Additional Information

Hair

Hair styles should not inhibit learning and should therefore not cover the eyes. Long hair should be away from the face and must be tied back with red, grey, black or white hair accessories. Extreme hairstyles (shorter than Grade 4), including “steps”, spikey haircuts, highlights, colouring or bleaching are not acceptable in school. No gel or other hair products should be worn.

Jewellery

The wearing of jewellery is forbidden other than a single gold or silver ear-stud in each ear for girls in Years 7 and 8.

Name Tags

All items of clothing should be labelled to avoid being lost.

Rugby Boots

Under the laws of the game of rugby, all players must wear approved footwear. Approved footwear can be football or rugby boots fitted with rugby safety studs, moulded blades or blades (except for Adidas metal tipped blades). Removable rugby safety studs are obtainable from the school shop and all good sports shops.

Hockey Footwear

Girls require normal football boots with standard football studs for playing on grass and Astro boots for playing on Astro Turf.

Gum Shields

All children playing rugby or hockey must wear a mouth guard/gum shield. Children without a mouth guard will not be able to represent the school in rugby or hockey teams and will only have limited access to elements of training sessions. Boil and fit gum shields are available from sports shops and the School Shop. Some parents prefer to purchase gum shields which are professionally fitted and offer a greater level of protection (not recommended for children in Years 3 and 4 because their teeth change so quickly). The school organises for a mouth guard company, OPRO, to visit the school, usually in the first week of the Autumn term for girls and later in the term for the boys. Parents can order mouth guards on-line before this date. Details will be sent to parents at the end of the Summer term.

Please note that girls will need gum shields for the first day of the year in September, whilst boys will need them from November.
