties require him/her

to operate District vehicles. If the driving record of an employee whose job requires operating District vehicles is returned or becomes such that the employee exceeds the maximum allowable points as outlined by TEA for School Bus Drivers, or can no longer be covered by District insurance, the employee may be terminated.

Applications are kept and updated for one year. Each applicant is responsible for updating any information regarding name, change of address, telephone number, status, or any other pertinent information as long as he/she has an active application in the appropriate office.

Applicants shall further understand that any falsification of employment reports will disqualify the applicant from hiring or will result in termination of the applicant if hired.

3. SELECTION

Applicants are employed on their own merit, based on their training, experience, and ability to meet the requirements of the available position. MISD is an Equal Opportunity Employer.

4. EMPLOYMENT AFTER RETIREMENT

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Web Site (www.trs.texas.gov).

5. EMPLOYEE INSERVICE AND STAFF DEVELOPMENT

All employees will be required to attend all inservice training, safety and emergency training, and/or staff development meetings.

6. DOCUMENTS FOR EMPLOYMENT

The following documents are required for employment with the MISD:

- Employment Eligibility Verification (Form I-9) (Immigration and Naturalization Service) with copies of documents verifying eligibility, (i.e. Social Security Card, Driver's License, Birth Certificate, Green Card, Passport)
- Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Human Resources if you have any questions regarding reverification of employment authorization.

7. SEARCHES, ALCOHOL AND DRUG TESTING (Policy DHE)

Noninvestigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the District

reserves the right to conduct searches, including but not limited to canine searches, when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The District may search the employee, the employee's personal items, work areas, District-owned technology resources, lockers, and private vehicles parked on District premises or work sites or used in District business. Sanctions for violations of this policy, consistent with local, state, and federal law, will be up to and including termination of employment and referral for prosecution. A disciplinary sanction may include the completion of appropriate rehabilitation program.

8. EMPLOYEES REQUIRED TO HAVE A COMMERCIAL DRIVER'S LICENSE

Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted when an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs returns to duty. Employees who test positive for drugs and/or alcohol may be terminated from employment.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the District's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact the Assistant Superintendent of HR, at 817-299-6325.

9. AT-WILL EMPLOYMENT, ASSIGNMENTS AND WORK SCHEDULES (Policy DK)

All auxiliary employees, regardless of certification, are employed at-will and not by contract. Employment is not for any specified term, and may be terminated at any time by either the employee or the District. The original assignment is made at the time of employment.

Maintenance, Transportation, Student Nutrition Services, Police, Custodial and Distribution Center working hours will be dictated by the requirements of the assignment and will be assigned by appropriate supervisor. Break periods within the normal working day will be 15 minutes in length.

10. TRANSFERS/REASSIGNMENT (Policy DK)

Employees can be transferred or reassigned by the Superintendent or his designee **at any time**.

11. SAFETY AND REPORTING ACCIDENTS

The elimination of unnecessary loss is a responsibility we all share. The conservation of Mansfield ISD's resources requires maximum effort by every employee for our benefit as well as for those we serve, the children of the Mansfield ISD.

An employee involved in an accident while on the job, or witness of accident, shall notify his/her immediate supervisor and follow Workers' Compensation procedures as outlined on page 18 of this handbook.

If an employee discovers an unsafe facilities situation (exposed wire, uneven pavement, etc.), he/she should report the situation immediately to supervisor or Risk Manager.

12. IDENTIFICATION BADGES

Employees will be photographed at the time of employment processing, and an ID card will be prepared for the employee's use at no cost to the employee. **All employees must wear their ID badges at all times during working hours.** Failure to wear the badge will result in disciplinary action. It should be clearly visible except in cases where the type of work does not permit the display. If the identification badge is lost or destroyed, the employee will go to the MISD Police Department to get a replacement. The identification badge must be returned upon termination of employment. Final paychecks may be held until the employee returns his/her badge.

13. USE OF DISTRICT VEHICLES

Use of District vehicles must be authorized by department head. MISD vehicles are to be used for **District business only**. Unauthorized use of a vehicle will result in disciplinary action or termination.

14. OUTSIDE EMPLOYMENT

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the District. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

15. PERFORMANCE EVALUATION (Policy DN series)

Evaluation of an employee's job performance is to be a continual process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the District. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

16. PROMOTIONS

All openings will be posted on the MISD website (www.mansfieldisd.org). Anyone can apply for these openings.

