Terms & Conditions

For Students (Grades 4 to 12)

Parents and guardians of Grades 4 to 12 students enrolled at DSC may take advantage of this special offer and purchase a laptop to be used by students to complete school assignments. The laptop is owned by the parent/guardian who makes the purchase. The parent/guardian is responsible for the appropriate use of the technology at home. Each student must purchase Norton Internet Security.

For Parents of Students, Staff and Alumni

Families, staff and DSC alumni may also take advantage of this special program offer and purchase a maximum of ONE unit.

All Notebook are covered with:

3-year Accidental Damage Insurance, 3-year Local On-site Next Business Day Warranty, 3-year International Carry-in Warranty and 1-year Warranty for Battery

WARRANTY, MAINTENANCE AND TROUBLE SHOOTING - LENOVO COMPUTERS PURCHASED FROM HELIX

Current students who purchase the laptop through the school program run by Helix may approach the IT Department Staff for trouble shooting. Once a student leaves the school they need to contact Helix or Lenovo directly for warranty issues.

When a student brings in their laptop an IT Technician will investigate the case and see if the issue can be resolved onsite without placing a service call to Helix or Lenovo. If the laptop can be repaired the Technician will assist and the student can take the laptop back to class. If the laptop cannot be fixed on site or, if there is physical damage/hardware malfunction, the IT Technician and student will complete a maintenance form. A copy of the form will be given to the student. The student will, at the same time, be allowed to borrow one of the School's laptops to use while waiting for his or her unit to be repaired.

A service call will be placed to Helix / Lenovo and they will come to the School to fix the laptop. When the laptop has been repaired the student will be notified by email to come to the IT Department to collect the laptop and return the loaned unit. Students will only be able to collect the laptop by submitting the loan unit if a loan unit was signed out.
