

Southeastern Laboratory School Weekly Newsletter

August 16, 2021

Welcome Back

We had an **AWESOME** first couple of days of school. The students and teachers were all excited to be back.

Parents, please make sure you check your students' folders each day and sign and return any paperwork.

Please remember to send your child to school with a mask. All students in grades K-8 are required to wear a face covering.

Our PreK and K students will begin this week.

PreK and Kindergarten Parents:

Girls will attend school on August 17 and 18.

Boys will attend school on August 19 and 20.

On August 23, all PreK and K students will attend school.

Chromebooks will be distributed to your child in their homeroom. If the Chromebook agreement is not signed, your child will not be able to bring the Chromebook home to complete homework assignments

If you did not receive a Carpool tag, please let your child's teacher know.

Make sure you have joined one of the Remind groups. This is how Mr. Labbe' communicates with all our parents.

Make sure to visit our school's new website.