Applicants, both from within the District and those from outside the District, may be

interviewed and screened by the department director.

17. APPEARANCE & UNIFORMS

Employees should remember that they represent both the Mansfield ISD and the department and often set an example for the students at the schools.

Maintenance, Operations, Distribution Center, Transportation Mechanics, Student Nutrition Services and Police personnel wear uniforms. The employee should wear a clean set of uniforms each day. The employee is responsible for the cleaning of the uniforms. An employee may purchase extra sets of uniforms from the MISD supplier.

Employees who are provided full or partial uniforms from their department should only wear the uniform while at work. Employees are not permitted to wear their uniform while off-duty (the policy excludes Police uniforms).

All employees shall be fully dressed at all times. Working without shirts, shoes, etc. is not acceptable. Hair and beards shall be kept neat and clean at all times. Long hair will be maintained in such a fashion that it is not unsafe for the employee in their particular job assignment.

Appropriate safety/protective equipment must be worn at all times.

Failure to follow these policies will result in disciplinary action.

COMPENSATION AND BENEFITS

1. SALARIES & PAY RAISES

Employees are paid in accordance with administrative guidelines and an established pay structure. The District's pay plans are reviewed by the administration each year and adjusted as needed.

Increases must be budgeted and approved every year by the Board and are based on availability of funds. When granted, salary increases go into effect at the beginning of each contract year.

2. TIMEKEEPING OF HOURS WORKED

Employees whose jobs are subject to overtime pay regulations will report time worked on a timecard or through electronic timekeeping measures. Timecards and electronic timekeeping records must accurately reflect hours worked. No employee shall allow another employee to sign in or out or to use the electronic timekeeping tool on his behalf. Timecards are to be signed by the employee and supervisor at the end of the pay period, and electronic timesheets will be submitted by employees each week. Any changes made to the timecard/timesheet/electronic timekeeping tool must be documented and approved the supervisor. Any employee who falsifies a timesheet/timecard/electronic timekeeping document will be subject to termination of employment.

3. PAYCHECKS

Hourly auxiliary employees who do not receive annualized paychecks will be paid every two weeks. Paychecks will not be released to any person other than the District employee named on the check without the employee's written authorization. The Payroll Department

Updated 8/5/21

should be called if there are questions about payroll statements. Biweekly payroll will occur every other Friday, with the exception of holiday weeks. The schedule for pay days can be found on the Payroll department's website.

Auxiliary employees who receive annualized paychecks will be paid once per month, generally on the 20th of each month.

4. AUTOMATIC PAYROLL DEPOSIT

The District offers employees automatic payroll deposit. Employees can have their paychecks electronically deposited into an account at any bank. Notification to Payroll must be made by the 1st of the month to activate this service. With automatic deposit, an employee's paycheck is immediately available on the pay date. Contact Payroll for more information about the automatic payroll deposit service.

5. PAYROLL DEDUCTIONS

Automatic payroll deductions for the Texas Teacher Retirement System (TRS) and federal income tax are required for all full-time employees. Medicare tax deductions are required for all employees hired after March 31, 1986. Temporary and part-time employees who are not eligible for TRS membership must have 457 Deferred Compensation contributions deducted in lieu of Social Security contributions. Payroll deductions may also be made for child support and spousal maintenance deductions if applicable, as well as delinquent federal education loan payments if applicable.

Other deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, vision, cancer, and disability insurance; annuities; the Texas Tomorrow Fund; or prepaid tuition programs, and savings and loan payments through the Educational Employees Credit Union. Employees may also request payroll deductions for payment of membership dues to professional organizations and the United Way. Salary deductions are automatically made for unauthorized or unpaid leave.

6. OVERTIME COMPENSATION (Policies DEA, DEAB, DK, DL, DEC)

The District compensates overtime for nonexempt employees in accordance with federal wage and hour laws. All employees are classified as exempt or nonexempt for purposes of overtime compensation. Professional and administrative employees are ineligible for overtime compensation. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours weekly and is not measured by the day or by the employee's regular work schedule. Employees who must work beyond their normal schedule but less than 40 hours in the same work week will be compensated in straight-time pay for some auxiliary employees or equivalent time off (compensatory time) for paraprofessional employees and some auxiliary employees. Employees must work more than 40 total hours in a week to earn overtime compensation. For the purpose of calculating overtime, a workweek begins at 12:01 a.m. Monday and ends at 12:00 midnight Sunday.

