New Business

A. Approval of the Oakland Schools 2020-21 Budget Resolution (Action Item) Dana Taylor

Dana Taylor presented the Oakland Schools 2020-21 Budget Resolution. On April 28, 2020, Oakland Schools held a virtual meeting for delegates from local school district boards of education to present the proposed budgets. Representatives from Oakland Schools also presented the proposed budgets at the April 17, 2020, virtual meeting of the Oakland County School Business Officials. These meetings provided an opportunity for local school officials and board members to review the proposed budgets prior to submitting to local school districts board of education discussion and action. Given the rapidly changing economic environment, we expect substantial revisions to this document in the coming months. However, we recommend that the board adopt the resolution in support of the 2020-21 Oakland Schools budget as presented.

Kristin Bull read the resolution.
