This Agreement is made and entered into by and between the Barre Educators Association, (hereinafter referred to as the “Association”) and the Barre Unified Union School Board (hereinafter referred to as the “Board”).

## ARTICLE I RECOGNITION

- 1.1 The Board recognizes the Association as the sole and exclusive representative for the purpose of collective bargaining, pursuant to Title 21, Section 1721-1734 of the Vermont Statutes Annotated, of Associations consisting of all Para-Educators employed by the Board.
- 1.2 Unless otherwise indicated, the employees in the above Associations will be hereinafter referred to as “Para-Educators”.

## ARTICLE II RIGHTS OF THE BOARDS

- 2.1 In recognition of the fact that the laws of the State of Vermont vest responsibility in the Board for the quality of education in, and the efficient and economical operation of the Barre Unified Union School District, it is herein agreed that, except as specifically and directly modified by express language in a specific provision of this contract, and subject to all non-delegable and fiduciary responsibilities as mandated from time to time by Vermont and federal law, the Employer retains all rights and powers that it has, or may hereafter be granted by law.
- 2.2 The Board’s exercise of any management right or function in a particular manner shall not preclude the Board from exercising the same right or function in any other manner which does not expressly violate a specific written provision of this Agreement. The Board’s failure to exercise any right or function reserved to it shall not be deemed to be a waiver of its right to exercise such right or function at any future time.

## ARTICLE III ASSOCIATION SECURITY

- 3.1 The Board hereby agrees that every Para-Educator has the right to organize, join, and support the Association and its affiliates for the purpose of engaging in collective bargaining and other activities for mutual benefit. The Board agrees that the Board shall not directly or indirectly discourage or deprive or coerce any Para-Educator in the enjoyment of any rights conferred under Chapter 20 of the Vermont Statutes Annotated,

the Constitution of Vermont and the United States, that the Board shall not discriminate against any Para-Educator with respect to hours, wages, or any terms or conditions of employment by reason of Para-Educator's membership in the Association and its affiliates, Para-Educator's participation in any activities of the Association and its affiliates, collective bargaining with the Board or Para-Educator's institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to, any terms or conditions of employment.

- 3.2 No Para-Educator who has completed the Para-Educator's probationary period will be disciplined, suspended or terminated arbitrarily and/or without procedural due process or without just cause.
- 3.3 Every newly employed Para-Educator shall serve a probationary period of ninety-two (92) working days. If the Para-Educator is hired during the second half of the school year, this probationary period will extend into the following school year. For the purpose of this Agreement, a newly employed Para-Educator is a person with no previous employment as a Para-Educator with the Barre Unified Union School District, or a person rehired as a Para-Educator after termination for any reason except illness, accident, leave of absence, or layoff is reemployed within eighteen (18) months from the July 1 following date of layoff. It is understood and agreed that during the probationary period, a Para-Educator will not be covered by the provisions of this contract.
- 3.4 Whenever a Para-Educator is required to meet with any Supervisor or Administrator on a matter pertaining to discipline, reprimand, suspension or termination of employment, the Para-Educator shall be given prior written notice, if possible, of such appearance with the reason(s) for, the date, hour, and place of such meeting. The Para-Educator shall be entitled to have representation of the Association present at such meeting.
- 3.5 Upon receipt of a validly executed authorization form, the Board agrees to deduct from the wages of the Para-Educator covered by this Agreement those dues so authorized by the Association as said Para-Educator voluntarily authorizes the Board to deduct. Dues deduction authorization shall be continuous from year to year in accordance with a validly executed authorization form. Such deductions shall be made in substantially equivalent amounts. To qualify for such dues deduction, a Para-Educator must submit an authorization form to the Superintendent. The monies, with a record of dues deduction, shall be transmitted to the treasurer of the Association according to a schedule agreed to by the parties. When a new Para-Educator is hired, the board will provide that new Para-Educator's name to the Association in writing within thirty (30) days of the date of hire, in accordance to 11.6. Should a Para-Educator cease payroll deductions for Association membership, the Board will provide that Para-Educator's name to the Association in writing within thirty (30) days of notification to cease deductions.
- 3.6 No material derogatory to a Para-Educator's conduct, service, character or personality, except personal pre-employment references relating to the Para-Educator's personnel file without just cause or without the Para-Educator having an opportunity to review such material.