Nonexempt Auxiliary employees that are paid on a salary basis are paid for a 40-hour work-week and do not earn additional pay unless they work more than 40 hours.

Overtime work is to be kept at a minimum. When necessary, overtime must be arranged and approved by the department manager ahead of time. Overtime is paid at the rate of 1-1/2 times the rate of the regular straight-time pay for all approved hours **physically worked in excess of forty (40) hours** per week.

7. CALL OUTS/EMERGENCY OVERTIME

It is the responsibility of the person accepting the request for emergency overtime to maintain a record of the name and position of the person who telephoned in the emergency as well as the time the phone call was received. When possible, employees responding to an emergency should have access to a District vehicle, which will be driven to the site (equipped with proper tools and supplies) to complete the repairs. This will help to eliminate unnecessary delays in correcting the problem.

It is the responsibility of the appropriate supervisor to review all emergency overtime worked to ensure the appropriateness of the action taken and the time utilized.

The person responding to the emergency after normal work hours will be authorized to receive a minimum of two hours of overtime pay if they have worked at least 40 hours during the week. If there is a holiday during the week, the holiday hours will count towards the 40-hour work week requirement, in order to be paid at the overtime rate. If the time exceeds two hours, then overtime pay will be earned for the time worked, if the employee has exceeded 40 hours during the week. If the employee did not work 40 hours during the week, the employee will be paid two hours of straight time pay at their regular pay rate. No additional hours for another emergency can be charged for the same two hour period of time that has already been used for a previous emergency.

8. BREAKS FOR EXPRESSION OF BREAST MILK (Policies DEAB, DG)

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

9. HEALTH INSURANCE

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The District's contribution to employee insurance premiums is determined annually by the Board of Trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

TRS retirees who are enrolled in TRS-Care are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the Employee Benefits Department for more information.

10. SUPPLEMENTAL INSURANCE BENEFITS

- At their own expense, employees can enroll in supplemental insurance programs during open enrollment.
- Premiums for these programs will be paid by payroll deduction. Employees should contact the Employee Benefits Department for more information.
- Employees must work 18 hours per week to be eligible for supplemental insurance.
- Employees will be notified of the fall open enrollment.

11. CAFETERIA PLAN BENEFITS (SECTION 125)

Employees working at least 18 hours per week are eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit during the first 30 days of employment. This plan enables eligible employees to pay certain insurance premiums on a pretax basis. It also provides for a flexible spending type of account for expenses paid for child/dependent care and certain medical bills. A third-party administrator handles employee claims made on these accounts.

12. WORKERS' COMPENSATION INSURANCE

The District, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The District's coverage is through Texas Mutual. Workers' comp benefits pay for medical treatment and may provide a portion of the income lost while recovering. All work-related accidents or injuries must be reported immediately to the employee's supervisor. The supervisor will then report the injury to the Benefits Department. Employees who are unable to work due to a work-related injury must contact the Benefits Department immediately and will be notified of their rights and responsibilities under the Texas Labor Code.

13. UNEMPLOYMENT COMPENSATION INSURANCE

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits under the Texas Unemployment Compensation Act. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Benefits Department.

14. TERMINATING PAYROLL CHECKS

MISD is not required to pay early when an employee terminates for any reason. The policy of this department is to pay all personnel at the next regular pay period.

After termination papers are presented to the Payroll Department, terminating personnel may pick up their checks from the appropriate supervisor or the Payroll Office. Deductions for uniforms, equipment, personnel badges, keys or other school property shall be deducted from the final paycheck if said items are not returned.

15. RETIREMENT

All personnel employed on a regular basis for at least four and one half months are members of the Teacher Retirement System (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31.

Employees who plan to retire under TRS should notify the Payroll Department as soon as possible. Information on the application procedures for TRS benefits is available in Payroll. Additional inquiries should be addressed to: Teacher Retirement System of Texas, 1000 Red River Street, Austin, Texas 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov)

LEAVES AND ABSENCES

Policy DEC (Legal) & (Local)

The District offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than 5 days should call the Employee Benefits Department at 817-299-6356 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the District.

Employees who take an unpaid leave of absence may continue their insurance benefits at their own expense. The District's contribution for health care benefits for employees who qualify, under the Family/Medical Leave Act (FMLA), will be paid by the District for up to 12 weeks, as they were when they were working. The District does not make benefit contributions for employees who are on unpaid leave.

Employees must follow District and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

Medical Certification: Any employee who is absent more than 5 days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and in the case of personal illness the employee's fitness to return to work. Employees must get a release to return to work from the Employee Benefits Department before going to their work site.

Any employee who is not physically at the work site must record his/her absence on an absence from duty form to be turned in at the end of the month. Failure to record an absence, or failure to record an absence correctly shall result in disciplinary action up to and including recommendation of termination.

Updated 8/5/21

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

1. PERSONAL LEAVE

Every regularly employed person in the District will be given personal leave consisting of 5 state and 5 local days per year, and they shall be cumulative. This leave will be granted at the beginning of the contract year, and leave allocation will be prorated based on the number of days an employee works per year. Local leave is cumulative up to 30 days. There is no limit on the accumulation of state personal leave, which is transferable to other Texas school districts and generally transfers to education service centers. Leave shall be recorded by hour, half-day, or whole-day increments.

Any employee who does not work enough days to earn the total amount of leave allocated will have his leave allocation prorated upon termination of employment. Any leave used beyond time earned will be deducted from the employee's last paycheck in the form of other available leave or in monetary equivalent.

Definition of regularly employed employee - Any employee working on a regular basis whether 2, 3, 4, 5, 6, 7, or 8 hours a day.

Examples of How Personal Leave Is Earned

Employees who are regularly employed for three (3) hours per day receive ten (10) 3-hour days of personal leave.

An employee working for 40 days who worked three (3) hours a day and then was transferred to five (5) hours for the rest of the year will have earned two (2) 3-hour days personal leave for the 40 days and the other eight (8) days earned will be 5-hour days.

Leave will not be earned when an employee is on Family Medical Leave, workers' compensation, or a leave of absence. An employee who resigns or is dismissed from the District will not be paid any unearned State or Local days.

There are two types of personal leave: nondiscretionary and discretionary.

Nondiscretionary: Leave taken for personal or family illness, emergency, a death in the family, or active military service is considered nondiscretionary leave. This type of leave allows very little or no advance planning and will be granted to employees in the same manner as sick leave.

- An employee absent more than 5 consecutive workdays because of personal illness shall submit to the Benefits Department, before return to work, a medical certification of illness and of his or her fitness to return to work. Employee will then be given a release from the Benefits Department that is presented to the employee's campus/department before they can return to work.

- An employee absent more than 5 consecutive workdays because of illness in the immediate family shall present, upon return to work, medical certification of the family member's illness.

Discretionary (Policy DEC Local): Leave taken at an employee's discretion that can be scheduled **in advance** is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a notice of the request 5 days in advance of the anticipated absence to his or her principal or supervisor. Discretionary personal leave will be granted on a first-come, first-served basis, with a maximum of 10 per cent of campus/department employees in each category permitted to be absent at the same time for discretionary personal leave, and will be subject to the following limitations:

- Discretionary leave may not last more than 3 consecutive workdays. **Any days above three shall be docked** at the employee's daily rate of pay.
- Discretionary leave may not be taken on the first day or last day of school or the day before or after a school holiday. An employee shall be docked the daily rate of pay for leave on these days.
- Discretionary leave may not be used to extend days out before or after break or holidays. An employee will be docked the daily rate of pay for leave taken on these days.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave. State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Employees requesting personal sick leave the day before and/or after a scheduled holiday may be required to submit a doctor's statement to certify illness.

The term "immediate family" for purposes of leave other than family and medical leave, immediate includes spouse, son or daughter (including a biological, adopted, or foster child, a son or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis), parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee. Sibling, stepsibling, and sibling-in-law, grandparent, and grandchild and any person who may be residing in the covered employee's household at the time of illness or death for use of state sick leave. For FMLA benefits, the "immediate family" includes spouse, dependent child, father and mother, and next of kin.

2. NON-DUTY DAYS

Some auxiliary employees on 226-day contracts who work the entire contract year receive 6 non-duty days per year. These non-duty days may be used as soon as they are granted and are valid for 18 months after their issuance. As a general rule, any non-duty days not used by their expiration date will no longer be valid for use. An employee may ask permission of the Superintendent/Superintendent's Designee to carry over a maximum of 4 non-duty days per year.