The Para-Educator will acknowledge that the Para-Educator has had a chance to review such material by affixing the Para-Educator's signature to the copy to be filed with the express understanding that such a signature in no way indicates agreement with the contents thereof.

The Para-Educator will also have the right to submit a written answer to such material and the Para-Educator's answer will be reviewed by the Superintendent or Superintendent's designee and attached to the file copy.

#### ARTICLE IV EMPLOYMENT RIGHTS

- 4.1 The Association will be notified of the anticipated and budgeted Para-Educator positions by April 1 or within thirty (30) days of the date the budget passes; a portion of these positions may be contingent for needs that may develop after the initial issuance of contract letters. Contract letters for known positions shall be sent to Para-Educators no later than May 1st and shall be returned to the Office of the Superintendent no later than May 16th, or the first regularly scheduled school day following May 16th if the 16th is not a scheduled school day. Any non-student day on which the Para-Educator is expected to work will be defined when the District calendar is issued. The provisions of Article 4.4 shall prevail with respect to reduction in force. The final date for return of contracts is fifteen (15) calendar days from the date of issuance.
- 4.2 Each individual contract letter shall be uniform and exclusively include the name of the Para-Educator, the duration (school year) of the contract letter, the hourly rate, the hours per day, the days per year, the exempt status, the name and location of the position (i.e.; Para-Educator – *location* – SPED or Library or Clerical or blank), and the seniority date of the Para-Educator.
- 4.3 The Association and those affected Para-Educators will be informed of any reduction of Para-Educator positions resulting from managerial prerogative, notwithstanding the provisions of Article 4.1 of this Agreement, with a minimum of two (2) weeks notice.
- 4.4 If turnover and attrition fails to adequately reduce the staff, Para-Educators shall be laid off in reverse order of seniority, provided the remaining Para-Educators are qualified, as determined by the administration, to perform the duties required of the remaining position(s). Before determining whether the remaining Para-Educators are qualified to perform the duties of the available jobs, the administration will consult with the teacher(s) most directly involved with the remaining positions.
- 4.5 Seniority will be computed from the beginning of the ParaEducator's most recent period of continuous employment and will begin to accrue as of that date. Seniority will not be broken by unpaid leaves of absence; but such time will not be counted in computing seniority. When seniority is equal, ability to perform the work will be the deciding factor.

- 4.6 If there is a vacancy in a Para-Educator position, Para-Educators who were laid off will be recalled in reverse order of layoff. A laid off Para-Educator shall retain job recall rights for eighteen (18) months following the effective date of layoff provided, the Para-Educator maintains an active employment file with the Superintendent's Office. A Para-Educator who is recalled from a layoff will retain all benefits accrued at the time of layoff. A Para-Educator may refuse recall to a position and continue on the recall list. Said refusal shall not alter a Para-Educator's recall rights. A Para-Educator who is recalled from a layoff will retain all sick leave benefits and retain the Para-Educator's wage schedule placement at the time of layoff.
- 4.7 A laid off Para-Educator who has been recalled to fill a position must accept the position by notifying the administration within ten (10) calendar days of the written recall notice, and the Para-Educator must be available to occupy the position within fourteen (14) calendar days of the original written recall notice. If the recalled Para-Educator accepts the position and fails, without just cause, to report for work within the fourteen (14) calendar days, the Para-Educator shall forfeit all recall rights. Non-acceptance of a position by a Para-Educator on the recall list shall not diminish the Para-Educator recall rights under this Article. The time limits set forth in this section, 4.7, may be extended at the discretion of the administration.
- 4.8 No Para-Educator shall be laid off under the provision of this Agreement if the reduction can be accomplished through attrition.
- 4.9 Vacancies, which are not filled in accordance with Article IV of this Agreement, shall be processed in accordance with Article VI, vacancies and/or reassignments, of the Agreement.
- 4.10 Members of the bargaining unit shall have proper training, as a part of their employment, if asked to work with students who have a history of physical behaviors/aggression or are on behavior plans. This is to protect the safety of both the Para Educators and the students.
- 4.11 Para-Educators will report any hazardous or unsafe working conditions to the Administration. The Administration will address the issue using appropriate protocols. Staff will be notified of the outcome in a timely fashion.
- 4.12 When the absence of a Para-Educator is due to an action at law against the Para-Educator based on alleged actions or omissions which are within the scope of the Para-Educator's employment, such absence shall not be deducted from any contracted salary or leave. The Board shall provide full legal support and assistance to the extent, and subject to the conditions of, the liability insurance coverage provided by the Board pursuant to 16 VSA §1756.
- 4.13 On the authorization of the Superintendent, the Board will reimburse Para-Educators for

any loss, damage, or destruction of clothing or personal property (including motor vehicles) of the Para-Educator occurring while the Para-Educator is acting in the discharge of the Para-Educator's duties. Report of such damage will be made to the Superintendent as soon as possible following discovery of the damage. The Superintendent's determination as to whether or not the damage is eligible for the reimbursement provisions of this article will be final, and not subject to grievance under the terms of Article Five of this contract.