If an employee separates from employment with the District before his last duty day of the year, then he would not have earned his non-duty days for that year. Therefore, any non-duty days that were taken but not earned will be deducted from the final paycheck in the form of available leave or compensation if no leave time is available.

Certain 226-day auxiliary positions have specific calendars designed to ensure the needs of the district are met year-round. Employees working in these positions do not have non-duty days allocated to them. Instead, these employees will adhere to duty day calendars with six non-working days included in place of non-duty days.

OTHER ABSENCES

Any other leaves granted or days of absence shall result in a deduction of the daily rate of pay for each day of absence, unless otherwise provided. [See DMD(Local)]

3. HOLIDAYS

To be paid for holiday time off, an employee must work full 8-hr days (or 4-hrs if part time) on the last working day prior to a holiday period and the day following the holiday, unless on paid vacation, extended medical leave (FMLA, Sick leave bank/pool, etc.) with paid leave through accrued personal leave or sick leave bank/pool. Holiday pay is granted based on compliance with the procedure below.

Holiday pay is not earned and prorated, as is personal leave or vacation. Only employees who work 261 days receive holiday pay. 261 day part time employees who work 4 hours every day also receive holiday pay. These employees normally receive pay for: two (2) days for Thanksgiving and three (3) days for Christmas. Employees receive one (1) day each for Memorial Day, Independence Day, Labor Day, New Year's and Martin Luther King for a total of ten (10) days.

4. VACATION (Policy DED Local)

A 261-day employee working 40 hours per week or more, shall earn vacation days at a rate of .833 days per month for years 0–10, not to exceed ten days per year. After completion of ten consecutive years as a 261-day employee working 40 hours per week or more with the District, the employee shall earn vacation days at the rate of 1.25 days per month, not to exceed 15 days per year.

A break in employment of six months shall cancel all creditable experience prior to the break in service.

Time during which an employee is not physically working beyond accrued paid leave does

not count toward accumulation of vacation days. Any unearned vacation taken by an employee shall be de-deducted from the employee's last paycheck.

Additional Information

A break of employment of six (6) months will cancel all creditable experience prior to the break in service. Exceptions: military service, workers' compensation.

Simultaneous employment (working two positions) will not count for more than the equivalent of one full time employment.

Time during which an employee is not **physically at work** due to personal medical leave beyond accrued personal leave days or time during which the employee is on workers' compensation beyond accrued personal leave days **does not count** toward accumulation of vacation days.

Vacation Scheduling: Earned vacation time may be approved in periods of one (1) day or more when such vacation will not interfere with the needs of the department or such vacation is necessary to meet an emergency.

All accrued vacations must be used by December 31 of the following year, unless approved by administration.

5. SICK LEAVE BANK

The District will establish a sick leave bank governed by a Board of District employees with representation from all employee groups. (See guidelines for the Sick Leave Bank online at www.mansfieldisd.org .)

6. SICK LEAVE POOL

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate only local leave for use by the eligible employee.

If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent or designee shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and
4. The return of unused days to donors.

All decisions regarding the establishment or implementation of the District's sick leave pool may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

1. FAMILY and MEDICAL LEAVE (FML) – GENERAL PROVISIONS

Employees who have been employed by the District **for at least 12 months and have worked at least 1,250 hours in the 12 months immediately preceding the need for leave are eligible for family and medical leave.** Eligible employees can take up to 12 weeks of unpaid job protected leave each year. For purposes of an employee's entitlement to FMLA leave, the 12-month period shall be defined as the 12-month period beginning on the first duty day of the school year. For the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent. Spouses who are employed by the District are subject to limits in the amount of leave that they can take to care for a parent with a serious health condition; for the birth, adoption, or foster placement of a child; or to care for a covered military service member.

Military service family leave. An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

Benefits and Protections. Eligible employees are entitled to continue their health care benefits under the same terms and conditions as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

Use of paid leave. Family and medical leave runs concurrently with accrued sick and personal leave, temporary disability leave, and absences due to a work-related illness or injury. The District will designate the leave as family and medical leave, if applicable, and notify the employee that accumulated leave will run concurrently.

Intermittent leave. In some circumstances, employees may take family and medical leave in blocks of time or by reducing their normal weekly or daily work schedule. Intermittent leave may be taken under the following circumstances:

- An employee is needed to care for a seriously ill spouse, child, or parent
- An employee requires medical treatment for a serious illness
- An employee is seriously ill and unable to work

Requests for FML. When the need for family and medical leave is foreseeable, employees must provide 30 days advance notice to the District. When the need for leave is not foreseeable, employees must contact the Benefits Department as soon as possible.