- 4.14 Para-Educators shall immediately report cases of assault suffered by them in connection with their employment to the principal or other immediate supervisor. Such notification shall immediately be forwarded to the superintendent, who shall comply with any reasonable request from the Para-Educator for information in the possession of the superintendent relating to the incident or the person or persons involved, except such information, the dissemination of which is restricted by law. Nothing in this provision, however, shall be construed to abridge the right of a Para-Educator to seek redress at law.
- 4.15 The Board shall give support to the Para-Educator to the extent of policy limits including reasonable legal fees and other costs of court action brought by parents or other citizens against the Para-Educator while said Para-Educator is acting in the discharge of the Para-Educator's duties within the scope of the Para-Educator's employment.
- 4.16 The Para-Educators recognize that in cases of emergency the health and safety of the students is their prime responsibility and they must act accordingly. However, except in an emergency, medical services will be delivered to students only by qualified medical personnel or a person trained by qualified medical personnel.

#### ARTICLE IV GRIEVANCE PROCEDURE

##### 5.1 Definitions

A. A "grievance" is a claim by a Para-educator or Para-educator (s), and the Association that there has been a violation, a misinterpretation, or a misapplication of the terms of this Agreement, or a violation of the right to fair treatment with regards to the application of the provisions of this Agreement. However, only a grievance that alleges a violation of the written provisions of this agreement may be advanced to arbitration.

B. An aggrieved person is the person or persons or Association(s) making the claim.

C. Time Limits: All time limits consist of school days during the school year. Time limits during the summer vacation consist of workdays, Monday through Friday.

D. Association Representation: Upon selection and certification by the Association, the corresponding Board will recognize the Association grievance officer or

committee. At least one Association representative may, at the option of the Association, be present for any meeting, hearing, appeals or other proceedings relating to a grievance which has been formally presented. The Association must notify the administrator involved, in writing, of its intent to be present or not be present at any such proceeding. Nothing herein contained will be construed as limiting the right of any Para-educator having a grievance to discuss the matter informally with the Para-Educator's supervisor, and having the grievance addressed without intervention of the Association, provided the Association has been notified and any resolution is not inconsistent with the terms of this Agreement.

E. The grievant shall, at all steps in the formal grievance procedure, be entitled to be represented by the Association or by such other representative as the grievant may choose, except that at no time shall the grievant be represented by an administrative official of the school district. Nothing herein shall be construed to interfere with the Association's right and responsibility to ensure compliance with this agreement.

## 5.2 Procedure

The parties acknowledge that it is most desirable for any Para-Educator and the Para-Educator's immediately involved supervisor to resolve problems through free and informal communications. When requested by the Para-educator, the Association representative may intervene to assist in this resolution. However, should such informal processes fail to satisfy the Para-educator or the Association, then a grievance may be processed as follows:

**Step 1** The Association shall present the grievance, in writing, setting forth the problem(s) being grieved, citing any alleged contract violation, and stating the redress sought, to the school Principal, who will arrange to meet within seven (7) days with the parties. The Association's representative, the aggrieved Para-educator, and the Principal (all with or without representation) shall be present for the meeting. The Principal shall provide to the grievant and the Association a written decision within seven (7) days after such meeting, setting forth the reasons for the decision. No grievance will be given formal consideration unless it is filed at Step 1 within twenty-eight (28) days after the grievant had knowledge of the occurrence that gave rise to the grievance.

**Step 2** If the grievance is not resolved at Step 1 or if a Step 1 time limit expires without the issuance of the Principal's written decision, then the Association may refer the grievance to the Superintendent or official designee within seven (7) days after the Step 1 decision was due or received. The Superintendent shall arrange for a meeting with the grievance representative(s) of the Association and the aggrieved Para-educator(s) to take place within fourteen (14) days of the receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to establish facts pertinent to the grievance. Upon conclusion of the hearing, the Superintendent will have seven (7) days in which to provide the Superintendent's written decision to the respective parties to the grievance.

Step 3 If the grievance is not resolved at Step 2 or if a Step 2 time limit expires without the issuance of the Superintendent's written decision, the Association may refer the grievance to the governing School Board or Boards within fourteen (14) days after the Step 2 decision was due or received. The Board shall arrange for a meeting within fourteen (14) days after the receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to develop facts pertinent to the grievance. Upon completion of the meeting, the School Board will provide a written decision to the Association within fourteen (14) days.

Step 4 Arbitration - If the grievance is not resolved at Step 3, or the Step 3 time limits expire without the issuance of the School Board's written answer, then the Association on behalf of the grievant may submit the grievance to arbitration. If a demand for arbitration is not filed with the Superintendent of Schools within twenty-one (21) days of the date that the School Board's Step 3 decision was due or received, then the grievance will be deemed to be withdrawn. The Association or its representative and the Board or its representative shall seek to mutually agree upon the person of an arbitrator. If agreement cannot be reached within ten (10) days, the Association may refer the matter to the American Arbitration Association (AAA) under their Voluntary Labor Arbitration Rules. Referral to the AAA must occur no later than twenty-one (21) days from the date of the demand for arbitration.

- 5.3 During the period of time when arbitration is taking place, neither the Board(s), the grievant, or the Association(s) shall unilaterally issue any public statement concerning the matter under arbitration. The decision of the arbitrator shall be final and binding upon the parties.
- 5.4 Neither the Boards nor the Associations will be permitted to assert any grounds or evidence before the arbitrator that was not previously disclosed to the other party.
- 5.5 The arbitrator shall have no power to alter the terms of this Agreement.
- 5.6 Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator and the AAA shall be divided equally between the parties. Should either party request a transcript of the proceedings, then that party will bear full costs for the transcript. Should both parties order a transcript, then the cost of the two transcripts will be divided equally between the parties.
- 5.7 The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level and no Para-educator shall be required to discuss any grievance if the Association's representative is not present.
- 5.8 Provided the Association and Superintendent agree in writing, Step 1 and/or Step 2 of the grievance procedure may be bypassed and the grievance brought directly to the next step. Class grievances involving an administrator above the school Principal level may be filed by the Association at Step 2.

- 5.9 No reprisals of any kind will be taken by the Board(s), the administration or the Association(s) against any Para-educator because of the Para-Educator's participation in this grievance procedure.
- 5.10 The Board(s), administration, and Association(s) will cooperate with one another in their investigation of any grievance, and further, will furnish one another with such information as is required for the processing of any grievance. Notwithstanding the previous sentence, no grievance shall be processed during assigned working hours unless approved by the administration. If so approved, the grievant, the Association representatives and the witnesses shall be released from duties without loss of pay or benefits. Under no circumstances shall students who are minors be involved in the hearing of, or resolution of, any grievance unless prior written consent from a parent or a guardian is filed with the office of the Superintendent.
- 5.11 All documents, communications and records dealing with the processing of a grievance will be filed. All disagreements, communications and records dealing with processes of a grievance will be filed with all parties involved in the three steps of the grievance procedure. The official record is to be filed in the Superintendent's office. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
- 5.12 A grievance may be withdrawn at any level without establishing precedent.
- 5.13 Time limits and/or procedures may be changed in the above Article if both sides mutually agree in writing.

ARTICLE VI  
VACANCIES /REASSIGNMENTS /VOLUNTARY TRANSFER

- 6.1 The Administration shall post notification of Para-Educator vacancies on a bulletin board in the Administrative Office of the Principal.
- 6.2 Upon notification of Para-Educator vacancies, Para-Educators who desire a change in assignment shall notify Human Resources in writing.
- 6.3 Para-Educators who file a written request for change of assignment in accordance with Article 6.2 shall be granted an interview by the interviewing panel. The final selection process shall be the responsibility of the Administration. Provided that the filling of the vacancies and/or reassignment of Para-Educators does not violate the procedures of this article, the action of the Administration shall not be grievable.
- 6.4 Special assignment vacancies, which arise during the school year, shall be posted, applied for, and filled in accordance with 6.1 and 6.2 of this Article.
  - a. A currently employed Para-Educator who volunteers and is selected as a special

assignment shall maintain the right to the Para-Educator's former position if the special assignment is terminated or the Para-Educator elects not to continue the assignment at any time prior to the beginning of the ensuing year.