Employees will be required to provide the following:

- Medical certification from a qualified health care provider supporting the need for leave due to a serious health condition affecting the employee or an immediate family member
- Second or third medical opinions and periodic recertification of the need for leave
- Periodic reports during the leave regarding the employee's status and intent to return to work
- Medical certification from a qualified health care provider at the conclusion of leave of an employee's ability to return to work
- Certification of the need for family military leave

Employees requiring family and medical leave should contact the Benefits Department for details on eligibility, requirements, and limitations.

Employer Responsibilities. Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

Enforcement. Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Fitness for Duty. An employee who takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact the Benefits department for details on eligibility, requirements, and limitations.

- **LEAVE OF ABSENCE**

By special permission, if requested and approved, the MISD will grant limited leave of absence for:

- Military Service - while assigned to active duty/with orders
- Family/Medical Leave Act (FMLA) – 12 weeks if an employee qualifies.

All **requests** for a leave of absence will be **submitted in writing** before the leave through the appropriate supervisor **to the Assistant Superintendent of Human Resources**. An employee on a leave of absence is not eligible to withdraw funds from the Teacher Retirement System. A leave of absence, if granted, shall be granted without pay unless the employee has days to cover the absence. This time off from work **will not** count toward accruing sick leave, vacation days, or retirement.

Maximum Leave. Maximum leave for Auxiliary employees is 60 work days for FML. At will employees, who do not apply for and receive approval for additional leave, and who do not report and document their availability and fitness to return to work within the time set forth above, shall be deemed to have resigned their positions with the District effective upon the expiration of the 15 workday period set forth above. At the expiration of available

paid leave and/or unpaid leave, the District shall offer COBRA benefits as required by law.

- **WORKERS' COMPENSATION BENEFITS**

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven (7) calendar days. Such protection applies only to injuries arising out of and in the course and scope of the employment.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or pre-injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or injury wage.

Benefit payments may be delayed if the doctor fails to make prompt and regular reports to the Benefits Department. To establish evidence of eligibility to receive benefits under the Workers' Compensation Act, a staff member must comply with the following procedures:

- Personnel injured or involved in an on-the-job accident must report the injury and/or the accident to his/her supervisor **immediately**.
- Employees absent from work two (2) or more days due to a work related injury must have a doctor's release statement and approval from Employee Benefits Department before returning to work.
- If the employee injured is unable to report the injury, he/she shall have someone report for him/her to the supervisor. This does not relinquish the responsibilities of the injured employee to report to the supervisor as soon as possible.
- The employee shall choose a treating physician from the Texas Star Network of doctors. The list is located at www.texasmutual.com or call 800-381-8067.
- **During any period of disability, it will be the responsibility of the employee to call the Employee Benefits Department weekly to report the employee's work status and to relay medical information which is pertinent to his/her case.** Each time the employee goes to the doctor, it will be the employee's responsibility to bring or mail a copy of the attending doctor's statement to the Employee Benefits Office, MISD Administration Building, 605 E. Broad Street, Mansfield, Texas, 76063. Failure to comply could affect benefits.
- An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated personal leave or any other paid leave benefits. **An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or – injury wage.** If the use of paid leave is not

elected, then the employee will only receive workers' compensation wage benefits for any absences resulting from a work-related illness or injury, which may not equal to his or her pre-illness or injury wage.

- Once the employee receives documentation from his/her attending physician that he/she can return to work, the employee must submit the release to the Employee Benefits Department.
- If an employee provides documentation from his/her attending physician that he/she can return to limited duty with restrictions, the employee must present the stipulated release to the Employee Benefits Department for approval.
- In order to meet the needs of the district, an employee's position may be filled during a period of prolonged leave.
- If the employee's position has been filled, the employee may apply for a position for which he/she is qualified. If the District offers the employee a comparable job after the employee has been released to return to work and the job assignment is refused, the employee will be terminated.

- **ASSAULT LEAVE**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury, and should be immediately reported to your supervisor. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the District will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the District may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

- **JURY DUTY (Policies DEC, DG)**

Employees will receive leave with pay and without loss of accumulated leave for jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees must present documentation of the service and shall be allowed to retain any compensation they receive.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

- **COMPLIANCE WITH A SUBPOENA**

Employees will be paid while on leave to comply with a valid subpoena to appear in a work-related civil, criminal, legislative, or administrative proceeding and will not be required to use paid leave. Absences for court appearances related to an employee's personal business must be taken as personal leave or leave without pay (if no personal leave is available). Employees may be required to submit documentation of their need for leave for court appearances.

- **TRUANCY COURT APPEARANCES**

An employee who is a parent or guardian of a child and any court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court Appearance.

- **RELIGIOUS OBSERVANCE**

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence

- **LEAVE FOR PEACE OFFICERS.** Refer to Board Policy DEC.

- **MILITARY LEAVE**

Paid leave for military service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty ordered by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after military leave.

Employees who leave the District to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the District will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Human Resources. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance.

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits Department for details on eligibility, requirements, and limitations.

EMPLOYEE RELATIONS AND COMMUNICATIONS

Policy DJ

1. EMPLOYEE RECOGNITION AND APPRECIATION

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the District. Employees are recognized at Board Meetings, in the District newsletter, and through special events and activities. Recognition and appreciation activities also include an annual retirement recognition banquet.

2. DISTRICT COMMUNICATIONS

Throughout the school year, the Communications Office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

COMPLAINTS AND GRIEVANCES

Policy DGBA

In an effort to hear and resolve employee complaints in a timely manner and at the lowest administrative level possible, the Board has adopted an orderly grievance process. Employees are encouraged to discuss problems or complaints with their supervisors or an appropriate administrator at any time.

The formal grievance process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees can bring grievances to the Board of Trustees. **All forms to be used can be found online at www.mansfieldisd.org.** Click on "School Board," then "Complaints/Grievances/Concerns."

EMPLOYEE CONDUCT AND WELFARE

1. DISCIPLINARY ACTION

The goals of discipline are to remedy improper conduct on the part of an employee and to maintain an effective work force.

a grievance is that employee entitled to have a representative present. An interpreter may be present any time the supervisor or the employee deems necessary.

While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons, including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been harassed, discriminated, or retaliated against are encouraged to promptly report such incidents to the supervisor, or appropriate District official. If the supervisor or District official is the subject of a complaint, the complaint should be made directly to the Superintendent. A complaint against the Superintendent may be made directly to the Board.

Romantic or inappropriate social relationships between students and District employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate District official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX Coordinator, the ADA/Section 504 Coordinator, or Superintendent and take any other steps required by district policy. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred must also report his or her knowledge or suspicion to the appropriate authorities as required by law. See *Reporting Suspected Child Abuse*, page 30 for additional information. The district's policy the includes definitions and procedures for reporting and investigating harassment of student can also be found online at www.mansfieldisd.org.

4. REPORTING SUSPECTED CHILD ABUSE (Policies DG, FFG, GRA)

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001 are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g. state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the District is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

5. REPORTING SUSPECTED SEXUAL ABUSE AND MALTREATMENT OF CHILDREN (Policy BQ)

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed in the Counseling Department

(817-299-6363). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated.

Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect.

Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in Reporting Suspected Child Abuse.

6. REPORTING SUSPECTED BULLYING OF STUDENTS (Policy FFI Local)

Bullying occurs when a student or group of students engages in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the District and that:

Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or

Is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

This conduct is considered bullying if it:

Exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and

Interferes with a student's education or substantially disrupts the operation of a school.

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form. The principal or designee will investigate this claim according to Board Policy FFI (Local).

7. REPORTING CRIME (Policy DG)

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

In case of prolonged absence due to sickness or injury, daily call procedures may be amended on the authorization of the employee's supervisor. Absence for three (3) consecutive days without notifying the designated department will justify immediate termination (no-call, no-show).

Parking Rules and Guidelines

Overview

The operation of a motor vehicle on campus is a privilege granted by the Mansfield ISD Board of Trustees. Vehicles requiring a state license are classified as a motor vehicle including cars, trucks, mopeds and motorcycles. All vehicles driven on Mansfield ISD campuses are subject to all local and state traffic laws. A student or employee has full responsibility for the security and content of his or her vehicle. Students, faculty, staff and employees who operate or park a motor vehicle on a Mansfield ISD High School campus are required to have a valid parking permit decal properly affixed to the vehicle. The person to whom a parking permit is issued has a nontransferable decal.