- b. During the period from the beginning of the special assignment to the beginning of the next school year, the Para-Educator's former position will be filled, if needed, on a temporary basis by an individual from outside the bargaining unit. The temporary Para-Educator who is hired shall receive salary and benefits in accordance with the Agreement, but the Para-Educator shall not have the right to employment for the next school year, nor will the Para-Educator have the right to layoff and recall as provided in Article IV of this Agreement.
- c. If the special assignment position is terminated or the Para-Educator who accepted the position requests a return to the Para-Educator's previous assignment prior to the beginning of the next school year, the Para-Educator shall be returned to said former assignment with no loss of salary, benefits, or seniority. If, however, the Para-Educator elects to continue the special assignment during the ensuing school year, the Para-Educator shall forfeit all rights to the Para-Educator's former position, but the Para-Educator shall retain all seniority and displacement rights provided in this Agreement.
- d. If the temporary Para-Educator is employed by the district for the ensuing school year without a break in service, the Para-Educator shall be covered by the terms of this Agreement and receive seniority retroactive to the commencement of the Para-Educator's employment.
- e. If a Para-Educator is working with an individual student and that student leaves the district they will be treated as follows:
  - 1. If the Para-Educator is employed in this district for the first time and the Para-Educator is in the first year of employment, he/she may be laid off as soon as the individual student leaves. The Para-Educator will assume recall rights for the amount of seniority accumulated. If the student leaves at the end of that year, the Para-Educator may be laid off or may bump depending upon seniority status.
  - 2. Any Para-Educator who has been in the district for more than one year will be guaranteed a job for the remainder of the year. The Board has full discretion to place the Para-Educator for the remainder of the year. A Para-Educator in this position may be laid off at the end of the school year or bump another Para-Educator in the same category depending on seniority.

6.5 When necessary to meet the needs of the student body, the Administration may change or modify assignments, including assignments in different schools within the district. The Administration will give the Association a one-week notice of such changes or modifications. The Administration shall provide any necessary training/support for the Para-Educator to succeed in the new/newly modified position. Procedures in Article 6.2

and Article 4.3 shall be followed to assist the Para-Educator in applying for and accepting such a new/modified position.

6.6 Transition of employment:

- a) Para-Educators transitioned from employment with a member District to employment with the Barre Supervisory Union shall retain their current rate of pay, seniority and or benefits provided under the terms of the negotiated Agreement. Such Para-Educators shall be recognized as members of the bargaining unit represented by their former District of employment.
- b) Should future Vermont Statute require transition of employment from the BSU back to the member districts, the Para-Educators shall retain all rates of pay, seniority and benefits, and employment shall be assumed by the school districts that comprise the BSU.
- c) In the event of a reduction in force among Para-Educator staff during or following the transition to the BSU the provisions of this Agreement pertaining to Reduction In Force shall apply. Para-Educator staff employed by the BSU at the time of any reduction will be considered as a group for the purpose of layoff and recall.
- d) Para-Educator staff hired after the transition to the BSU will be placed per the Hiring Guide in Appendix A of this Agreement.
- e) Para-Educator staff assigned to work in more than one school on the same day (other than assignments at the Central Vermont Career Center and SHS) shall be allowed a reasonable time between the end of the last assignment in the first school and the beginning of the first assignment in the second school for travel and preparation. Para-Educators will be paid mileage at the current IRS rate for any travel between assignments. This payment will occur after submission of a mileage form to the business office and in a separate check from payroll.

ARTICLE VII

- 7.1 Full-time Para-Educators employed by the Board will normally work no less than thirty (30) hours per week, and no less than one hundred and eighty-five (185) days per school year which shall be in concert with the immediate supervisor. If the Board, during the duration of this contract, chooses to alter the number of school days both sides agree to reopen this article only.
- 7.2 Exclusive of the working hours per day, each Para-Educator will have an unpaid duty-free lunch period of not less than thirty (30) minutes, which will occur during the normal school lunch periods.
- 7.3 If a regularly scheduled workday is curtailed for any reason after the Para-Educators have commenced working on such a day, Para-Educators shall receive their regular rate of pay for that day. If the curtailment results in a loss of a school day, the Para-Educator's work year is not reduced.
- 7.4 Para-Educators who, as part of their regular assignment duty or at the request of a teacher or Supervisor, are required to change diapers or sanitary napkins, or assist children with