The Mansfield ISD Police Department or their designee is given the responsibility of enforcing procedures that provide a safe campus environment for our students. To aid in this process, the MISD Police Officers are licensed by the State of Texas and are granted all the powers of a peace officer. The jurisdiction of these officers are both on and off school property within the boundaries of the Mansfield Independent School District. The jurisdiction of these officers may be extended to any school-sponsored event, which may take place outside the boundaries of MISD. Citations, arrest, and/or other legal action may be taken for any violation of federal law, state law, and/or city ordinances. According to the Texas Education Code section 37.102 (b) all laws regulating traffic on highways and streets apply to the operation of vehicles within school property. The following regulations and guidelines were established by the Mansfield ISD Board of Trustees in the effort to maintain a fair and impartial system for the enforcement of parking and traffic regulations on MISD school campuses.

The privilege of parking a vehicle on campus may be taken away from violations pertaining to inappropriate behavior or parking violations. Upon arriving at school, students must immediately vacate their cars and the parking lot and enter the school building. Students in the parking lot during the day without a pass will be subject to disciplinary action. Persons, including enrolled students of any school of this district, who are not authorized to be on school grounds after school hours, may be charged with trespass on school grounds in accordance with section 37.107 of the Education Code.

TECHNOLOGY ACCEPTABLE USE POLICY

Internet Postings

The Internet, along with a host of next generation communication tools, has expanded the way in which employees can communicate internally and externally. While this creates new opportunities for communication and collaboration, it also creates new responsibilities for Mansfield ISD employees. This Internet Posting Policy applies to employees who use the following:

- Multimedia and social networking websites such as Twitter, Facebook, Yahoo! Groups and YouTube
- Blogs (Internal and External)
- Wikis such as Wikipedia and any other site where text can be posted

All of these activities are referred to as “Internet Postings” in this policy. Please be aware that violation of this policy may result in disciplinary action up to and including termination.

1. Internet Postings that do not identify the author as a MISD employee, do not discuss the district, and are purely personal matters would normally fall outside of this guidance.
2. Common sense is the best guide if you decide to post information in any way relating to the Mansfield ISD. If you are unsure about any particular posting, please contact the Mansfield ISD Communication and Marketing Department.
3. If an Internet posting makes it clear that the author works for the Mansfield ISD, it should include a simple and visible disclaimer such as, “these are my personal views and NOT those of the Mansfield ISD.” When posting your point of view, you should neither claim nor imply you are speaking on the district’s behalf, unless you are authorized in writing by the Assistant Superintendent of Communications and Marketing.
4. Personal internet postings should not reveal confidential information about the Mansfield ISD, including but not limited to, aspects of district policy or details of internal district discussions. If in doubt about what might be confidential, contact the Communications and Marketing Department.
5. Internet postings should not include Mansfield ISD logos or trademarks, and should respect copyright, privacy, fair use, personal or financial disclosure, and other applicable laws.
6. If a member of the media contacts you about an Internet posting that concerns the business of the Mansfield ISD, please refer that person to the District Communications and Marketing Department.
7. Internet postings should not violate any other applicable policy of the Mansfield ISD.
8. Mansfield ISD shall not be liable, under any circumstances, for any errors, omissions, loss or damage claimed or incurred due to any Internet postings by an employee.
9. Each employee is responsible for regularly reviewing the terms of this policy.

STATEMENT OF RESPONSIBILITY FOR EQUIPMENT AND AUTHORIZATION FOR PAY DEDUCTION

In consideration for your personal use of the Equipment off school property or outside of school-sponsored events, you assume full financial responsibility to pay for any repairs and/or replace the Equipment if it is damaged, stolen, misplaced, or for any other reason not returned. The amount of financial responsibility is the "Replacement Value" of the equipment. If the equipment is lost or stolen, the Superintendent or designee may reduce or eliminate my liability for loss or theft if (i) a police report is filed immediately and (ii) the Superintendent or designee does not find that the loss or theft resulted from my own wrongful or negligent acts or omissions. This statement acknowledges my possession of Equipment and assumption of financial responsibility for the Equipment usage off school property or outside of a school-sponsored event. I further acknowledge that MISD may request the return of the Equipment at any time, and I will be required to return the Equipment within one business day after MISD has made such a request. The term "Equipment" as used in this Agreement shall mean the electronic textbooks or other technology equipment.