any vital life functions that require privacy, and/or that necessitate physical contact of or near a student's genitalia, will not typically be required to perform said duties alone; rather, another adult employee shall be made available to assist with said duties and/or to serve as a witness to the performance of said duties. However, it is, understood that it may be necessary for a Para-Educator to perform these services without another employee present in order to meet the immediate needs of a student or to deal with an emergency situation, i.e., the Para-Educator may not refuse to perform these duties alone. ## ARTICLE VIII INSURANCE

8.1 For the period January 1, 2021 through December 31, 2022 and beyond, the Board shall offer health insurance as defined by 16 V.S.A. Chapter 61, Sections 2101 – 2108, (Act 11 of 2018) and the Arbitrator decision awarded on December 9, 2019, Appendix C, and as it may be amended through the statewide negotiations process during the term of this Agreement.

Para-Educators may elect to participate in any of the four (4) health insurance plans offered by VEHI and may elect single, two person, parent and child(ren) or family coverage.

The Boards will contribute an amount of money toward the cost of health insurance premium for each eligible Para-Educator participating in one of the group health insurance plans offered by the District through VEHI. During calendar year 2021 the Board's contribution to the cost of an full time eligible Para-Educator's health insurance premium will not exceed 90% of the premium cost of the VEHI Gold CDHP Plan. ~~for single coverage.~~ During calendar year 2022 the Board's contribution to the cost of a full time eligible Para-Educator's health insurance premium under the Platinum, Gold or Gold CDHP Plan will be equal to 88% of the premium cost of the VEHI Gold CDHP Plan and the Para-Educator will pay the difference in premium cost. The Board's premium contribution to the cost of a full time Para-Educator's health insurance premium for the Silver CDHP Plan will equal 88% of the premium costs for the VEHI Silver CDHP Plan and the Para-Educator will pay the difference in premium cost. In subsequent calendar years the employee's contribution to the cost of premium will

increase two percent (2%) per year as provided by the Arbitrator decision awarded on December 9, 2019. The Board contribution to the health insurance premium will be pro-rated for Para-Educators who are regularly scheduled to work at least seventeen and a half (17.5) but less than thirty (30) hours per week

In addition to the premium contributions referenced above, the Board will establish and maintain a Health Reimbursement Arrangements (HRA) through a third party administrator for full time school year Para-Educators who select coverage under any of the Plans offered by VEHI. Para-Educators and the Board will share responsibility for the payment of deductibles, co-payments and/or co-insurance required under each Plan offered by VEHI in accordance with the provisions of the Arbitrator decision awarded on December 9, 2019, and as it may be amended through the statewide negotiations process during the term of this Agreement.

Payments for eligible OOP charges incurred will be made automatically to the Provider whenever possible; the District may also issue debit cards to facilitate such payments. In the event the HRA administrator is unable to make payments directly to providers, payments will be made directly to the employees when deemed necessary by the HRA parameters. In that case employees will be responsible for paying the providers directly. Payments to employees will be made electronically; employees will provide the necessary bank information to effectuate electronic payments. The Parties understand and agree that the use of debit cards and automatic payment options are only available in cases where the employee has established a Flexible Spending Account (FSA) under the BUUSD Flexible Spending Account (FSA) document from which payment for the employee's share of OOP payments can be made. The BUUSD Flexible Benefits Plan document will allow employees to roll over funds in the employee's FSA from one calendar year to the next to the extent allowed by law.

Unspent funds in the HRA will not rollover or accumulate from year to year, but will revert to the Board, subject to a ninety (90) day run out period.

Funds in the HRA will be available and may be used solely to pay for qualified medical and prescription drug expenses that track towards the annual deductible, co-payment or co-insurance expenses required by the Plan selected.

The Board will be responsible for the administrative costs of operating the HRA plans. Any substantive or procedural issue related to the operation or administration of the HRA Plan not addressed herein is left to the discretion of the District.

For the period January 1, 2021 through December 31, 2022 and beyond, the Board shall offer health insurance as defined by 16 V.S.A. Chapter 61, Sections 2101 – 2108, (Act 11 of 2018) and the Arbitrator decision awarded on December 9, 2019. From January 1, 2021 through December 31, 2021, the Para-Educator contribution to premium shall be 10%. From January 1, 2022 through December 31, 2022, the Para-Educator contribution to premium shall be 12%, in accordance with the statute and decision. If any of the general provisions set forth in this Article conflict with the Arbitrator decision awarded

on December 9, 2019 (and as it may be amended through the statewide negotiations process during the term of this Agreement) the terms of the statewide healthcare bargaining agreement shall prevail.

All Para-Educator contributions toward the cost of health insurance premiums shall be by payroll deduction through the Section 125 Plan.

- 8.2 Should a medical insurance policy become available with an alternate insurer, providing equal or improved benefits at a reduced premium cost, the Boards and the Associations, as individual parties or in concert, reserve the right to reopen negotiations regarding the provisions in section 8.1
- 8.3 Should a State or National health insurance program be enacted and become available, the Boards and the Associations, as individual parties or in concert, reserve the right to reopen negotiations regarding the provisions of section 8.1.
- 8.4 In the event that a Para-Educator is laid off, the Para-Educator may elect to continue membership in the insurance plan by paying the applicable premiums at the Office of the Superintendent for a period as allowed by the carrier and as prescribed by law. This section is contingent upon the approval of the respective insurer and the timely payment of premiums by the former Para-Educator.
- 8.5 The Boards will provide VEHI Delta Dental Insurance coverage for all Para-Educators at 50% Board contribution, plans A, B, and C. Two-Person or Family coverage may be purchased by the Para-Educator for the difference between the Boards' percent (50%) contribution and the cost of the two-person or family plan.
- 8.6 The Boards shall provide and pay the premium for a term life insurance policy for each Para-Educator in the amount of twenty-five thousand dollars (\$25,000).
- 8.7 When a Para-Educator is absent due to a work related injury for which the Para-Educator is receiving Workers' Compensation benefits the Para-Educator may elect to continue receiving the Para-Educator's regular wages by signing the Para-Educator's check for temporary total disability benefits over to the District and authorizing the District or supervisory union to apply the Para-Educator's accrued, personal and/or sick leave to offset the difference between the Workers' Compensation benefits received and the Para-Educator's regular wages.
- 8.8 The school district agrees to provide group long term disability ("LTD") insurance, and the Association agrees to accept any additional benefits included with the disability policy in place, to all Para-Educators who are eligible to receive benefits under the terms of this Agreement. Disability coverage will begin after meeting the eligibility requirements for receiving benefits under the disability plan, including a ninety (90) day elimination period. Disabilities are only those medical conditions as defined as disabilities by the carrier and covered by said insurance policy. The benefit will cover

sixty percent (60%) of monthly earnings up to a maximum benefit of \$6500 per month. A Para-Educator experiencing a long-term illness or disability shall make a timely application for benefits under the LTD Plan. A Para-Educator who qualifies for benefits under the LTD Plan may use accrued sick leave to make up the difference between the amount paid by the insurance carrier and the Para-Educator's regular base salary, but may not draw leave from the sick leave bank for this purpose.

## ARTICLE IX LEAVES

- 9.1 a) During a Para-Educators employment the Para-Educator shall receive fifteen (15) sick days as of the first workday of the school year, except for Para-Educators in their probationary period. Para-Educators starting employment after the start of the contract year will receive a reduced portion of the 15 sick days which will be pro-rated to the actual number of school days remaining in the contract year. Para-Educators leaving employment prior to the end of the contract year will have their sick days for that contract year reduced and pro-rated to the actual number of days worked in the contract year. Para-Educators using sick days used in excess of their pro-rated balance shall have the dollar value deducted from their last payroll(s).

Para-Educators in their probationary period will receive 7.5 sick days for their probationary period, and then receive sick days pro-rated (to fifteen (15) days per year) for the remainder of the year in which they complete their probationary period.

- b) Unused sick leave shall accumulate from school year to school year. On June 30 of each year any unused sick days over one hundred (100) shall automatically be donated to the Sick Leave Bank (the sick leave bank will have no limits on the amount of days it contains and cannot be exhausted). On July 1 of each year, 15 days shall be added to the sick day balance of each Para-Educator, allowing them to start the new year with up to one-hundred fifteen (115) days. Individuals employed ten (10) years or more will receive twenty dollars (\$20) per day for unused accumulated sick leave upon termination of employment, unless the Para-Educator is terminated for cause.

- c) Any Para-Educator may request the use of days from the Sick Leave Bank under the conditions noted herein. Such requests will be submitted, in writing, to the Superintendent who shall have the discretion to grant or deny such requests. Use of these days must be consistent with the following provisions.

  - D. The recipient must provide a doctor's certificate indicating the nature of the serious illness or medical condition as well as the date the Para-Educator is expected to return to work. At the option of the Superintendent, a second opinion may be required. If a second opinion is requested, the Superintendent and the Association will work together to identify the doctor who will provide the second opinion at no expense to the employee.
- d) A doctor's certificate may be required by employer in order to receive sick leave after three (3) consecutive days of sick leave or a pattern indicating abuse.
- 9.2 A Para-Educator who has exhausted sick leave may be granted an unpaid medical leave of absence of up to one (1) year for extended illness that does not qualify for LTD insurance. A Para-Educator on an unpaid medical leave of absence will continue to receive term life insurance. A Para-Educator on an unpaid medical leave of absence who is eligible to continue in the group medical and/or dental plan may continue in either plan. Unless otherwise provided by law, a Para-Educator on an unpaid medical leave of absence who chooses to continue on one of these plans shall pay the full cost of premium for the health and/or dental insurance plan selected in accordance with a payment schedule provided by the District. The District may require appropriate medical documentation before approving the leave.
- 9.3 In addition to sick leave, during their first two school years of employment a Para-Educator may be granted up to two (2) days paid personal leave for business, legal, family or emergency matters which cannot reasonably be accomplished outside of school hours. Beginning in their third school year of employment a paraeducator will be eligible for up to three (3) days paid personal leave under the afore-referenced criteria. All personal leave is subject to the approval of the Superintendent or designee. This leave is not intended to be used to accompany a spouse or partner on a business, pleasure or shopping trip or to extend a vacation or weekend. In the event a Para-Educator does not use all of their personal leave in one school year, the remaining days will be awarded to the Para-Educator as sick days and be added to the sick days the Para-Educator has accumulated thus far. If the Para-Educator is ineligible to receive additional sick days added to their total days the unused days would be added to the sick bank.
- 9.4 A Para-Educator may utilize sick leave for illness or injury involving an individual residing in the immediate household or a member of the Para-Educator's immediate family as defined in FMLA/VPFLA.
- 9.5 Each Para-Educator shall be granted by the Boards up to five (5) days paid leave per instance for a death in a Para-Educator's immediate family and two (2) days for other

The Para-Educator shall endorse any check(s) received from the court for duty over to the Barre Supervisory Union. Any payment received from the court and/or received as a result of being a subpoenaed witness which is in excess of a Para-Educator's normal daily rate of pay shall be retained by the Para-Educator.
- 9.7 Each Para-Educator may, with the approval of the Superintendent, have up to two (2) days professional leave per year for the purpose of visiting other schools and/or attending conferences of educational benefit to the School District. A third professional day may be used specifically for professional development within the School District for the educational benefit of the School District.
- 9.8 When the need for a leave can be foreseen as defined in FMLA/VPFLA, the Para-Educator shall notify the Administrator of the expected commencement date of the leave as soon as the date is determinable. The Superintendent may request a medical certification to verify any illness or disability. At such time as the Para-Educator is certified no longer able to continue working at the Para-Educator's usual and customary duties, the Para-Educator shall be entitled, at the Para-Educator's option, to go on leave for the duration of the year. Prior to the commencement of a leave, the Para-Educator will indicate in writing the anticipated date of return to work, and unless in the case of a medical emergency, the Para-Educator shall return to work on the announced anticipated date.
- 9.9 A leave of absence without pay for up to one (1) work year may be granted at the sole discretion of the employing Board(s) to a Para-Educator for the purpose of caring for a sick member of the Para-Educator's immediate family, or for other personal reasons. Additional leave may be granted at the sole discretion of the employing Board. The decision of the Board shall not be subject to grievance. During such leave, a Para-Educator will be allowed to continue participation in the insurance program(s), provided the Para-Educator pays the monthly premium rates to the Board(s) and subject to the regulations of the insurance carrier.

- 9.10 After five years of employment, any Para-Educator may be granted a short-term, unpaid leave of absence one time per year for up to five (5) consecutive workdays. Request for said leave shall be made to the Superintendent at least twenty (20) workdays in advance of the leave.
